LBSS Fundraiser July 11

For all the latest news and updated scheduling, visit www.lbssonline.org

LBSS is the ideal place to learn how to sail. From your first time jumping into a boat all the way to preparing for international competition, LBSS has the facilities and staff to get you up to speed. The instructors are top-notch and they deeply care about the happiness of every student, whether on intense race days or playing around on no-wind days. Some of my fondest memories and best friends are from the LBSS program, and the instruction I was provided helped launch and improve my sailing career. On top of all of that, the community that's built around sailing here is truly special, something you couldn't ever put a price tag on.

Will Haeger

LBSS graduate, 2019 Pillsbury Cup winner, 2019 C Invite & ILYA champion, NCSSA Ranked #1

As a 501(c)3 non-profit organization since 1973, LBSS is fortunate to be supported by our many business partners, the community at large, members of LBYC, its Board of Directors, and the Sidestays.

Happy summer 2020! Wisconsin lake homes have been bustling earlier than usual this year with warm weather, schools closed through the end of the year and many businesses working remotely. The COVID-19 pandemic has brought about unprecedented changes that have led to many alternative and sometimes creative solutions to maintain this new concept of "social distancing." While distance has increased between each other, it has brought families closer together. We look forward to phasing in additional opportunities to interact and enjoy great friends as the season ensues.

This is not how I expected my Commodore year to unfold. This was supposed to be an exciting year supporting Stephanie and Maggie in the 2020 Olympics in Tokyo and while they will have to wait just a little bit longer the club will be behind them 100% as their journey continues. Lake Beulah is scheduled at this point to host Opti Inland this summer. The social aspects of the club may have to be more creative than usual; however, the spirit and enthusiasm for the Club and Lake Beulah is strong. Sometimes you don't fully appreciate what you have till it is gone. I think after going through this everyone will appreciate what we have just a little bit more.

Throughout the last years and coming into this summer season, I have deeply appreciated all the support and thoughtfulness of club members. I am blessed to have support of my family and to work with an excellent team of board members who display thoughtful consideration of potential options and solutions. We will get through this and have fun together again soon.

Welcome to summer at the lake!

Michael Greeson

LBYC Commodore

Toothpicks is a social catering company specializing in planning, creating and catering your special event.

Our private dining studio is located in East Troy. It is the perfect place to host your next wedding shower, baby shower, corporate event, or family gathering.

WHY V2G SURVEYING

V2G SURVEYING, LLC is owned and operated by Michael Greeson, President, and Michael Van Henkelum, Vice President. From the shores of Lake Beulah to the shores of Lake Michigan, from Lake Winnebago to the winding shores of the Rock River, V2G has the experience and staff to move your project forward. If you order a survey of your property, you want the assurance that the job has been done correctly and V2G gives you that assurance.

Mr. Greeson has more than 18 years of experience in the field of surveying and earned his Professional Land Surveyor's License in 2006. He has considerable hands-on experience in both the construction management and surveying fields.

Mr. Van Henkelum earned his Professional Land Surveyor's License in 2008. He also holds an Associate Degree in Land Surveying. He has considerable experience in residential and commercial construction staking, wetland staking, and topographic surveys.

V2G Surveying, LLC has worked on all types of projects and has assisted our clients in solving some very complex boundary issues. If a new home is in your plans, or you just want to know where your lot ends and the neighbor's lot begins before you put up a fence or add landscaping, V2G can handle that as well as all of your land surveying and civil engineering needs.

SURVEYING SERVICES

- New home construction and stake out
- Lot Line delineations
- Land Surveys and Plats of Survey
- Subdivision plats and CSM Maps
- ALTA/ACSM Land Title Surveys
- Topographic Surveys
- 3D Models and Volume Calculations
- As-Built Surveys
- Annexation maps and prints
- Drafting and Calculation of Easements
- Preparation of Legal Descriptions
- Title and Deed research
- Large format Color and Black & White printing

V2G SURVEYING, LLC

V2G conducts land surveys to determine property boundaries, location of features and their relative positions in three dimensions, geometrics, quantities, and more. All information is gathered by electronic data collectors, and transferred to the computer. The hands-free application allows for increased speed of information transfer and updating of existing drawings.

Whether you are developing land, locating existing property lines, or constructing a new highway, accuracy is paramount to project success. V2G's Land Surveyors use state-of-the-art technology, including GPS, robotics, data collectors, and topographic computer software for accurate translation between two-dimensional documents and our three-dimensional world.

Our experienced staff can provide survey services from simple lot surveys to complex construction staking for commercial, industrial, and residential developments. All of our survey personnel are experienced in construction layout, staking for roadways, bridges, rights-of-way, and other public facilities using both horizontal and vertical control.

At V2G Surveying we partner with clients to ensure accurate results that fit your time line and budget. Call us today to discuss your project.

V2G has relationships with industry leading engineering firms that we utilize to create grading and design plans that will fit your projects' needs.

2019 was a strange year for B-22. Entered one regatta and won two of them! It seems like we spent more time in Michigan than at Beulah.

2020 is also off to a strange start.

