"LBSS provides the perfect atmosphere for young sailors to experience the joy of sailing and learn to value it as a lifetime activity. From Kinderpram on, the friendly and family-oriented atmosphere made sailing fun for me. It was a great environment for me to discover that I wanted to be a competitive sailor. Learning to sail at LBSS started me on a path that has taken me all over the world, from high school and college sailing to Olympic venues, sailing on many different kinds of boats. I really believe this foundation made me fall in love with a sport I will never give up and will always be passionate about."

Roble/Shea Sailing | 49erFX Olympic Campaign

Welcome to the 2017 season!

The opening always fills me with anticipation about the new experiences and surprises awaiting us. Some of these just happen – out on the water, at the club, or anywhere members get together. Others need planning.

While writing this message, I looked through the yearbooks since Linda and I became members in 2001. We've made lots of changes over the years to keep our club vital: a new clubhouse, new social events, Beulah youth going to regattas around the world, an adult learn to sail program, a new chase boat, a new dues structure attractive to younger adults, and a revitalized KinderPram class, to name a few.

These changes have produced sensational results: a larger and more varied membership, a freshened mix in our adult fleets, new fleet champions, large C and MC fleets, college all-American sailors, two Rolex Yachtswomen of the year, a 2016 Beulah Olympian, and a 2020 Beulah Olympic campaigner. Wow!

We start 2017 with more changes: a board of directors with some fresh faces (Joe Sko, Chrissy Kubicek, Jeff Mueller), a new Mainsheet editor (Neal Klement), new tennis chair (Mary Hudec), and a new webmaster (Christine McNeil). We also have new club members and new sailors in every fleet. The board has been working to re-invigorate the tennis program, expand our outreach to the lake community, and freshen up our equipment.

I hope you are anticipating a great summer season. Linda and I are especially looking forward to enjoying the flavors you all bring to this great club.

See you on the water,

Al and Linda

Knucklehead Award – Steve Barth

WHY V2G SURVEYING

V2G SURVEYING, LLC is owned and operated by Michael Greeson, President, and Michael Van Henkelum, Vice President. From the shores of Lake Beulah to the shores of Lake Michigan, from Lake Winnebago to the winding shores of the Rock River, V2G has the experience and staff to move your project forward. If you order a survey of your property, you want the assurance that the job has been done correctly and V2G gives you that assurance.

Mr. Greeson has more than 18 years of experience in the field of surveying and earned his Professional Land Surveyor's License in 2006. He has considerable hands-on experience in both the construction management and surveying fields.

Mr. Van Henkelum earned his Professional Land Survey's License in 2008. He also holds an Associate Degree in Land Surveying. He has considerable experience in residential and commercial construction staking, wetland staking, and topographic surveys.

V2G Surveying, LLC has worked on all types of projects and has assisted our clients in solving some very complex boundary issues. If a new home is in your plans, or you just want to know where your lot ends and the neighbor's lot begins before you put up a fence or add landscaping, V2G can handle that as well as all of your land surveying and civil engineering needs.

SURVEYING SERVICES

- New home construction and stake out
- Lot Line delineations
- Land Surveys and Plats of Survey
- Subdivision plats and CSM Maps
- ALTA/ACSM Land Title Surveys
- Topographic Surveys
- 3D Models and Volume Calculations
- As-Built Surveys
- Annexation maps and prints
- Drafting and Calculation of Easements
- Preparation of Legal Descriptions
- Title and Deed research
- Large format Color and Black & White printing

V2G SURVEYING, LLC

V2G conducts land surveys to determine property boundaries, location of features and their relative positions in three dimensions, geometrics, quantities, and more. All information is gathered by electronic data collectors, and transferred to the computer. The hands-free application allows for increased speed of information transfer and updating of existing drawings.

Whether you are developing land, locating existing property lines, or constructing a new highway, accuracy is paramount to project success. V2G's Land Surveyors use state-of-the-art technology, including GPS, robotics, data collectors, and topographic computer software for accurate translation between two-dimensional documents and our three-dimensional world.

