OCEAN PERFORMANCE

1. Organising Authority and Location of Race

The host clubs as listed on page one of this NOR, in conjunction with the Windsurfer Class Association of Australia and the Australian Windsurfing Association.

2. Rules & Definitions

- 2.1. The regatta will be governed by the rules as defined in the ***Racing Rules of Sailing (RRS) (2025 – 2028)*** and the ***Windsurfer Class Rules (WCR)***, except where these are changed by the Notice of Race (NOR) or by the Sailing Instructions (SIs).
Note: (*The Windsurfing Fleet Racing Rules (Appendix B of the RRS)* does not apply.)
- 2.2. If there is conflict between the NOR and the SIs, the SIs will take precedence.
- 2.3. **RRS 31. - Touching a Mark** - is changed to: While racing, a board shall not touch a starting mark before starting or a finishing mark after finishing. A board may touch a mark that begins, bounds or ends the leg of the course on which she is sailing, but shall not hold on to it.
- 2.4. **RRS 42. - Propulsion (Pumping)** As per Windsurfer Class rules, RRS 42 is changed to:
“A board shall be propelled only by the action of the wind on the sail, by the action of the water on the hull and by the unassisted actions of the competitor except that when:
Course Racing and competitors are sailing to windward or on a close-hauled course, pumping (continuous and/or repetitive movement of the rig to induce wind-flow over the sail) is prohibited except from the preparatory start signal to the first 30 seconds after the starting signal.
One long sound signal may be made to indicate 30 seconds after the starting signal.
- 2.5. **RRS 44. - Penalties at the Time of Incident** - is changed to:
 - 2.5.1. **44.1 Taking a Penalty** - A board may take a 360°-Turn Penalty when she may have broken one or more rules of Part 2 in an incident while racing or when she may have broken RRS 31. However, if the board caused injury or serious damage or, despite taking a penalty, gained a significant advantage in the race or series by her breach, her penalty shall be to retire.
 - 2.5.2. **44.2 360°-Turn Penalty** - After getting well clear of other boards as soon after the incident as possible, a board takes a 360°-Turn Penalty by promptly making a 360° turn with no requirement for a tack or a gybe. When a board takes the penalty at or near the finishing line, her hull shall be completely on the course side of the line before she finishes.
- 2.6. **Definition - Tack, Starboard or Port** - is changed to:
A board is on the tack, starboard or port, corresponding to the competitor’s hand that would be nearer the mast if the competitor were in normal sailing position with both hands on the wishbone and arms not crossed. A board is on starboard tack when the competitor’s right hand would be nearer the mast and is on port tack when the competitor’s left hand would be nearer the mast.
- 2.7. **Definition – Capsized** - is changed to:
A board is capsized when she is not under control because her sail or the competitor is in the water.

3. Eligibility

Windsurfer Class boards including Windsurfer LT, Windsurfer One Design and Original Windsurfers using class supplied and approved equipment.

All competitors **shall**:

- 3.1. 1. Be paid up members of the Windsurfer Class Association of Australia (WCAA) for the 2025/26 membership year.

You can check if you are a current member of the Windsurfer Class of Australia in the Member Directory:

<https://aus-windsurfers-hosted.theclubspot.com/>

You can join the WCAA as you register including taking the required insurance.

- 3.2. Have current Australian Windsurfing Association (AWA) 3rd party liability insurance either through WCAA membership with insurance or membership of Windsurfing New South Wales (WNSW) or another affiliated Australian Windsurfing Association (AWA) state or club-based organisation.

You can check the AWA register here:

http://www.windsurfing.org/files/info/AWA_Members.pdf

- 3.3. Have a unique sail number, displayed in accordance with the 2020 IWCA Windsurfer Class Rules. Further guidance can be found below.

- 3.3.1. IMPORTANT: IN PREVIOUS EVENTS, THERE HAVE BEEN CIRCUMSTANCES OF CONFUSION WITH SAIL NUMBERS. This has caused difficulty for club management recording results on the water accurately and for scorers determining results. In some cases, sail numbers have been non-compliant, non-existent or different to number registered for the event. Please ensure you have a legible sail number affixed to both sides of sail as per class rules and notify organisers asap (before day of event if possible) if you are intending to enter with a number different to originally registered.

- 3.3.2. Sail Numbers in Australia Guide. Please check Class website under membership for guide to numbering here for info on numbering you may use. Essentially, to ensure you have a unique number, you may use the hull number on your board or AUS XXXX allocated number. You may check your AWA allocated sailing number here:
