Each class will have their own personalized CLASS/TEAM group with a calendar, a means to communicate with Instructors, Sailing Director and classmates, share photos and mark attendance. Invitations to your sailor's team will be sent in May/June. For Race Team Sailors, PLEASE include your sailor's information (cell phone, email if they have it). Please turn on all communications and add the app to your phone to receive all correspondence.

Please note that a transaction fee is added to all registrations. Registration fees are not refundable. Please read the entire registration packet (attached) prior to registering.

WDYC offers payment plans for those registering for Full Summer. To Take advantage of the payment plan, sailors must be registered by 3/31 with a \$500 deposit due at the time of registration. The remaining registration fees will be divided into 4 equal payments withdrawn (ACH or CC) on 4/1, 5/1 and 6/1. All registrations must be paid in full by Friday, June 20, 2025.

There will no no refunds following Orientation on Saturday, June 21st.

Please see the page titled WDYC Sailing School RoadMap for the typical progression of classes. If you are new to sailing and are not sure where your sailor fits, please contact Magan.

Looking to buy or sell an Opti? Please contact me directly. Students in Intermediate Opti and Advanced Opti/ Intro to Race/Green Fleet are required to have their own boat.

Once again, with all of the investments going into the improvement of safety and quality of our program, 2025 is looking to be another spectacular summer and I THANK YOU for your investment and commitment to WDYC Sailing School!

Please allow 3-4 business days for replies to inquiries. Cheers to summer 2025!
