SDAYC COMMODORE'S 2026 MESSAGE

Commodore
Mark Mallaby

Dear San Diego Area Sailors,

When questioned about SDAYC, people often say “oh yeah, those guys put out the racing calendar don't they”. While true, the San Diego Association of Yacht Clubs (SDAYC) Plays a vital role to its member clubs and all who have a love of our regional waterways. Originally conceived to foster and encourage participation in yachting and to promote public interest in those activities SDAYC's role in the community has grown to include being an influential voice in the use and usability of the San Diego bay and surrounding communities. Under the leadership of past Commodore Jerelyn Biehl, the SDAYC bridge and board decided to focus our attention on “how can SDAYC add more value to our member clubs and our community”. On a sunny Sunday morning in January 2025, we gathered at SDYC to plot a new course. In that meeting we concluded that we would prioritize efforts on improving our educational impact, impact of the charitable contributions made by SDAYC and community outreach in an effort to make our meetings more vibrant, inclusive and meaningful to the member clubs.

Educationally we incorporated round table type discussions on subjects like port captain challenges, where port captains from area clubs shared their experience with each

the representatives from the clubs present broke out into small groups and discussed our club's financial direction, Board of directors' responsibilities and club staffing. We discovered that even though our member clubs vary greatly in scale, we all share common issues and problems. This was not your father's SDAYC meeting!

In another SDAYC meeting we presented a study on the charitable impact SDAYC and its member clubs had on our local communities. To our astonishment we discovered that SDAYC members clubs contributed over \$1.1 Million dollars in 2024 and a total of \$4.9 Million overall. We as member clubs made meaningful impact on the lives of Veterans programs and a host of other philanthropic programs dedicated to making the lives of the less fortunate better.

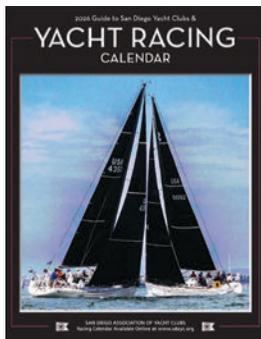

My goals for 2026 are to carry on the leadership direction that Commodore Biehl began and to represent our sailing community with honor. Have a great 2026 yachting season!

**Art Of Navigation Exhibit
At Maritime Museum Of San Diego**

Treasured Tools. Refined Resources. Turning Intellect, Math, Nature & Science into Beauty

S.T.E.A.M. of the Early Days

The Maritime Museum of San Diego’s mission is to serve as the community memory of our seafaring experiences by collecting, preserving, and presenting our rich maritime heritage and historic connections with the Pacific world. The Art of Navigation exhibit is in the Gould Eddy Gallery

eran of twenty-one navigations around the earth.

According to Raymond Ashley, Ph.D., K.C.I., President/CEO of the Maritime Museum of San Diego “As a powerful and mysterious art, navigation and the territorial claims of trade and empire it conveyed drew much of its authority and mastery from the same aesthetic as did all art. In consequence, the instruments, reference texts, and nautical charts which were its tools and products were therefore also objects of exquisite beauty.” Art of Navigation highlights artifacts used when the great voyages of European exploration began in the mid-sixteenth century at the dawn of the Scientific Revolution, oceanic navigation was one of the rare disciplines (along with military and mining engineering), in which mathematics and instruments found tangible and useful application. Even among many of the foremost scientists of that time, mathematics and instruments were thought to be impediments or distortions of the pure reliance on human observation that the ancient Greek philosopher Aristotle had argued as the basis for scientific investigation.

In the days before photography, exquisitely detailed landscapes and elevations of islands, coastlines, and harbor entrances not only provided vital navigational information, but they also rivalled the finest examples of contemporary landscape art. Among the first popular genres of

non-fiction made available by the invention of the printing press to mass audiences, voyage accounts not only provided stirring narratives, but graphic renderings of strange places, animals, and peoples that held readers enthralled. Dr. Ashley adds, “The ships themselves were not only practical conveyances of cargo, people, information, and military might, but also of national prestige. Ships were designed to be just as beautiful as they were useful, since they were at the same time projections of power, identity, authority, and possession. In an age when baroque embellishment was a statement of wealth and power, ships were among the most baroquely embellished objects created.”