Our experienced staff can provide survey services from simple lot surveys to complex construction staking for commercial, industrial, and residential developments. All of our survey personnel are experienced in construction layout, staking for roadways, bridges, rights-of-way, and other public facilities using both horizontal and vertical control.

At V2G Surveying we partner with clients to ensure accurate results that fit your time line and budget. Call us today to discuss your project.

V2G has relationships with industry leading engineering firms that we utilize to create grading and design plans that will fit your projects' needs.

1. RULES

- 1.1 All series will be governed by the rules as defined in The Racing Rules of Sailing 2017–2020 and the US Sailing Prescriptions except where modified by these LBYC Sailing Instructions.
- 1.2 The Rules, Class Rules, and Scantlings of the Inland Lake Yachting Association, MC Sailing Association, National C Scow Sailing Association, and United States Optimist Dinghy Association, hereafter referred to as Class Rules will apply to their respective fleets.

2. ELIGIBILITY

- 2.1 Each yacht shall be registered by a member in good standing. All membership and fleet dues shall be paid prior to being scored. All properly registered boats will be listed at www.lbyc.us and the list will be kept up to date by the Sailing Commodore.

C Fleet: Skippers are subject to no additional restrictions, the boat is scored.

MC and X Fleet Championship Series: Skippers must be registered as the skipper or co-skipper for the boat. A boat may register no more than 2 skippers.

MC Skill Scoring Series: Primary skipper is scored in one of three groups based on the prior year's performance.

MC Fleet Championship Series: Substitute skippers not registered as the boat's co-skipper shall only be scored in the event of a medical emergency as submitted to the Sailing Commodore or Fleet Captain prior to race.

X Fleet Championship Series: A boat's registered crew may substitute as skipper for up to 2 races.

Optimist: No substitute skippers shall be scored.
- 2.3 All Crews shall be members of the Lake Beulah Yacht Club except as modified by these Sailing Instructions

C and X Fleet: A non-LBYC member may be used up to 3 times per year.

C Fleet: A John Doe membership may be purchased. Wednesday Series races are exempt from the crew membership requirement.

X Fleet: All crew's parents must sign all waivers provided with the registration paperwork.

MC Fleet: Crews are exempt from the membership requirement.

Optimist Fleet: Crews of eligible age are permitted. Crew's parents must sign all waivers included in the registration paperwork.

3. ADDITIONAL IDENTIFICATION

- 3.1 In classes C and X the Sailing Commodore is responsible for assigning sail numbers pursuant with the LBYC Sail Number Policy. The assignment and transfer of numbers is not permitted except through the Sailing Commodore.
- 3.2 A boat may display an incorrect sail number for a single consecutive 7 day period. Any boat displaying an incorrect sail number shall inform the Race Committee prior to the race. This changes RRS A4.1 and RRS 62.1.

4. CAMERAS AND ELECTRONIC EQUIPMENT

Boats are required to comply with all class rules regarding cameras and electronic equipment except that any device that stores data is permitted provided no data is viewed that is not in conformance with the applicable Class Rules.

5. FLEET CAPTAINS

Fleet captains shall be spokespersons for the fleets and shall be available to the Race Committee for consultation prior to the start of any race. They shall preside at the Spring and Fall fleet meetings. Classes X and Optimist may elect to cancel fall fleet meetings at the discretion of the fleet captain.

C Fleet: Fleet captains shall be elected by the fleets at the Spring fleet meeting

MC Fleet: Fleet captains shall be elected by the fleets at the Fall fleet meeting

X and Optimist Fleet: Fleet captains shall be appointed by the Sailing Commodore.

6. COMMUNICATION

- 6.1 **Class C and MC:** VHF Channel 72 is the primary means of communication. Hailing will be the secondary means of communication.
- 6.2 **Class X and Optimist** are prohibited from carrying a VHF radio and listening to Race Committee communications. Hailing is the primary means of communication.

