

CLYC Dining Reservations Policy

To ensure a pleasurable dining experience for members and guests, the CLYC has established the following Reservation Policy:

- On all nights that the Club is open for regular dining, the Club can support reservations for 40 diners per half hour maximum.
- Diners not having reservations will be sat on a first come, first serve, and space available basis.
- Reservations can be made by telephone at (716)763-5385, online at sailclic.com, or by emailing reservations@sailclic.com
- Based on available space, reservations can be made for:
 - First floor dining room
 - Outside under the porch
 - Outside in the yard
 - Second Floor dining room: Private functions permitting
 - Second floor porch: Private functions permitting
- Reservations of more than 8 must be made prior to 5pm on the day of desired dining and may be asked to split into multiple tables to ensure proper flow of restaurant functionality.
- Parties who sit late (15+ minutes past their reservation time) will have their ticket deprioritized in the kitchen to accommodate those that sat and ordered in a timely fashion to their reservation
- The Club will limit reservations to parties of 10 or less for an individual table. Parties of more than 10 will be handled like a private party and will be required to be made at least 4 hours in advance of the desired time. Said party may need to be broken up into multiple tables depending on how busy the club is and the state of reservations on any given night.
- Members and their guests need to be seated at the time of their reservation to ensure a good dining experience for all members.
- The Club will hold a reservation for 15 minutes and then it will be canceled, and the table will be open to someone else.
