Incorporating Amendment No. 1

Posted 6 July 2026

Amendment No. 1 (posted 30 June 2026) makes the following changes, shown in red: **NoR 6b – daily schedule**

The notation '[DP]' in a rule in the NoR means that the penalty for a breach of that rule may, at the discretion of the protest committee, be less than disqualification. The notation '[NP]' in a rule of the NoR means that a boat may not protest another boat for breaking that rule nor request redress based on that rule. This changes RRS 60.1 and 61.1.

1. RULES

- a. The events are governed by the *rules* as defined in *The Racing Rules of Sailing*.

Use of inflatable PFDs or buoyancy aids is not permitted. Competitors shall also carry a whistle.
 - ii. [NP] A competitor may not be protested for breaking a class rule that requires membership. An Optimist competitor may not be protested for breaking the IODA requirement for a paddle. This changes rule 60.1.
 - iii. Rule 60.4(a)(2) is changed as follows: "(2) if it alleges a breach of a rule of Part 2 or rule 31 and is from a boat that was not involved in and did not see the incident, or"

RRS 3 states: "The responsibility for a boat's decision to participate in a race or to continue to race is hers alone."

By participating in this event competitors and their parent(s) or guardian(s) agree and acknowledge that sailing is a potentially dangerous activity with inherent risks. These risks include strong winds and rough seas, sudden changes in weather, failure of equipment, boat handling errors, poor seamanship by other boats, loss of balance on an unstable platform and fatigue resulting in increased risk of injury. Inherent in the sport of sailing is the risk of permanent, catastrophic injury or death by drowning, trauma, hypothermia or other causes.

By registering and participating in this event, and in accordance with Section 7-6-9 of the General Laws of Rhode Island, each competitor and their parent(s) or guardian(s) agree to release the race organizers, staff and volunteers associated with the event from any and all liability associated with such competitor's participation in the event, to the fullest extent permitted by law.

13. SAFETY

- a. Competitors, coaches and parents are reminded that Narragansett Bay contains restricted channels.

Sailboats DO NOT have right of way over vessels that may be restricted in their ability to maneuver. Participation in this regatta DOES NOT provide standing over vessels that have right of way.

A boat that impedes the passage of a vessel that can safely navigate only within a narrow channel of fairway or that receives a sound signal of five horns ("I am unsure of your intentions" or "You are standing into Danger!") may be protested by the race committee or protest committee.

- b. Competitors, coaches, parents and club programs are expected to provide and sail in boats that are properly rigged and equipped with the safety equipment required by class rule. Safety checks may be conducted and boats failing inspection shall be corrected before being permitted to sail.

NBYA is pleased to participate in the
Sailors for the Sea, Clean Regattas Program.
Use of refillable water bottles is strongly encouraged.
