

Buffalo Canoe Club Regatta Emergency Action Plan

Radio Channels:

Race Committee	Channel 72
Burgee Base	Channel 68
BCC	905-894-2750

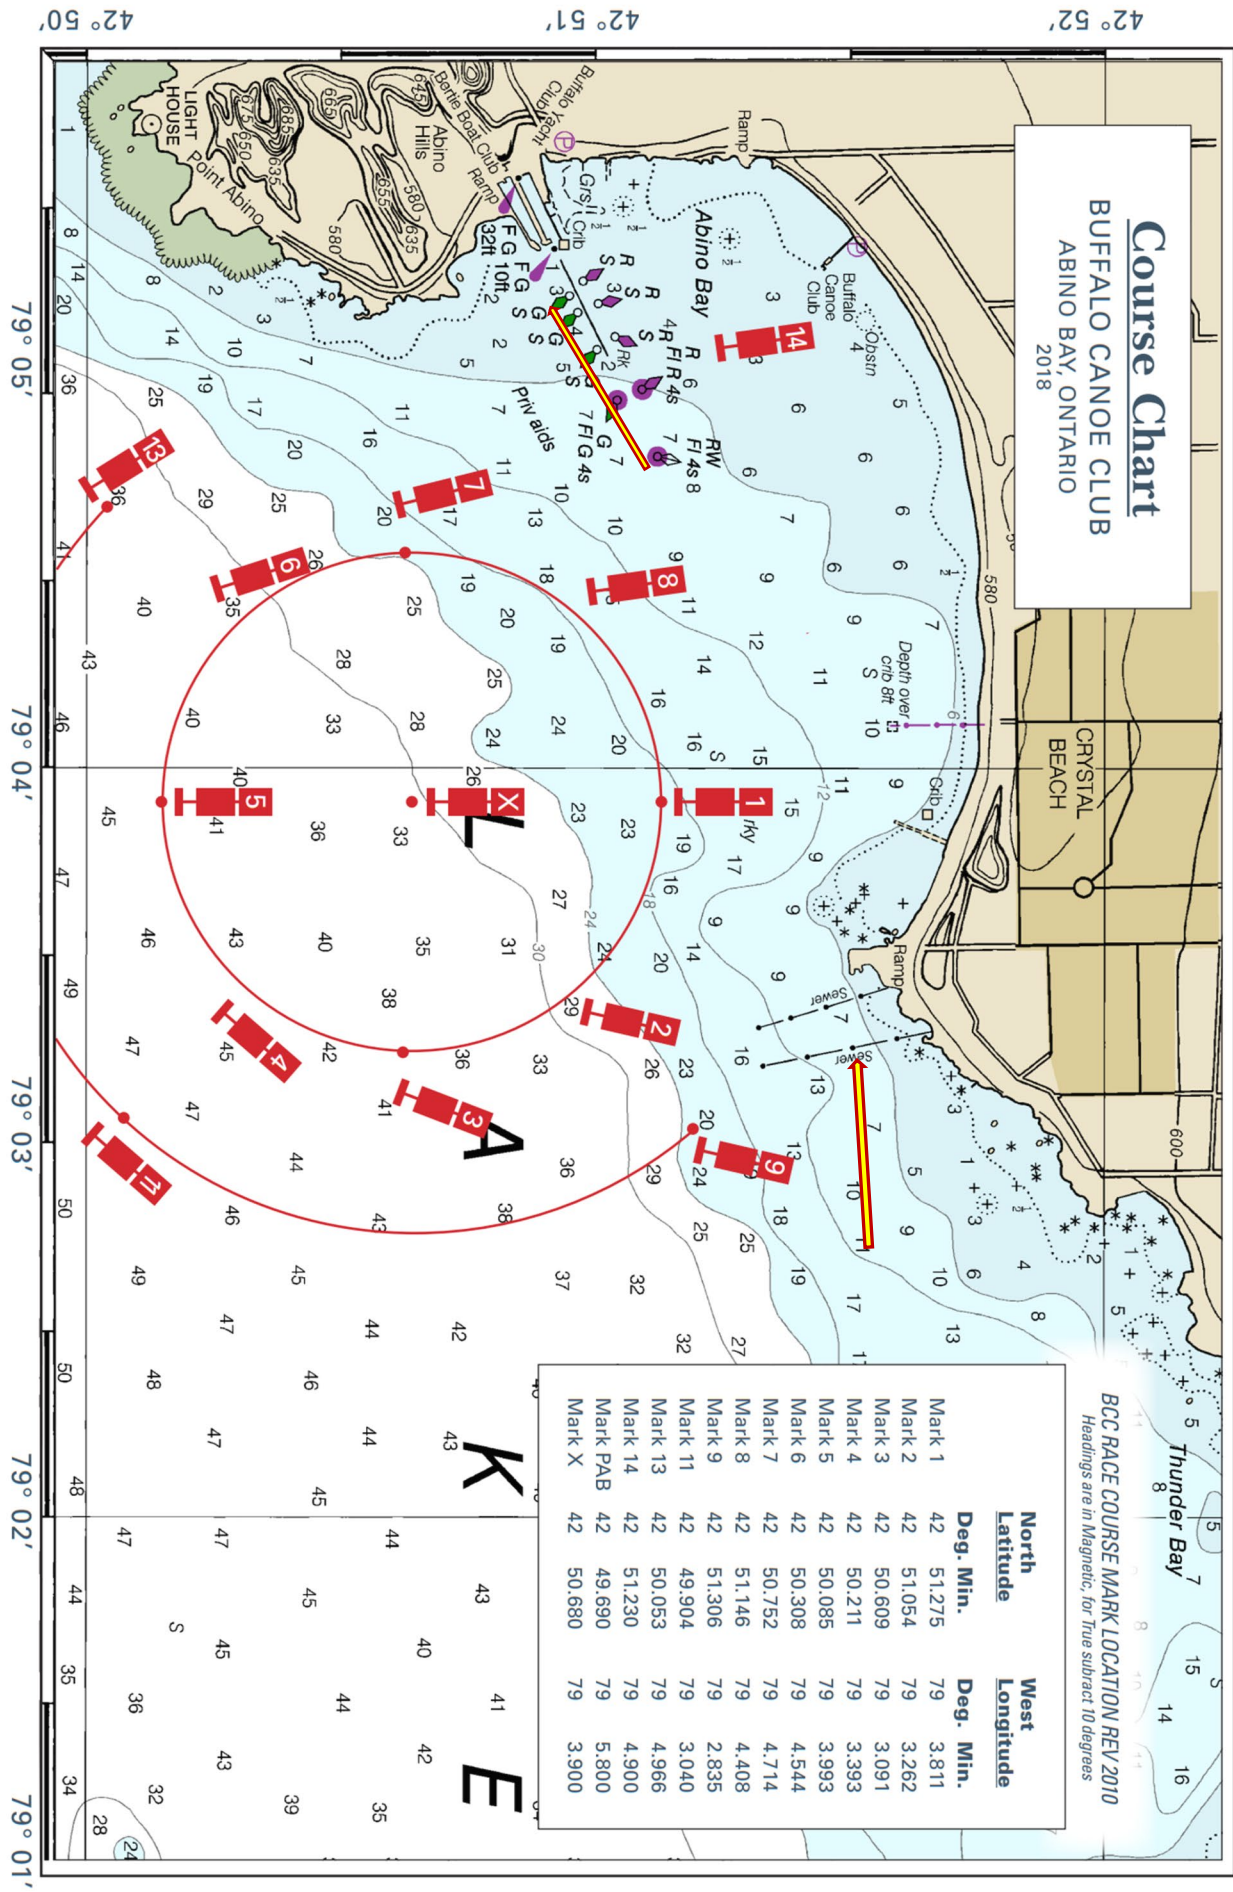

In case of a life-threatening emergency on the water:

Response Boat Crew will be the Team Leader in charge responsible for all communications until the victim is off the water:

1. **Response Boat Crew becomes the Team Leader.** Radio the PRO immediately to advise them of the situation. Identify what boat you are and where you are located on the race course.
2. **Response Boat Crew Radio Burgee Base to advise them of the situation. If no answer, call the BCC #.**
3. **If the situation is life threatening, (EG. Heart attack, or uncontrollable bleeding), Make a decision to transport the victim, as quickly and safely as you can, to one of the following two places, whichever is closer, and advise Burgee Base of that plan:**
 - **Buffalo Yacht Club – 1007 Point Abino Road**
 - **Public Boat Launch, Crystal Beach – Crystal Beach Waterfront Park**
4. **If the situation is non-life threatening, make a decision to transport the victim to the BCC and advise Burgee Base of that decision.**
5. **Response Boat Crew will follow basic First Aid principles. Airway, Breathing, Circulation.**
6. **If a EMT is available on the water and can respond in a reasonable time, they will communicate their intention to take over as Team Leader once they are on scene.**
7. **If the victim is staying on the sailboat and being escorted to shore, advise PRO and Burgee Base that you are escorting the boat to the BCC and communicate the sail number.**
8. **Always carry a knife.**
9. **Always shut off the motor if you are picking up a swimmer in the water.**
