## Notice of Race – Addendum 1

### SAILOR CODE OF CONDUCT FOR United States Optimist Dinghy Association

#### Code of Conduct

This Code of Conduct applies to me as a member of the United States Optimist Dinghy Association (“USODA”). It applies when I participate in a USODA Sanctioned Event. This includes USODA sponsored regattas, USODA National Team (“USNT”) and USODA Optimist Development Program (“ODP2”) practices and international regattas which I attend as a representative of the USODA (each an “event”). This Code of Conduct starts to apply to me when I arrive at an event and ends when I leave the event. This Code of Conduct applies to my behavior both on and off the water. I understand that this Code of Conduct applies in addition to the Racing Rules of Sailing and in addition to any behavior rules that my club or private team may require of me. I understand that I may be subject to additional conduct rules if I participate in an international event, USNT, or ODP2 event. I understand that violations of this Code of Conduct may result in a hearing or punishment from the USODA directly and that my violation of this Code of Conduct may additionally violate the Racing Rules of Sailing, subjecting me to hearing, punishment or sanction imposed by US Sailing.

- I will use my best efforts to learn and follow the Racing Rules of Sailing and the applicable Sailing Instructions.
- I will be honest, fair, courteous, respectful and a good sport, whether I am winning or losing.
- I will treat competitors, coaches, regatta officials, parents, hosts and all others with respect, even if I believe that person is wrong.
- I will comply with the reasonable requests of any regatta official, USODA team coach and/or parent chaperone that may be associated with an event.
- I will not use another's property without permission, steal or damage another's property.
- I will not hit, abuse, bully, make fun of or call anyone names.
- I will not swear or curse.
- I will not abuse my equipment.
- I will follow all safety procedures and instructions given by race officials, regatta hosts and other responsible adults. I will promptly notify a race official, coach or responsible adult if another person is in danger.
- I will not engage in any conduct that endangers the health or safety of another competitor.
- I will only use class legal equipment.
- I will not use (including by vaping) alcohol, tobacco, or any drugs that were not prescribed specifically for me.

**By completing registration, the sailor agrees to have read and reviewed these rules of conduct and understands that they are expected to follow all of them.**

## Notice of Race – Addendum 1 (cont'd)

### Code of Conduct Hearings:

Any competitor, coach, parent, Race Committee member, member of the Organizing Authority, judge or umpire may report an alleged breach by me of this Code of Conduct during an event.

I may report an alleged breach by another competitor or support person.

All reports must be made in writing (a Conduct Report), though no special form is required, which identify the sailor being complained of and the basic facts of the alleged breach of this Code of Conduct.

The Conduct Report must be presented to any one of the following persons:

the Chief Judge of the event, or in the absence of a Protest Committee, the Principal Race Office (PRO),  
the Head Coach of the event (if this is a practice event).

The party taking the Conduct Report shall communicate the report to the USODA Executive Director and as outlined in Appendix L of the World Sailing Misconduct Guidance Manual, they shall determine the appropriate path for addressing the alleged misconduct.

Any decisions of the Conduct Committee are final and non-appealable.

### Possible Discipline:

If, after hearing, the Committee determines that a breach has occurred, it may:

- a. Impose any of the following disciplinary actions and is not restricted to imposing just one:
  - i. Require a written or verbal apology to be either privately or publicly made;
  - ii. Issue a written or verbal warning to the competitor, record of which warning shall be maintained with such sailor's membership file;
  - iii. Issue a written report concerning the competitor's behavior to his or her home club or sailing team;
  - iv. In the case of property damage or theft, award damages to the owner of the injured property plus a fine if deemed appropriate in the case of intentional property damage or theft;
  - v. Suspend such sailor's eligibility to attend a future USODA event;
  - vi. Suspend such sailor's eligibility to receive an invitation to attend an international event with a USODA team; and/or
  - iv. Suspend such sailor's membership within USODA for a period of time deemed appropriate by the Committee in its sole discretion. The Committee may consider any prior warnings issued to a sailor previously in a suspension determination.

or

- b. In the event of a serious or material breach of the Code of Conduct for conduct which may violate either Rule 2 or 69 in its opinion, make a report to the Chair of the Protest Committee (or Chief Judge/Umpire) with a recommendation to hold a Rule 2 hearing or to consider a possible Rule 69 hearing under the US Racing Rules of Sailing.

**By completing registration, the sailor agrees to have read the above paragraphs regarding hearings and punishment for a Code of Conduct violation and understands the possible consequences to them for a Code of Conduct violation.**

## Addendum 3: Green Fleet

### 1. Green Fleet Policy and Rules

---

- 1.1. Green Fleet will be run in accordance with the rules and policies outlined by the USODA. This includes the following:
- 1.2. Sailors are expected to use IODA class compliant equipment. However, Green Fleet sailors are exempted from the measurement process.
- 1.3. Active coaching during racing is allowed and encouraged for roughly the back half of the fleet. Coaches on the Green Fleet course agree to help any sailor in need of assistance or coaching, not just members of their own teams.
- 1.4. Sailors will be expected to attend the morning briefings as outlined in the schedule.
- 1.5. Other than in connection with actual or alleged breaches of the Code of Conduct, protests are not allowed, although the Green Fleet PRO will make himself/herself available on shore after sailing for brief, informal discussions with sailors regarding issues that could have been subject to protest except for this Section 1.5, for educational purposes, provided, however, that a sailor's coach must attend all such discussions.
- 1.6. Informal results may be kept and displayed on shore, but no prizes shall be awarded based solely upon results. All competitors shall receive a Green Fleet participation medallion.
- 1.7. Sailors on the Green Fleet course are expected to stay clear of the racing area between races to allow sailors at or near the back of the fleet a fair opportunity to sail the course unimpeded by sailors who finish before them. Coaches on the Green Fleet course agree to ensure compliance with this rule by the sailors on their teams.
- 1.8. Coaches agree to monitor the designated race committee VHF channel at all times while on or traveling to/from the Green Fleet course and respond as soon as practicable when hailed by a member of the race committee.