7. CHANGES TO SAILING INSTRUCTIONS

Any change to the sailing instructions shall be posted by Sailing Commodore on the Official Notice Board, on www.lbyc.us, and communicated via email by the Fleet Captain prior to 20:00 on the day before it will take effect. The LBYC Board of Directors shall approve all changes to the Sailing Instructions prior to their implementation.

8. SIGNALS MADE ASHORE

- 8.1 In the case of questionable weather, the PRO is encouraged to display AP over H 30 minutes prior to the scheduled warning signal for the race. Such an action should be accompanied by a radio announcement to convey the plans for the race. The PRO should periodically broadcast updates to keep the competitors informed of the current plans for racing.
- 8.2 When flag AP over H is displayed, the warning signal may appear not less than 30 minutes after the AP over H is lowered.

9. SCHEDULE OF RACES

- 9.1 Dates and time of racing are designated in the LBYC yearbook schedule, the Mainsheet, and on www.lbyc.us. In the event of conflicting information, the schedule on www.lbyc.us shall be definitive.
- 9.2 If a fleet requests a schedule change, it must be approved by ¾ of the fleet members and approved by the Sailing Commodore. Any race date or time changes shall be posted by Sailing Commodore on the Official Notice Board, on www.lbyc.us, and communicated via email by the Fleet Captain prior to 20:00 on the day before it will take effect.
- 9.3 Except for Optimist races, at least 5 boats must come to the racing area before starting a Championship Series race.

10. THE COURSES

- 10.1 The diagrams in Attachment A show the courses, including the course signals, approximate angles between legs, the order in which marks are to be passed, and the side on which each mark is to be left.
- 10.2 No later than the 5 minute warning signal, the race committee signal boat will display the course designation. PROs are encouraged to consult with the Fleet Captain regarding course length and orientation.
- 10.3 Course Preferences

Class C: Windward Leeward Courses are preferred when permitted by the conditions. WA5 is the preferred course for individual races. WA4 is preferred for back-to-back races.

Class MC: Windward Leeward courses are preferred; WA4 or WA3 depending on wind velocity.

Class X: Windward Leeward Courses only. The X Fleet DOES NOT sail Triangles. Downwind finish (LA3) is preferred in the first race of back-to-back races.

Class Optimist: Sailing proficiency shall dictate course selection
- 10.4 Class C, MC, and X Championship races shall not be shortened. Other races may be shortened at the discretion of the PRO. This changes RRS 32.

11. SAFETY

- 11.1 A boat that is capsized or a sailor in the water is considered "in danger" in the context of RRS 41. As such, a boat that receives outside assistance righting a capsized boat or returning a sailor in the water to the boat does not by that action alone violate RRS 41 and therefore may be scored in the order that she finishes.
- 11.2 Class X and Optimist sailors must wear a US Coast Guard Approved Personal Flotation Device at all times.

12. THE START

- 12.1 To alert boats that a race or sequence of races will begin soon, a sound or a series of sounds may be made at one minute before a warning signal is made.
- 12.2 Races will be started by using RRS 26 with the warning signal made 5 minutes before the starting signal.
- 12.3 The starting line will be between a staff displaying an orange flag on the starting mark at the starboard end and the course side of the port-end starting mark or between two staffs displaying orange flags.
- 12.4 Boats whose warning signal has not been made shall avoid the starting area during the starting sequence for other races.
- 12.5 An I flag start is the preferred starting rule for LBYC.
- 12.6 A boat may use any means of propulsion outside 3 boat lengths of the starting line, but shall come to a complete stop within 3 boat lengths of the starting line. This changes RRS 41 and RRS 42.
- 12.7 A boat starting later than 4 minutes after her starting signal will be scored Did Not Start without a hearing. This changes RRS Appendix A4 and A5.
- 12.8 If any part of a boat's hull, crew or equipment is on the course side of the starting line at or 1 minute before her starting signal and she is identified, the race committee will attempt to broadcast her sail number on VHF channel 72. Failure to make a broadcast or to time it accurately will not be grounds for a request for redress. This changes RRS 62.1(a).

