

Commodore's Comments

To my LBYC Friends,

We are into July already!

Sailing continues to be strong on our home lake series. I'm glad Mother Nature is providing us with great wind for the most part. The wind was perfect for our LBSS Opti Regatta on June 27. Over 80 Opti sailors enjoyed the day here at Beulah with steady winds in a favorable direction.

Once again Lake Beulah Fireworks were spectacular this year. They just seem to get better every year. I thought the candles around the island were amazing. How did they do that? It was another memorable night on Lake Beulah. Please remember to contribute to the fireworks fund if you haven't already, it's not too late.

LBYC social schedule continues to rock! All the fun dinners and Wednesday night cookouts. Although I was unable to attend because my WBC's (White Blood Cell) were too low resulting in me not having adequate immunity, the rest of my family gave rave reviews of the Annual 4th of July

Pancake Breakfast. They said the food was great! They loved all the toppings for the pancakes. As always they had fun playing all the games. Thought the competition level was up this year. Perhaps it was Charlie Kutsch "egging" everyone on with his megaphone.

We are just beginning a crazy six week period with events coming on top of each other, throw a couple rentals in. With all this increased activity comes more event set up for the reservation system, more accounting, more emails, more purchasing / ordering / deliveries. Demand on our volunteers has increased immensely. This month the LBYC Board has decided to "test the waters" and provide some relief to our volunteers in high volume positions. We've hired Erin Sullivan a few hours a week to assist with some website, communication and onsite tasks during the month of July. If you're on a committee she may be reaching out to assist.

See you on the water.

From the Sailing Commodore

I hope everyone was able to spend some quality time with their families this past holiday weekend, unfortunately the wind didn't cooperate for great sailing, but it was a great weekend for other watersports, picnics, parties, fireworks and the like.

Big thanks to all the volunteers at the LBSS Opti Regatta. I hear it was another great event. We will play host to the ILYA No Tears, Green fleet only regatta, at the end of the month on Monday, July 25th. Stacy Keane has gathered a great team that is planning a FUN event for our newest sailors, but we will still need volunteers. Look for the sign-up link in this issue and on the website or contact Stacy directly to volunteer.

It's time to start thinking about getting those 2021 trophies engraved. If you were unable to attend last year's Trophy Presentation and would like to pickup your trophy for engraving, please contact me to arrange a time.

We are also looking for two trophies that have gone missing; **Commodore Holloway Trophy** (X Championship 1st Crew) and **Jack Harvey Trophy** (C Championship 3rd Crew). Please take a look around your homes if you or your child were racing in the last few years and contact me immediately. If not found within the week they will be offered up for replacement to past commodores.

Good luck to the X and Opti fleets as they head to Geneva for Dinghyfest next week.

Remember to thank your PROs.

— Vicki Clayton

Socially Speaking

We have had a terrific start to July! The fireworks were spectacular this year and we are so blessed to have such a treasured event at the lake! Thank you to everyone who organized and worked on the fireworks, and thank you to everyone who financially contributed so that the fireworks can happen each year.

A special thanks to the Carol and Robert Klement team, who had another fantastic family pancake breakfast and games! We are so lucky to have such talented members who put events together and pull it off so seamlessly. A thank you to her team - Gil Brickler, Beth and Charlie Kutschenreuter, Jeff Komar, Bobby Gull, Karl and Cindy Zettlemoyer and Scot Kent. The families, pancakes, games and traditions are magical.

And thank you for successful burger night by Anne and Andy Mueller, who were able to pull off the event while being under the weather, with the aid of their excellent planning, management and team. Thank you to Karla Keck and Joe Byrnes, Jennifer and Cynthia Cychosz, Will and Kate Haeger, Michael Barth and Ben Porter. The night was capped off with the traditional Dorn fireworks!

July is one of our busiest months, and in addition to our cookouts, wine tasting and youth nights, we have several great events. The LBSS fundraiser is July 9th and helps support and grow the sailing school. Registration is closed, but if you want to support sailing, stop in for a drink and bid at the silent or live auctions. Or better yet, call Dale Roble with a donation to the sailing school. July 16th is the Surf and Turf, with Peg San Filippo at the helm it will prove to be good wine and food. In addition, July 23rd is the MC fleet party.

