### SPECIAL EVENTS

Our club is also a beautiful venue for private events. Weddings, celebrations, and gatherings of all kinds are set against a scenic, well-appointed backdrop.

## Community Roots

As one of Connecticut's oldest private clubs, OLCC embraces a membership culture built on friendship and community. Members frequently collaborate with local nonprofits, participate in youth programming, and embody the shoreline lifestyle well beyond the clubhouse. The club is an integral part of the local community fabric.

## Membership

Membership at Old Lyme Country Club is by introduction, but we welcome inquiries from those interested in joining our community. We offer a variety of membership options, including full golf, social, and junior memberships. New members are welcomed into a culture where inclusion is genuine and involvement is encouraged.

# A Year at The Club

Our activities evolve throughout the seasons. Spring brings renewed energy to the golf course and courts. Summer centers on the pool, outdoor dining, and live music. Autumn ushers in cozy dinners and crisp fairways, while winter offers bridge, Mah Jongg, and indoor social gatherings.

Old Lyme Country Club is governed by a member-elected Board of Governors and supported by a professional staff dedicated to excellence.

As a not-for-profit organization, the club focuses on serving members rather than shareholders. This allows us to maintain a high-quality experience and reinvest in our offerings.