13. CHANGE OF THE NEXT LEG OF THE COURSE

- 13.1 To change the next leg of the course, the race committee will move the original mark or gate (or the finishing line) to a new position or lay a new mark or gate. The race committee will signal the change in accordance with RRS 33.

14. THE FINISH

- 14.1 The finishing line will be between staffs displaying orange flags on the finishing marks or between a staff displaying an orange flag on the finishing mark at the starboard end and the course side of the port-end finishing mark. This instruction does not apply when RRS 32.2 does.
- 14.2 If the race committee is absent when a boat finishes, she should report her finishing time and her position in relation to nearby boats, to the race committee at the first reasonable opportunity.

15. PENALTY SYSTEM

- 15.1 Class C and MC: RRS Appendix T and V shall apply. Penalties at the time of the incident: A boat may take a One-Turn Penalty when she may have broken a rule of Part 2 or rule 31 while racing.
- 15.2 For Classes X and Optimist: RRS 44.2, Two-Turns Penalty shall apply.

16. TIME LIMITS, TARGET TIMES, AND WIND LIMITS

16.1 Time limits and target times are as follows:

Series	Time Limit	Target Time	Secondary Time Limit
Wednesday	75 Min	45 Min	15 Min
All Others	90 Min	60 Min	30 Min

- 16.2 Boats failing to finish within Secondary Time Limit after the first boat sails the course and finishes will be scored 2 points more than the last boat that finished within the time limit without a hearing. This changes rules 35, A4 and A5.
- 16.3 Average wind conditions shall exceed 3 MPH before starting a race.
- 16.4 Class C: Maximum wind conditions of 20 MPH with gusts to 25 MPH shall not be exceeded within 10 minutes of the start and during the race. The second of back-to-back races shall only be run if winds are between 7 MPH and 17 MPH
- 16.5 Class MC: Maximum wind of 20 MPH shall not be exceeded within 10 minutes of the start and during the race.

17. PROTESTS AND REQUESTS FOR REDRESS

- 17.1 The protest time limit is 24 hours after the last boat has finished the last race of the day, or the race committee signals no more racing for the day, whichever is later (the Protest Period). All protests shall be submitted to the Fleet Captain, Sailing Commodore, or Rear Commodore.
- 17.2 Competitors shall be notified by the Sailing Commodore no later than 24 hours after the Protest Period of a hearing in which they are parties or named as witnesses. Hearings will be held in the Sailing School room, located at LBYC, beginning at the time designated in the notice. Protest procedures shall incorporate and follow Appendix T, V, and Rule A9 unless modified otherwise herein.
- 17.3 Post-Race Penalty: A boat may take a Post-Race Penalty by informing the Sailing Commodore in writing of its intention to do so via email or hand delivery identifying the race number and incident. The Post-Race Penalty shall be 20% if taken no later than 24hrs after the expiration of the Protest Period; or 30% if more than 24hrs after the Protest Period and at least 48hrs prior to the arbitration or protest hearing.
- Protest Arbitration: An arbitration meeting may be held prior to a protest hearing if each party is agreeable. No witnesses will be permitted. The arbitrator will offer an opinion as to what the protest committee is likely to decide. The boat that may have broken a rule may take a Post-Race Penalty of 50% within 24hrs after the arbitrator rendered his or her opinion by acknowledging her acceptance of the penalty in writing to the Sailing Commodore.
- 17.4 Breaches of Sailing Instructions number(s) 2, 3, 21, 24, 26, 27, 28, 29, 30 and 31 will not be grounds for a protest by a boat. This changes rule 60.1(a). Penalties for these breaches may be less than disqualification if the protest committee so decides.

