

The Royal Canadian Yacht Club welcomes parents and guardians to join us on the RCYC Island during the Youth CyberSail Regatta from Friday evening May 30 through the regatta May 31 to June 1. There are many things to do to keep you busy while the regatta is happening.

Visitor's access to RCYC

Visitors can access the RCYC Island via the RCYC launch service that departs from 150 Cherry St., or via water taxi services. Once on the Island, you may access many of the Club's amenities including:

- Dining facilities
- Complimentary bicycle, canoe, kayak and stand-up paddle board rentals
- Gate access to the Toronto Islands
- Outdoor pool

All amenities may be accessed with a visitor's card.

Visitor's cards are available at the Sailing Office. Please see map below.

The RCYC Visitor Guide has additional details for your convenience: [RCYC - Visitor Guide v6](#)

Dining options

In addition to access to the dining facilities at RCYC, you may also join the event dinner that will be provided to the sailors on Saturday night. While we will not be selling dinner tickets, meals can be purchased in the Oven's Room where the Saturday evening dinner will be held. *Note that registered sailors' dinner is included with registration.*

We look forward to welcoming you to the Royal Canadian Yacht Club!
