Summer Issue #7

www.lbyc.us

Commodore's Comment

We have enjoyed having a couple of bee hives for about 5 years. First of all, Honey Bee's are much more friendly then most people would believe – really; and the second thing about Bee's is, they are busy, very busy. Bee's are only interested in doing their jobs; collecting pollen, or nectar – so, as long as you don't dress in a brown sweater (look like a bear) or in brightly colored shirt (like a flower), they pretty much let us do whatever we need to do to help maintain the hive in healthy condition - occasionally, a bee will get concerned, flying back and forth in front of my face to warn me – and I simply back away from the hive until she loses interest – and then I can go back to the business of managing a healthy hive for the bees, and she returns to being a busy bee.

This past week the club has reminded me of the summer bee hive, busy with activity, people hustling in and out of the club – several hundred guests for the Opti Inlands, and then several hundred guests for the Float Boat Tour of Homes. All of our volunteers doing their roles, helping guests, showing Beulah at her finest. We can all be very proud of the month of July at the club, I certainly am very proud of the club – everyone working together, all with the same goal – to be good hosts for our guests. Things will slow down for us in August, let's all try to enjoy the last month of the summer.

Above: Chris inspecting a hive with his nephew.

See you at the Club!

Details inside.....

FROM THE SAILING COMMODORE

Have you ever wondered why LBYC hosts so many regattas? With all the wear and tear to the Yacht Club, the work the members have to put in, why do we do this year after year, time after time?

I thought, with so many of you so thoroughly depleted from your volunteer efforts these past few weeks, now would be a good time to talk about this subject.

So David Letterman style, here are the top three reasons we host regattas at LBYC:

#3: Reputation: LBYC has a reputation in the Scow Sailing community for several things, not just excellence in sailing. We are perceived (rightly so, I believe!) to be a group of volunteers who work hard and play hard. People come to our lake for regattas despite the lousy sailing area, because they know they will be greeted warmly, and fed well. We are a fun group!

#2: Obligation: LBYC, as a member of

the ILYA, the WYA, and US SAILING, is obligated to take our turn hosting events, whether it is a regatta, a luncheon for board members, or training event. We host these events to "take our turn", but also to help the sailing organization maintain viability, and to not over-burden Yacht Clubs with better sailing venues than ours.

#1: Money!: profits from these three events this year will probably exceed \$20,000, money that goes right into the general fund and is a major source of revenue for this club. The Board is grateful for this income because, among other reasons, it is part of the reason we were able to lower dues this year. Any opportunity we have to take the financial burden and shift it slightly to outside sources, we feel, is a benefit.

That being said, I'm pretty uncomfortable with the amount of effort it took for many of you to pull off these three

regattas, and I sincerely hope we never have another July like this one. Thanks again to Candace Porter, who must be exhausted!

August is now here, and that means it's time to make sure your trophies are engraved. Please do a quick inventory of what you have and get them engraved. Labor Day is coming soon!

Vicki Bohl

Our Olympian Update

As Team Haeger/Provancha heads closer to the 2016 Olympic Games in Rio, their training and regattas take on a higher intensity. Please follow them in their journey by "liking" and following them on Facebook at Team Haeger/Provancha and sign up for their newsletter at <http://teamhp470.com> - they'd love your

support! Straw hats for \$20 (great for golfing), a limited number of long sleeved grey unisex tech shirts (\$60) and Nike steel grey golf shirts in men's and women's sizes are available (\$75). Call or email Julie Haeger (mom4sail@yahoo.com or 2626-642-9615) to have yours delivered to your door. **Thanks, Beulah for your continued support.**

**Year end celebration
for LBSS students and
their parents**

MAINSHEET

SOCIALLY SPEAKING

Life at LBYC is finally slowing down a little bit! What a busy and successful time we have had in the last two weeks! ILYA Opti Champs showed LBYC at its best. Candace led a great group of volunteers in putting on this regatta. The kitchen was humming—at one point I felt like it was the story of the loaves and fishes—we just kept creating and serving more food!! I heard nothing but great comments from the attendees about every aspect of the two days they spent at Lake

Beulah. Thanks and hats off to all for making this a great and memorable event. Once again, we barely got the club cleaned before moving into the next function. A bright, sunny, windy day greeted the attendees of the Float Boat Tour. The Sidestays hosted a wonderful day! Please plan on attending the August cookouts—the committees have some great meals planned. **The club will be hosting a new event on Saturday, August 15th.** See this Mainsheet for more details. We could use a couple more volunteers that night. Please let me know if you are available.