18. SCORING

- 18.1 Low Point Scoring per RRS 90.3 shall be used except:
- DNF and DSQ will be scored as 1 more than the number of boats that START the race.
- Class C:** 1st place in any race receives .75 points.
- Class MC:** A boat must compete in a minimum of 51% of races to be eligible to receive trophies in any given series. Sailors who are awarded Trophies in the Open class shall not receive a trophy in the corresponding series Masters, Grand Masters, or Mega Master classes.
- 18.2 A sailor who is a parent of a youth sailor and attends a youth sailing event in which his/her child is sailing, or an MC sailor participating in an MC regatta, or a sailor who is a Race Committee member at an off-lake regatta or for an LBYC race or regatta shall receive average points equivalent to the races sailed in the series of the race(s) missed. This provision is limited to 3 events per year. Average points are calculated on all actual races sailed in a series and are calculated after a racing series is completed
- 18.3 (a) When fewer than 5 races have been completed; a boat's series score will be the total of her race scores.
- (b) When from 5 to 6 races have been completed; a boat's series score will be the total of her race scores excluding her worst score.
- (c) When from 7 to 10 races have been completed; a boat's series score will be the total of her race scores excluding her worst 2 scores.
- (d) 11 to 14 races have her worst 3 scores excluded; 15 to 18 races have her worst 4 races excluded; 19 to 22 races have her worst 5 scores excluded; 23 to 26 races have her worst 6 scores excluded; etc..
- 18.4 To request correction of an alleged error in posted race or series results, a boat may submit a scoring inquiry to the Sailing Commodore who shall work with the Scorer to resolve the discrepancy.
- 18.5 In the case of MC Fleet co-skippers, the boat is scored in the lowest age division.

19. REPLACEMENT OF EQUIPMENT

- 19.1 A new boat purchased during the season may be substituted for the originally registered boat with no additional fee required. The skipper shall notify the Sailing Commodore if the new boat displays a different sail number.

20. SUPPORT BOATS

- 20.1 Parents, coaches and other support personnel shall stay outside areas where boats are racing from the time of the preparatory signal for the first fleet to start until all boats have finished or retired or the race committee signals a postponement, general recall or abandonment.
- 20.2 At least one boat in addition to the PRO and Signal Boat is required for all MC races.

21. RADIO COMMUNICATION

Except in an emergency, a boat shall neither make radio transmissions while racing nor receive radio communications not available to all boats. This restriction also applies to mobile telephones.

22. DISCLAIMER OF LIABILITY

Competitors participate in racing entirely at their own risk. See RRS 4, Decision to Race. The organizing authority will not accept any liability for material damage or personal injury or death sustained in conjunction with or prior to, during, or after the racing series.

23. RIGHTS TO USE NAME AND LIKENESS

By participating in LBYC sponsored events, competitors automatically grant Lake Beulah Yacht Club, in perpetuity, to make, use, and show, at their discretion, any photography, audio and video recordings, and other reproductions of them made at the venue or on the water without compensation.