The Maritime Museum of San Diego is open daily at Star of India wharf located at 1492 N. Harbor Drive between Grape and Ash Street.

found aboard the 1898 Victorian – era steam ferryboat Berkeley. Entry to the new exhibit is included with general admission. Art of Navigation draws upon some of the finest and most beautiful examples of period instruments, charts, and voyage accounts, illuminated by the work of documentary maritime artist Gordon Miller. The showcase is embellished by exquisite models of the storied ships which conducted the enterprise from the Museum’s own collections, and even majestic full-scale operational versions such as the galleon San Salvador, man-of-war H.M.S. America's Schooner Cup Charity Regatta Silver Gate Yacht Club

SGYC Announces the 37th America's Schooner Cup Charity Regatta, Saturday April 18, 2026

amazing regatta you will be surrounded by some of the best sailors in the world sailing pristine restored classic yachts. Built years ago, the survivors of that golden era are unmistakably classics. Raymond Ashley, Ph.D., K.C.I., Former President of the Maritime Museum of San Diego shares his perspective - "More than any other type of vessel, the schooner has migrated

There are several classic regattas around the world from Antigua to Les Voiles de Saint-Tropez but one regatta not to be missed on the West Coast is the iconic America's Schooner Cup. If you are fortunate enough to view this

from the pages of history and into the world of legend, art, and poetry that we all claim as part of our culture."

Among the Schooners returning this year are the 136-foot Bill of Rights, last year's overall winner, along with Witchcraft, Lucky Star and Maid of Kent. Silver Gate is excited to welcome schooner Spike Africa to the 2026 regatta. "The regatta draws schooners of all sizes and vintages racing on a course designed to make it easy for the public to watch the start and finish from Shelter Island," said Jerry Newton, a longtime regatta volunteer and schooner owner.

"It's fun for everyone, and the regatta has raised a significant amount of money over the years for our charity the Navy-Marine Corps Relief Society." Returning to the regatta for a third year is the Schooner Cup Junior Regatta which will be an adult and a junior sail-or sailing the Intergalactic schooners. This regatta takes place in the basin and starts once the "big" schooners have gone offshore. Maritime history buffs and outdoor enthusiasts are encouraged to join in on the fun day on the water.

The America's Schooner Cup Charity Regatta is hosted by Silver Gate Yacht Club. The event benefits the Navy-Marine Corps Relief Society, which provides financial, educational, and post combat support to members of the Marine and Naval Services, eligible family members, and survivors.

For additional information on the regatta contact Gail Strickland at show-hostgail@gmail.com or at www.sgyc.org.

Get ready for Antigua Carnival from July 25 - August 4, 2026

Antigua and Barbuda's Carnival, held every July and early August, is far more than a festival, it's a living

expression of the islands' history, identity, and unbreakable spirit. For nearly two weeks, the islands erupt with color and movement: steel pan performances, the distinct sound of the iron band, calypso and soca competitions, high-energy fetes, and the spectacular Parade of the Bands. Masqueraders in dazzling costumes move through the streets to rhythms that have shaped generations, while communities come together to celebrate resilience, freedom, and joy.

Maritime Heritage and Culture Experiences

Visitors can continue to immerse themselves in Antigua and Barbuda's rich maritime history and culture through signature experiences, such as the Seafood Fridays at the Copper and Lumber Store Hotel in Nelson's Dockyard.

The popular 'Rum in the Ruins'

program, hosted on Friday evenings at Dow's Hill, offers sunset views overlooking English Harbor and engaging historical storytelling within the National Park served up with rum cocktails.

Visitors seeking Antigua's most iconic sunset views over English Harbor can now enjoy a new evening experience at Shirley Heights Lookout with the launch of the Shirley Heights Friday Night Party. New this season, the event extends the lookout's party atmosphere into Friday, offering the same great music, tasty cuisine, and amazing vibes that have made Reggae Thursdays and the popular Sunday Sunset BBQ weekend staples. The Friday Night Party provides a fresh way to experience one of the island's most picturesque landmarks.

The San Diego Bay Parade of Lights Returns for its 55th Celebration

The Parade of Lights is one of San Diego's most beloved holiday traditions, drawing over 100,000 people each year to the waterfront. Each year, more than 80 lavishly decorated boats proceed around the San Diego Bay on two consecutive Sundays in December. This year's theme: "An Out Of This World Christmas." encourages boaters and spectators to dream beyond the stars. Think of shimmering rocket ships, glowing alien elves, or Santa soaring through space. Whether you're participating or just watching, it's a chance to enjoy the season in a creative, one-of-a-kind way that's sure to leave you starstruck. The announcers for the parade will once again be the talented Travel Show Host Gail Strickland of Coastal Lifestyle along with Ron Jones from the Voice of La Jolla. They will be positioned at the Maritime Museum on the Embarcadero.

With dozens of boats decorated in stunning lights and designs, it's a festive and memorable experience for

the whole community. The parade begins at 5:30 p.m. on both nights and follows a beautiful route through San Diego Bay, starting at Shelter Island, moving past Harbor Island, the Embarcadero, Seaport Village, and Cesar Chavez Park, before heading under the

Coronado Bridge and finishing near the Coronado Ferry Landing.

A big thank-you goes to the Port of San Diego, one of the main sponsors for the 55th San Diego Bay Parade of Lights. The San Diego Bay Parade of Lights is a time-honored tradition brought to the San Diego Bay by the boating community. For more information, please visit www.sdparadeoflights.org.
