Boat and Dolly/Trailer Drop Off: Just before you get to the club on Ocean Drive West, turn right on Ralsey Road South and park near the alley between the tennis and paddle courts to unload. Push your boat by hand on its dolly down the alley (do not drive your car in the alley) to the lower lot on the west side of the pool near the beach launch ramp. Boat trailers may be parked in the gravel yard west of the two courts. The alley is a fire lane and may not be blocked at any time by parked trailers or cars. Boats and trailers must be removed after the race ends on Saturday.