24. OPTIMIST DINGHY

- 24.1 All multi-fleet races will consist of fleets starting from the same line. Green Fleet will start 3 minutes after Red, Blue, and White. Any sailor may choose to sail the long course, but any sailor who chooses the short course must be "Green" fleet eligible. Each sailor must designate before the start of the series which course he/she will be sailing for the entire season.
- 24.2 No swimming in the lake off the boats while racing is in progress or between races will be permitted.
- 24.3 For all Championship races, Green included, racing rules will be followed. The Rules of Racing should be familiar to the sailors—however, protests are discouraged. If a major infraction of a rule has occurred, it is up to the skipper to notify the violating boat to perform a 720-degree turn. If that boat refuses, and the violation is witnessed by a Race Committee member, the Race Committee member may hail the sailor to do a complete 720-degree turn in a safe area and then the sailor may continue sailing. There is no penalty for hitting a mark in the Green Fleet.
- Red-White-Blue Fleet:** For all races, no coaching is permitted. Emotional, physical, or medical assistance is always permitted.
- Green Fleet:** A sailor is Green Fleet eligible if he or she has not, in the year of the series, sailed in a Red-White-Blue regatta.
- Adequate bumpers that cover the front and the front corners are required to be scored.
- 24.4 Coaching: There shall be no coaching for the championship series Green Fleet.
- Coaching is permitted in Green Fleet for the Friday series only for those boats in the bottom 50% of the race. Friday races coaching will be provided by the instructors of the Lake Beulah Sailing School or their designees. Coaching is limited to boat handling and getting a boat around the course. The designated coaches will have a flag identifying them as the persons allowed to coach. If the PRO or instructors see a violation of this rule, the first step shall be a warning upon which the offending party shall retire from the immediate area of the competition. A second warning may result in a protest where if the offending party is found to have broken the above rule, the offending party will be disqualified from the race.
- 24.5 Race Committee members will call out the time before the start in half-minute intervals. Any boat which starts early will be hailed to re-round the starting line. The one-minute rule will be in effect on all starts. Towing will be permitted until 30 seconds before the start.

Community starts with neighbors who care.

LIPPERT FAMILY
SPONSOR

2017 Sidestays President LYNN WELSCHER

Sidestays was founded in 1968 as an auxiliary organization and is open to all female members of the club. With over 45 years of service, Sidestays continues to raise funds to support youth sailing and the Lake Beulah Yacht Club. Thanks to the dedication to all members and their many hours of valuable time, Sidestays was able to raise enough money to donate to our outstanding sailors on their quest for international excellence, to provide substantial support for our youth sailors, and contribute to the purchase of well-needed kitchen and club supplies.

In addition to raising funds for the benefit of the club, Sidestays also provides numerous social opportunities for all! The Lake Beulah Shoppe located inside the club house is managed by the Sidestays; a great place to purchase clothing and other items promoting our club. If you are a member of Sidestays, thank you. If you are not yet a member, please consider joining us this season. Your participation is very welcome.

Your Connection to the Essential

Since 1958, we've been a trusted source for plumbing and heating throughout Wisconsin's southern lakes region. Count on O'Leary for all your connection essentials!

O'Leary Plumbing & Heating, Inc. successfully combines yesterday's values with today's technology to create a lifetime of pure comfort for our customers.

Sales, Installation and service of:

- Complete Plumbing
- Geothermal Heating & Cooling
- Hydronic & Radiant Heat
- Forced Air Heating & Cooling
- Septic Systems
- Well Pumps
- Pure Drinking Water Systems
- Solar Water Heating
- Water Softeners
- Iron Filters
- Water Heaters

Bartending policy – One licensed bartender shall be on the premises. Any committee member may serve behind the bar.

All members are scheduled to volunteer for at least one social event. It is often necessary for some of our members to serve multiple events. If a member is unable to serve at the assigned event, it is the member's responsibility to trade with another member for a different event. Subscribing and junior members are not scheduled for social obligations. In addition, those memberships with individuals over 80 years of age as of January 1, 2017 may opt not to be scheduled for social obligations if they request an exemption. Thanks for your participation. The volunteerism of our club membership makes our events successful.

**New Lifetime
Classic Pier!**

Introducing:

Lifetime Series Classic & Minimalist Piers™

- ~ 100% Aluminum and HDPE Plastic Construction
- ~ No External Posts on Minimalist Piers
- ~ Adjustable Telescoping Legs
- ~ Limited Lifetime Warranty

MANUFACTURED PIERS AND LIFTS BY:

ShoreStation®
The original since 1959

Visit our website to see all your waterfront options: www.summersetmarine.com

Lake Beulah Yacht Club is an all-volunteer club. In keeping with the spirit of volunteerism, members are asked to chair and/or host at least one party each season. The following instructions will ensure that the LBYC Social Events run smoothly, and that the Club is ready for the next event.

