

Santa Monica Windjammers Yacht Club presents the

# 2022 Super Bowl Charity Regatta

benefitting the **Santa Monica Bay Sailing Foundation**

## Saturday, February 5, 2022

**The Super Bowl Charity Regatta is back for 2022! Each year skippers aged 7 to 70 + participate for a great cause in the largest open small boat regatta in Marina del Rey! There's even a SUP/Kayak harbor clean-up for folks not racing.**

- Three venues planned again this year for small sport and keel boats, Lasers, Opti Champ, CFJ/C420s, Lido 14s, C-15s, RS Teras, Classic Snipes, Opti Green and our one of a kind "Lite Green" class for novices in Optis, Sabots and RS Teras!
- Harbor clean-up/cruise on SUPs and Kayaks for those not sailing
- Scheduled for Saturday so we can delay to Sunday in case of a blow out.
- Great hospitality as always from Santa Monica Windjammers Yacht Club.

**Both the sailing and SUP event support the Santa Monica Bay Sailing Foundation which supports young sailors and junior sailing programs throughout the Santa Monica Bay. For more information email**