Your locally owned HARDWARE store since 1978

We have the tools & equipment to help your projects get done quickly, so you have time to SAIL!

Come meet KAYA and have her show you over 200+ varieties of pet food.

valspar  **Color Match Guarantee**

Designing & Building to fit your specific needs & budget

A Builder You Can Trust

DESIGN * BUILD * REMODEL

John Hackbart would like to personally thank his Lake Beulah clients for the over 40 new homes or major remodels, along with numerous small projects that we've been proud to be a part of for nearly 40 years

**SERVING LAKE BEULAH &
SOUTHEASTERN WISCONSIN SINCE**

We pride ourselves on our
"hands on"
approach and the
continued trust our clients
put in us!

*Contact us at 262/642-9601 or visit us at
www.HackbartBuilders.com*

Offering a full range of services:

- Design—to Meet your Needs and Budget
- Custom Built Homes and Out Buildings
- Major & Minor Remodels—no job too big or small
- General Contracting & Project Management

Professionals Since 1979

THE SHOREWEST ADVANTAGE

HELPING FAMILIES FOR OVER 74 YEARS

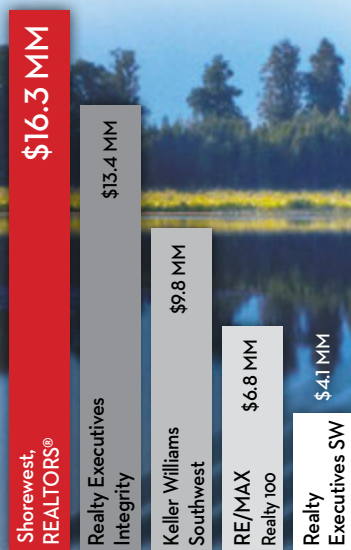

Real estate is about community. As we proudly enter our 75th year, we understand the importance of serving the wants and needs of the community. We are not only local but also combined with our affiliation with Leading Real Estate Companies of the World® and Luxury Portfolio International®, we are global.

We remain family owned and the largest independent real estate company in Wisconsin. Guided by nearly 1,000 of the best real estate advisors and 250 dedicated support staff in 25 different locations throughout the state, together, we support and immerse ourselves in the many charities, causes and organizations in the communities where you live.

BUY AND SELL WITH THE LOCAL LEADER.

LAKE BEULAH HAS TO OFFER!

DUNN | DUNN
Jones
REAL ESTATE TEAM

WE'VE SOLD ALL 27 OF THESE HOMES ON THE LAKE...
DON'T TRUST ANYONE ELSE WITH THE SALE OF YOUR HOME!

THE DUNNS ARE YOUR LAKE BEULAH NEIGHBORS & REAL ESTATE EXPERTS!

Selling a lakefront property is unique, and it takes a focused marketing approach to attract and educate the best buyers. Place your trust with lake residents that know the lake and can market your home to targeted buyers. The Dunn & Dunn Jones Team are part of the top 1% of all agents in Southeastern Wisconsin and members of Shorewest's President's Club. We have the experience and knowledge to guide you through a successful sale.

2020 SIDESTAYS PRESIDENT

Susan Brown

Sidestays was founded in 1968 as a women's auxiliary organization, with the goal of providing funds and support to youth sailing and the Lake Beulah Yacht Club. Membership is open to any member of the LBYC. Thanks to the dedication and work of all of its members, this past year we have been

able to provide financial support for some of our outstanding young sailors in their quest for international recognition, as well as completion of the kitchen cabinet update project.

New kitchen cabinets donated by Sidestays 2019/2020

As we begin this new season, we are experiencing a different era. Although "social distancing" may be with us for awhile, we are hopeful that Sidestays be able to will continue to offer activities to interest all our members.

Our general meeting in June is an opportunity to meet new members and catch up with friends. We will be discussing last year's projects and ideas for this year. The board will provide a light salad luncheon immediately following the meeting. We hope everyone will join us on June 9th, 10:30 a.m.

Additionally, each month we have a "noon social". This is a luncheon, the chance to play bridge, Mah Jong, or your favorite board game with friends. All are welcome, and there is no charge for this event. No idea how to play Mah Jong? No problem! We are always looking for new people to teach!

Sidestays also manages the Lake Beulah Shoppe, located inside the clubhouse. It is a great place to purchase logo clothing, burgees, and other unique items promoting LBYC, and is open during Wednesday cookouts, events, and regattas. All profits benefit the club and youth sailing.

If you are already a member of Sidestays, THANK YOU! If you are not yet a member, please consider joining us. You will be very welcome.

Lake Beulah Yacht Club is an all-volunteer club. In keeping with the spirit of volunteerism, members are asked to chair and/or host at least one party each season. The following instructions will ensure that the LBYC Social Events run smoothly, and that the Club is ready for the next event.

