Council Member Scott Dodson, Vice
Commodore/Education Lindsay Scott
and Commodore Kenny Wolfe of Rush
Creek Yacht Club.*

Greetings!

On behalf of the City of Heath, I extend a warm welcome to everyone visiting our community for the 2024 International Sunfish Class Association World Championship!

We are looking forward to an exciting week of racing right here on our own Lake Ray Hubbard, and thank everyone involved in bringing this global event to our Hometown Heath. This includes the International Sunfish Class Association (ISCA), the hosting Rush Creek Yacht Club, the competitors and their supporting family members and friends, and the spectators who will enjoy this important racing event.

We also look forward to sharing our trademark southern hospitality. For your convenience, we have provided this handout that includes a city map and information about the dining options as well as other conveniences that are all just minutes from Rush Creek Yacht Club.

We wish you a wonderful time here in Heath!

Jeremiah McClure
Mayor, City of Heath
