24 RISK STATEMENT

24.1 RRS 3 states: 'The responsibility for a boat's decision to participate in a race or to continue to race is hers alone.' By participating in this event each competitor agrees and acknowledges that sailing is a potentially dangerous activity with inherent risks. These risks include strong winds and rough seas, sudden changes in weather, failure of equipment, boat handling errors, poor seamanship by other boats, loss of balance on an unstable platform and fatigue resulting in increased risk of injury. **Inherent in the sport of sailing is the risk of permanent, catastrophic injury or death by drowning, trauma, hypothermia or other causes.**

***By participating in this event:
I agree to be bound by all rules that govern this event.
I will inform all crew members of these conditions.***

Junior Sailing Association of Long Island Sound Code of Conduct

Introduction

The JSA Code of Conduct applies to all JSA Sailors, Parents, Coaches and anyone present in support of a sailor or an event (“Support Person”) when attending JSA Sanctioned Events. It applies from the time one arrives at the event to the time of departure, and it applies to conduct both on and off the water. The Code is intended to prescribe appropriate behavior for every aspect of participation in a JSA event. It is not intended to establish a set of rules.

Commitment

I promise:

- I will use my best efforts to learn and follow the Racing Rules of Sailing.
- I will be honest, fair, courteous, respectful and a good sport, whether I am winning or losing.
- I will treat competitors, coaches, regatta officials, parents, hosts and all others with respect, even if I believe that person is wrong.
- I will comply with the reasonable requests of any regatta official, team coach and/or parent chaperone that may be associated with an event.
- I will respect the rules and conditions of the regatta, the Host Club or sailing venue.
- I will follow all regulations governing the operation of support craft.
- I will not use another's property without permission, steal or damage another's property.
- I will not hit, abuse, bully, make fun of or call anyone names.
- I will not swear or curse.
- I will not abuse my equipment in anger.
- I will follow all safety procedures and instructions given by race officials, regatta hosts and other responsible adults. I will promptly notify a race official, coach or responsible adult if another person is in danger.
- I will not engage in any conduct that endangers the health or safety of another competitor.
- I will not use alcohol, tobacco, or any drugs that were not prescribed specifically for me.
- I will respect the grounds of the sailing venue and the waters on which I sail, by being responsible for my items and disposing of my trash responsibly.
- I will demonstrate “Corinthian Spirit”, meaning I will place good sportsmanship, fair play and respect for the rules above winning.

Enforcement of the Code

It is expected that a Sailor and his/her support group enters an Event understanding the Code. First and foremost, compliance with this Code is mandatory and, if words or actions result in a breach of the Code, the expectation is that the Sailor will report him or herself to the Organizing Authority. Alternatively, a breach of the Code may be reported by peers or others in attendance who have witnessed such an incident.

Handling of Code Violations

When necessary, enforcement may take the form of disciplinary action as outlined by the RRS, the US Sailing SafeSport Handbook, and the US Sailing Regulations and Bylaws.

If an incident is brought to the attention of the Organizing Authority, Event Host and/or the Protest Committee

alleging that a competitor has violated this Code, the Protest Committee shall notify the competitor and conduct a hearing that meets the requirements of Part 5, Section B of the RRS. Under such circumstances, the competitor has the right to voluntarily withdraw from the event rather than proceeding with a hearing. If the Protest Committee decides that the competitor has violated the Code and is not exonerated, it may:

- a. remove some or all of the competitor's event privileges or benefits,
- b. disqualify the competitor's boat from the race or races sailed nearest in time to that of the incident, or
- c. disqualify the competitor's boat from all races in the event and exclude the competitor from the event or venue.

Further action may be determined by the Protest Committee if warranted including considering calling a hearing under RRS 69.2(b) or remanding it to the US Sailing Review Board or SafeSport.

Under such circumstances, the Host Club Event Chair shall take disciplinary action within 48 hours and shall notify the Chair of the JSA regarding the action.

Scoring

When a competitor withdraws from part of an event pursuant to the Code, the scores of all completed races shall stand for the purposes of determining the seeding of subsequent rounds or stages in the event. However, that competitor's boat/team will no longer be eligible to compete in the event, shall be removed from the final event scores, and each boat/team with a worse finishing place in the event shall be moved up one place. The same scoring applies if a boat is disqualified from the remaining races in an event.

Parents, Coaches & Support Persons

Parents, Coaches and Support Persons are expected to adhere to the Code and the Commitments listed above. It is expected that any violation of the Code and/or Commitments will be reported to the Organizing Authority, Event Host and/or Protest Committee and will be addressed as outlined under "Handling of Code Violations" above.

The actions that a Protest Committee may carry out for Support Person misconduct are defined in RRS 64.4. They include:

- a. issue a warning;
- b. exclude the person from the event or venue or remove any privileges or benefits, or
- c. take any other action within its jurisdiction as provided by the rules.

The protest committee may also penalize a competitor for the breach of a rule by a support person by changing the boat's score in a single race, up to and including DSQ, when the protest committee decides that:

- a. the competitor may have gained a competitive advantage as the result of the breach by the support person, or
- b. that the Parent, Coach or Support Person has committed a further breach after the competitor has been warned by the protest committee that a penalty may be imposed.

JSA Support Team Regulations

In addition to the procedures specified in the SUPPORT TEAMS section of the Sailing Instructions, the JSA requires support persons who communicate with race officials by VHF radio to use these protocols:

- Hail the RC and identify yourself by using your Name, your Club/Organization, and your Role (coach, parent, etc.)
- Say your message.
- Receive response
- Acknowledge the response
- Do not argue with the RC if you disagree with its response.
- End the communication by thanking the RC volunteers for their service.

Communications that do not include a support person's identity, or are argumentative and abusive, may be subject to penalties as described in the JSA Code of Conduct.

Support Persons are reminded:

- a.) RRS 4.1(b) states: "A support person by providing support, or a parent or guardian by permitting their child to enter an event agrees to accept the rules."
- b.) RRS 4.2 states, "Each competitor and boat owner agrees, on behalf of their support persons, that such support persons are bound by the rules."
- c.) RRS 60.3 states: The Protest Committee may call a hearing, if any support person has broken a rule.
- d.) RRS 64.5 Decisions Concerning Support Persons may include a warning, exclusion from the event venue or worse, and may include penalties against their sailors.