COMMITTEES

- A. Each season, Social Committees are assigned by the LBYC Social Chair and published in the LBYC Yearbook. Committee Chairs are responsible for reminding committee members of the upcoming event and organizing the event.
- B. If a member is unable to fulfill his or her social committee assignment, the member has the responsibility to exchange social committee assignments with another LBYC member or find a substitute to serve on the member's assigned committee.
- C. The Mainsheet shall be used to notify LBYC members of a social event. Each committee is responsible for publicizing their event. Any notices should include a reservations deadline and cost per person.

BAR

- A. Bar receipts are kept separate from party income. Bar receipts are not to be included in a budget for any social event.
- B. A bartender licensed by the Town of East Troy must be on the premises when the bar is open. A number of LBYC members are licensed bartenders. Check with the Social Chair for a list of licensed bartenders. Any adult member of LBYC may tend bar.
- C. All alcoholic beverages must be purchased by the Social Chair. No alcoholic beverages may be brought into the Club or onto the premises per state statute.

RESERVATIONS, REFUNDS & CANCELLATION POLICY

- A. Reservations will be by check, credit card or by RSVP.
- B. Each committee may ask the secretary to contact members by email to encourage attendance.
- C. No refunds shall be given for paid reservations. Food purchases are made based on advance reservations.
- D. Cancellation of an event must be approved by the Social Chair.

FINANCIAL

- A. Each committee considering the use of a caterer or entertainment must present a budget to the LBYC Social Chair for approval.
- B. Any contracts or written agreements for a caterer or entertainment must be signed by the Social Chair.
- C. In establishing the price for a major social event, please include a profit of at least \$2 per person.
- D. Instructions on cash boxes for an event will be given to each committee chair on the social event report form.
- E. No money may be removed from the cash boxes for payment of expenses related to the event.
- F. Committee members will be reimbursed by the LBYC Treasurer for any expenses incurred upon submission of the social event Financial Report. Please include receipts for any expenses incurred. The Treasurer will reimburse expenses from receipts. The social event Financial report form should be submitted within 48 hours of event.

BEFORE THE EVENT

- A. Check paper supplies, condiments and leftovers in cooler and freezer for possible use.
- B. Contact Social Chair as to any special needs.
- C. Adjust heating/air conditioning as appropriate.
- D. Decorations may be available at the Club. Please check the storage closet and under the trophy cabinets.

AFTER THE PARTY

- A. Leftover food must be stored, sold, given away, or thrown out. Leftover food must be covered, identified and dated. Please contact the next party if you store food usable for the next occasion.
- B. The club must be left clean. Clean up instructions are posted in the LBYC kitchen.
- C. Complete the social event report as soon as possible after the event. This form will help the next committee with its planning, especially menus and quantities.
- D. Return cash boxes and complete the Financial Report Form as instructed above, under the section "Financial".

All members are scheduled to volunteer for at least one social event. It is often necessary for some of our members to serve multiple events. If a member is unable to serve at the assigned event, it is the member's responsibility to trade with another member for a different event. Subscribing and junior members are not scheduled for social obligations. In addition, those memberships with individuals over 80 years of age as of January 1, 2019 may opt not to be scheduled for social obligations if they request an exemption. Thanks for your participation. The volunteerism of our club membership makes our events successful.

Bartending policy – One licensed bartender shall be on the premises. Any committee member may serve behind the bar.

The service of alcohol in the building and on the grounds of the Lake Beulah Yacht Club is reviewed by the LBYC Board of Directors. LBYC holds a Class B license, which regulates the sale of fermented malt beverages and intoxicating liquor. Please contact us for any special needs.

1. All alcohol (which includes beer hereafter) served at the Club shall be purchased by the Social Chair or by the Chair's representative. Alcohol may not be brought into the Club or onto the premises. Alcohol may not be removed from the Club for LBYC – sponsored events away from the Club.
2. The price of alcoholic and carbonated beverages served at the Club shall be established annually by the LBYC Board of Directors.
3. A bartender holding an operator's license issued by the Town of East Troy must be present at the Club for any events at which any alcoholic beverages are served. Bartenders will be assigned and scheduled in advance by the social/rental/bar chair for all events.
4. Bartenders will be hired for all rentals using bar service and will be paid by the renter at the rate established by the Board. Refer to the rental policy for further description of rentals. The Social Chair or designee shall confirm bartender responsibilities before approving the private rental. Multiple bartenders may be required, depending on the size of the event. A club member qualified as a bartender (see Item 3) may volunteer to serve as bartender for a rental function, in which case the bartender fee will be waived.
5. No person under 21 years of age shall be served nor issued alcohol by bartenders or other persons.
6. Regular inventory and brands shall be determined by the Social Chair. A member/renter may request non-inventory beverages which will be delineated in the rental contract or to the social/bar/rental chair. A four-week lead time is strongly recommended. This policy applies for rentals, private parties or club events. The renter/event chair will specify the quantity to be purchased and the renter/event is responsible for the cost of any excess at the end of the event. Regular bar prices will apply to specialty drinks, or the normal profit margin, whichever is greater.
7. All club events (regattas, club social events, rentals) where free or reduced price drinks are offered shall reimburse the bar at regular bar prices.
8. On an annual basis, the Social Chair shall compile a list of individuals who will be used to fill bartending duties for club rentals.
