

Commodore's Comments

Hello from regatta season! We have had all varieties of wind in these past weeks on our beautiful waters and at regattas! We also celebrated the life of past commodore Ruth Rappold who served in the era where you did house and grounds and social as part of the ladder. We heard stories of her crawling under the old club house to turn off/on the water for the season. We were so blessed to have her support for the club in her many years.

The C race this past Saturday proved exciting with 3 masts going down (2 sidestays and 1 forestay plate) and one tip at the leeward mark. We have had many regattas in the past 3 week! MC champs was on Delavan with Chris Kubicek ending in 4th and Keith Beren in 12th. Breeze was on for that weekend and held into LBSS Opti on Monday where we had 6 green fleet and 12 in RWB. Arlo Stein topped the green fleet in 7th and George Lillwitz topped RWB in 4th. X boaters were then on to TRAP (11 boats, Hailey and Riley Greeson 4th), Quads (10 boats, Hailey and Riley 2nd, Mason Keane and Cameron Brickler 3rd, George Lillwitz and Klaus Stein 4th), and GLSS (11 boats, Mason and Cameron 6th, Hailey and Riley 7th).

A big thanks to Wendy and Linda who stepped up to try a new 4th of July concept. I really enjoyed the potluck concept, which brought different foods to enjoy and our tried and true games. Musical chairs was competitive as always, followed by sack races and the egg toss. We may be outgrowing our lawn with the number of toss participants which was amazing to see!

Pickleball courts are open and they have become quite popular! It's great to see so many different generations on the courts.

I look forward to seeing you at the club in the coming weeks or out on the water!

-Anne Muller

LBSS Fundraiser

Tomorrow 4:30pm start

FRIDAY NIGHT BITES

Tonight 7/11 5pm

From the Sailing Commodore

LBSS hosted the 33rd annual Opti Regatta on June 23 and had 73 boats registered! The wind was up and the Opti's were moving up and down the lake with great speed. Always exciting to see the sport of sailing alive and well among the kids. At the X – Quad Regatta at Nagawicka, we had a strong showing with 10 boats registered. Haily and Riley Greeson came in 2nd, Mason Keane and Cameron Brickler came in 3rd, George Lillwitz and Klause Stein came in 4th. Also racing at Nagawicka were Adele Brickler, Charlie Lillwitz, Mia Brandt, John Lillwitz, Fred Skotarzak, Brianna Byrnes, Ella Muller, Avery Keane, Penny Keane, Brayden and Crosby Brickler, Luca Muller, Arlo Stein, Morgan Seaverson, and Natalie Angelo. Well done Beulah X Fleet!

In the last mainsheet, I mentioned we should all be manifesting some wind, and it worked! Maybe a little too well. I guess I should have specified we needed to manifest wind below 20mph. As the sailors know, we had several cancellations for too much wind. Let's hope mother nature finds a happy medium and we have solid winds below 20 for the remainder of the season.

LBSS Fundraiser July 12th 4:30pm

Tour 4 homes on the lake via Pontoon.

Two are new or relatively new construction, one is a heavy remodel and one is a time warp. Each home will have a representative, either a builder, remodeler, or realtor to tell you about the house.

Pontoon boats will travel a directed route and we will all wind up at the LBYC for a catered dinner by **Toothpicks** and our usual fun **Auction and Games**.

Gather your group and a pontoon and let us know who the Driver is and we will communicate directly as to which house to start at and when.

Don't have a boat/group? Let [Stacy Keane](#) know and we'll assign you to one!

Socially Speaking

I don't know about you but I think it's been super fun to see how the new courts and patio have influenced the ambiance and undercurrent at the Club this summer. For me, the energy and activity heightens the 'community' feeling and offers the opportunity to casually connect beyond the formal programming. I love stopping by on a Saturday or Sunday and seeing a group of C Fleet sailors sitting on the patio before (or after) they go out to sail!

You'll see additional information throughout this Mainsheet on upcoming events, but July includes:

Cookouts continue! Committee chairs are transitioning into 'lighter' fare for the summer heat, but still so delicious! Join us!

Yoga continues! Feedback I've gotten is that the variety (and quality!) of instructors is great and people appreciate the ability to walk in. Join us any Saturday at 8:30. Feel free to walk in and pay/register afterward

Open pickleball: We're adding adult open pickleball on Tuesday and Thursday evenings with Don Stein and Friends hosting. And, we're open to feedback on how to help open pickleball get some structure and traction, so if you have an idea, please let me or Dan Uhen know.

Friday Night Bites: 7/11 and 7/25 – Andy Stein and Sarah McDonald are hosting tonight – their menu features a variety of different sausages from Hometown Sausage Kitchen. No reservations required! Sausages not your thing? Come for a drink or for one of the mainstay menu items.

Wine Night #2 – Bubbles on Beulah! (7/17) After a sold out Wine Night in June, Wine Night returns in July!

C Fleet Party (7/26) – Hosts Kate and Will Haeger are hosting again and while there may not be a Wheel of Destiny this year, I'm sure they've got a lot of fun up their sleeves

Now, bear with me for a few housekeeping reminders:

- Please review the "Court Rules" (included in this Mainsheet and also on the web site) as a family and ensure that everyone in your household knows they are responsible for adhering to them. This especially applies to the footwear requirement and putting equipment back when done.
- If you move the patio furniture or put up an umbrella, please reset it before you leave. The umbrellas will rip (or potentially worse) if left up in high winds.

That's it from me. Looking forward to seeing you at the Club soon!

Pickleball is a hit!

Here are some reminders to everyone on our new space

- All guests must be accompanied by a member
- All players must agree to the LBYC Pickleball Code of Conduct (see below)
- Appropriate footwear (sneakers/tennis shoes) required. Crocs and other shoe types put scuff marks on the acrylic surface.
- LBYC has provided equipment to enable everyone to participate. If you borrow equipment, return it to the equipment box.
- Clubspot is the reservation system. If you are on the courts without a reservation, you must cede to any reservation holder, even if arriving late.
- Please exit the courts promptly. Repeat offenders may lose reservation privileges.

Pickleball will succeed best if its Ambassadors and participants embrace the values of good sportsmanship. It is essential that all pickleball players at LBYC, whether members or guests of members, model good behavior, lead by example, and show self-control in pledging as follows:

- I will not engage in unsportsmanlike conduct or encourage others to do so.
- I will not engage in any behavior that would endanger the health, safety, or wellbeing of others.
- I will not engage in the use of obscene language or gestures.
- I will not flaunt my position.
- I will treat others with respect.
- I will exhibit fairness and honesty in my dealings with others.
- I will accept responsibility for my own actions.
- I will exemplify the highest standard in ethical behavior and fair play.
- I will engage in conduct that is free from fear, discrimination, abuse, and harassment.

BUILDING PROJECT UPDATE

Our big announce from our committee is that we have a new Chair. John Russell will be the new Building Committee chair. John is a recently retired leader at a very large building company in Chicago. With all of John's expertise in the project field, John will serve the club very well in this role.

The committee is looking at different options on the interior and are getting close on finalizing the plans. As mentioned in the last Mainsheet, the bar is staying put. As far as our \$825,000 budget for the renovations (\$750,000 with a 10% overage allowance), we have spent approx. \$450,000 on the outside, leaving more than \$300,000 for interior renovations. The club is going to look great when finished!
