

## District 3 Championship Commodore Chalmers Burn Memorial Trophy

**Emblematic of:**

Individual Snipe Championship of District 3

**Donated by:**

Crescent Sail Yacht Club and Detroit Divisional Fleet

**Owned by:**

SCIRA until such time as District 3 Snipe competition ceases, when it shall be returned to the Crescent Sail Yacht Club

**Open to:**

Members of District 3 only who have sailed 5 races in the District. All District officers and the top 3 boats from the previous District Championship will be automatically eligible to compete in the District regatta the next year. Each fleet may send at least 4 boats. To get more than 4 boats from any fleet eligible, the fleet must have at least 25 active paid up members, or on a basis of 1 entry for every 5 boats registered. The host fleet can have 10 boats entered, or 50% of the host fleet, to a maximum of 15 boats, whichever is greater.

**Regatta Conditions:**

6 races should be scheduled. The first 3 would be for qualification, a minimum of 2 being required. If the Championship race has more than 40 boats competing, they will be split into 4 fleets to sail a round-robin of 3 races. The top half in the standing (up to a maximum of 24 boats) plus the previous year's winner, if present, then compete in a 3 race Chalmers Burns Championship Series; the remaining boat compete in a 3 race Dunphy Trophy Consolation Series.

**Trophy Responsibility and Conditions:**

Trophy insured and premiums and charges paid by winner of trophy. Returnable to succeeding host fleet in time for the championship regatta.

**Revision of Deed of Gift:**