COMMITTEES

- A. Each season, Social Committees are assigned by the LBYC Social Chair and published in the LBYC Yearbook. Committee Chairs are responsible for reminding committee members of the upcoming event and organizing the event.
- B. If a member is unable to fulfill his or her social committee assignment, the member has the responsibility to exchange social committee assignments with another LBYC member or find a substitute to serve on the member's assigned committee.
- C. The Mainsheet shall be used to notify LBYC members of a social event. Each committee is responsible for publicizing their event. Any notices should include a reservations deadline and cost per person.

BAR

- A. Bar receipts are kept separate from party income. Bar receipts are not to be included in a budget for any social event.
- B. A bartender licensed by the Town of East Troy must be on the premises when the bar is open. A number of LBYC members are licensed bartenders. Check with the Social Chair for a list of licensed bartenders. Any adult member of LBYC may tend bar.
- C. All alcoholic beverages must be purchased by the Social Chair. No alcoholic beverages may be brought into the Club or onto the premises per state statute.

RESERVATIONS, REFUNDS & CANCELLATION POLICY

- A. Reservations will be by check, credit card or by RSVP.
- B. Each committee may ask the secretary to contact members by email to encourage attendance.
- C. No refunds shall be given for paid reservations. Food purchases are made based on advance reservations.
- D. Cancellation of an event must be approved by the Social Chair.

**ANY QUESTIONS, PLEASE
CONTACT THE SOCIAL CHAIR.
HAVE FUN!**

FINANCIAL

- A. Each committee considering the use of a caterer or entertainment must present a budget to the LBYC Social Chair for approval.
- B. Any contracts or written agreements for a caterer or entertainment must be signed by the Social Chair.
- C. In establishing the price for a major social event, please include a profit of at least \$2 per person.
- D. Instructions on cash boxes for an event will be given to each committee chair on the social event report form.
- E. No money may be removed from the cash boxes for payment of expenses related to the event.
- F. Committee members will be reimbursed by the LBYC Treasurer for any expenses incurred upon submission of the social event Financial Report. Please include receipts for any expenses incurred. The Treasurer will reimburse expenses from receipts. The social event Financial report form should be submitted within 48 hours of event.

BEFORE THE EVENT

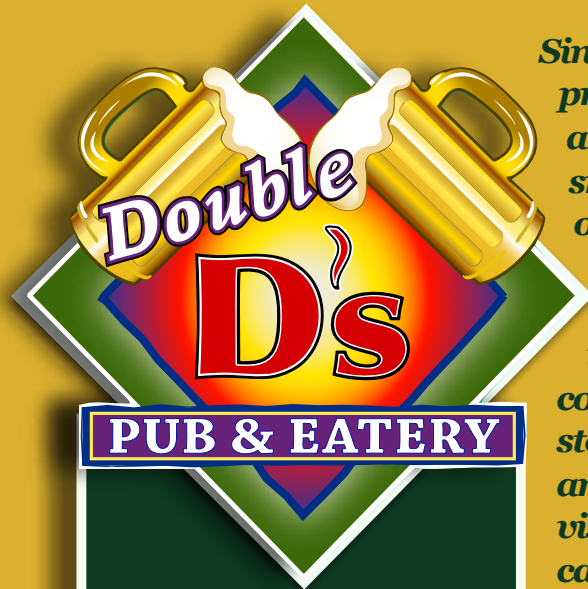

- A. Check paper supplies, condiments and leftovers in cooler and freezer for possible use.
- B. Contact Social Chair as to any special needs.
- C. Adjust heating/air conditioning as appropriate.
- D. Decorations may be available at the Club. Please check the storage closet and under the trophy cabinets.

AFTER THE PARTY

- A. Leftover food must be stored, sold, given away, or thrown out. Leftover food must be covered, identified and dated. Please contact the next party if you store food usable for the next occasion.
- B. The club must be left clean. Clean up instructions are posted in the LBYC kitchen.
- C. Complete the social event report as soon as possible after the event. This form will help the next committee with its planning, especially menus and quantities.
- D. Return cash boxes and complete the Financial Report Form as instructed above, under the section "Financial".