Another annual event is the Dinner and a Book event on July 26th, where all are welcome to enjoy a meal and discuss "Come to the Lake" with author Anne Goodwin. We also will have another Friday night at the club July 29th, have dinner or just stop in for a drink.

There are a couple of events that will be especially fun! Save the date for the Buffett Party August 13th, it will be good music, fun and food for the whole family! Also, August 27th for our Commodore Party to help us celebrate Randy Schmidt and all of his contributions!

Thank you to all of the people who continue to support the club by hosting events, serving on committees, race committees, Sidestays, the sailing school, and administrative roles. And everyone who attends these events! It is all in an effort to enjoy each others company and help the club thrive. We are grateful to all of those who contribute in seen and unseen ways.

Join me on Monday, July 18th at 6:30 at LBYC! We'll take a look at the diverse wine-growing regions and producer styles of California. Tasting two styles of Chardonnay will help clarify our palates and aid in deciphering what we do and don't like in our glass. In addition, two bold reds from different regions will be included in the discussion.

Successful Sidestays Lunch 'n Learn Luncheon features Journal-Sentinel Sports Reporter Lori Nickel

On Thursday, June 23rd, 40 LBYC members gathered at our Club to eat an Asian themed luncheon and hear Lori Nickel's presentation. Lori, who has won the Wisconsin Sports Writer of the Year Award twice (and, by the way, the only woman to have won it) shared her experiences covering the Beijing Olympics this past winter. She described how brutally cold it was once she was asked to cover the mountain games. She said her recording device, phone and even her pen froze up. Discardable hand warmers were needed for her future interviews! Covid also played a big part in her trip - many, many tests and she wore a badge that kept track of her at all times and her movement in the Olympic area was very restricted. What an experience.

There will be two more Lunch 'n Learn luncheons this summer, July 28th and August 25th.

Sidestays 2022 Golf Outing Friday, August 5

Alpine Valley Summit Course
Golf will be a shotgun tee off at 4 pm.
Arrive at Alpine no later than 3:15 to pay fees and register.
Dinner will be back at LBYC at 6:30. Lulabell's Dockside will fry and bake fish. LBYC bar will be open until 7:30.
Bring your best golf joke!

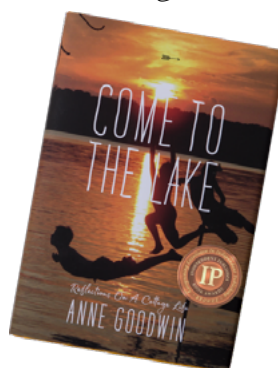

Register by Friday, July 22.

Specify baked or fried fish. If you want something else, you can call Dockside before golf and pick up your own order on your way to the club. A very limited number of non-golfers will be welcome at dinner but must register in advance.

Nine Holes of Golf \$26. per person
Dinner: \$20. per person

Please email with your number golfing and fish choice. Pay for golf at Alpine and dinner by check or cash to Pat Thomas. Registration deadline is **Friday, July 22**

House & Grounds

by: Greg Thomas

It happened on July 1 at 12:00. We are at the midpoint of 2022, 182.5 days into the year.

Kitchen Door

For the second time in as many years damage has occurred to the kitchen door electric strike and key pad. During the most recent event on Wednesday June 29th early in the day, there were no signs of forced entry at the door or a break in but the keypad was ripped from the wall removing all of the soldered connections.

A locksmith was contacted and the keypad will be replaced.

Historical & Environmental Tours

The Lake Beulah Protective & Improvement Association (LBPIA) is sponsoring fascinating **historical and environmental boat tours of the lake** for those 16 and up on Saturday August 13 (rain date August 14). These tours support the LBPIA's mission of engaging and educating friends of the lake on ways to preserve the quality of this beautiful natural resource for generations to come. The tours will last approximately 90 minutes with a cost of **\$25 per person**. More details and logistical information is available at www.protectlakebeulah.org. Come support the LBPIA, the broader lake community as well as your fellow LBYC members, a number of whom will be docents and boat drivers on the tours.

We hope to see many of you there, so please sign up on the website today!