" WE AIM TO PLEASE AT DOUBLE D'S "

Since 2003 Double D's primary focus has always been to provide the tastiest local bar fare in an ultra friendly and highly entertaining environment, served by a smiling attentive staff with the sole purpose of helping our guest have a fantastic time in the process... and this season will be no exception! Known for our Sunday Fundays, Mega Marys and the best place to watch all your favorite pro and college sporting events, Double D's is definitely a must stop destination when enjoying beautiful Lake Beulah and the surrounding communities! So please pay us a visit the next time you're in the area, we'd love to take care of you!

W. 1602 HWY J Mukwonago, WI 53149-3403

BEVERAGE POLICY

The service of alcohol in the building and on the grounds of the Lake Beulah Yacht Club is reviewed by the LBYC Board of Directors. LBYC holds a Class B license, which regulates the sale of fermented malt beverages and intoxicating liquor. Please contact us for any special needs.

1. All alcohol (which includes beer hereafter) served at the Club shall be purchased by the Social Chair or by the Chair's representative. Alcohol may not be brought into the Club or onto the premises. Alcohol may not be removed from the Club for LBYC - sponsored events away from the Club.
2. The price of alcoholic and carbonated beverages served at the Club shall be established annually by the LBYC Board of Directors.
3. A bartender holding an operator's license issued by the Town of East Troy must be present at the Club for any events at which any alcoholic beverages are served. Bartenders will be assigned and scheduled in advance by the social/rental/bar chair for all events.
4. Bartenders will be hired for all rentals using bar service and will be paid by the renter at the rate established by the Board. Refer to the rental policy for further description of rentals. The Social Chair or designee shall confirm bartender responsibilities before approving the private rental. Multiple bartenders may be required, depending on the size of the event. A club member qualified as a bartender (see Item 3) may volunteer to serve as bartender for a rental function, in which case the bartender fee will be waived.
5. No person under 21 years of age shall be served nor issued alcohol by bartenders or other persons.
6. Regular inventory and brands shall be determined by the Social Chair. A member/renter may request non-inventory beverages which will be delineated in the rental contract or to the social/bar/rental chair. A four-week lead time is strongly recommended. This policy applies for rentals, private parties or club events. The renter/event chair will specify the quantity to be purchased and the renter/event is responsible for the cost of any excess at the end of the event. Regular bar prices will apply to specialty drinks, or the normal profit margin, whichever is greater.
7. All club events (regattas, club social events, rentals) where free or reduced price drinks are offered shall reimburse the bar at regular bar prices.
8. On an annual basis, the Social Chair shall compile a list of individuals who will be used to fill bartending duties for club rentals.

Design. Installation. Maintenance.

Serving the local boating communities of Southeast Wisconsin for over 30 years

At **THE BOAT HOUSE**, we understand that a boat purchase is more than just the fulfillment of a dream, it's living a passion. It's about the joy of family adventures and time well spent. Boating is a lifestyle and the chance to experience and create endless memories.

For us, boating is a way of life that we embrace and share with our customers. We have been serving the local boating communities of Southeast Wisconsin for over 30 years and our goal is to deliver the best boating experience to our customers. We are boaters and we understand the passion to be on the water.

Lake Beulah Protective & Improvement Association

Join your fellow LBYC members in supporting
our efforts to ensure that the pristine quality of
our lake remains for future generations.

*As an LBPIA member, you become an important part of an organization
that has been dedicated to preserving the quality of the lake's natural resources
and sustaining its inviting environment for over 100 years.*

Membership Benefits Include:

- ▶ Member-only newsletters and communications ▶ Spring and Fall Member Meetings
- ▶ New members receive an LBPIA address pier plaque and a 16" x 20" historical color map of the lake
- ▶ First-time New Members: \$20 ▶ Renewing Members: \$40

Visit lakebeulah.org for more information.