Thank you,

Molly Barr

Brown, Hiller, Horter,
Johnson

First Time Ever....Outdoor Movie Night Mark your calendar for Sat. Aug. 15th

Saturday evening, August 15th at 6:00 pm, bring your lawn chairs and join us for **Outdoor Movie Night at the Club. Yes, there will be a food truck here.** Dinner will be served by the fabulous Los Agaves Restaurant Food Truck and you can purchase your dinner selection directly from them. See a yelp review of this great Delavan Lake restaurant. "This by far is our go to Mexican restaurant. They have an amazing menu of authentic Mexican food. The prices are very reasonable and the guacamole and salsa is always fresh. The steak tacos are one of the best!"

The cost will be \$5 per person plus your meal purchase. The bar will be open for Cervezas and margaritas and we'll serve a

yummy dessert, then sit back and enjoy the **feature family film, "Chasing Mavericks"** with Gerard Butler, a true story about a young boy who dared to dream of surfing the big wave contest off the California Coast.

www.youtube.com/watch?v=nUP_ZZYLmKO

Please RSVP online ASAP or to

sailbyc@gmail.com so we can get a general head count.

**** We are looking for a really big, old sail (C, E, A spinnaker?) to act as a movie screen, please let us know if you have one to loan. This should be a super fun night so bring family and friends and join us at LBYC.**

Created by Rob Hudson and Joelle Cook

Sample Food Truck Menu

The X Boat Inland this year was excellent. by Annie Cate Schmidt

The regatta was held on Pewaukee Lake, July 22-25th, with a large showing of 59 Junior fleet boats and 48 Seniors. On Wednesday July 22 the Beulah squad showed up, launched, and went out to practice before the practice race. The practice race was light wind and very congested with over one hundred boats on one course. Once all of the sailors were in from the practice we started the Inland volleyball tournament. Beulah had two teams this year, the Killer B's and the Killer Crews. Both of the teams started the tournament with a victory and we all headed home to get a good night's rest for I.L.Y.A.

The first day of the regatta in the junior fleet, the B3, B7, and B66 all hopped into their boats and headed out to the racecourse. We started the regatta off with a light wind race where our own B66, Brigit Barr, got second place. The wind died after the race and we were sent in for a delicious Rocky Rococo's pizza. The wind did not pick up, so the volleyball tournament continued and the Killer B's continued strong while the Killer Crews lost in a very close game and were eliminated from the tournament. The judges decided to postpone the races until the next day.

The second day we had two races in the morning. The wind was decent for both races. The first race B66 got fourth and the B3, Ryan Komars, got ninth. The second race, Annie Cate Schmidt, in the B7, got eighth, the B66 came in thir-

teenth, and the B3 in fifteenth. The sailors came in and enjoyed amazing hamburgers. Once the sailors were fed and energized they headed back out for two more successful races. The first race the B3 and the B66 both finished in the top fifteen. The second race the B66 came in tenth place. After the races the sailors came in and got ready for the big party. At the party, there was sumo wrestling, a photo booth, a basketball game, and a dance floor. We finished the volleyball tournament with a tough game against Pewaukee, but in the end we pulled through and Lake Beulah took the victory. Overall the party was a hit!

On the third day there were two races with moderate winds. In the first race the B66 came in seventh place holding her third place overall. The last race of the regatta Beulah did great with the B7 in eleventh, the B3 in seventh, and the B66 in fourth. The judges made an executive decision to end the regatta after that race. The sailors raced in to take their boats out and tie them down. Then all of the sailors came in and devoured tasty Jimmy John's sandwiches. Once everyone was finished they began the trophy ceremony.

Harry Melges IV and his crew Finn Burdick, I -1, won, I -25 Chapman Peterson and Thomas Whowell came in second place, and in third place was our own B -66, Brigit Barr and Caroline LeRoy, who were also awarded the top girl trophy.

B3 Ryan Komars and crew Brian Zetlemoyer got thirteenth place and Annie Cate Schmidt and Maggie Probst came in nineteenth. Overall the 2015 Junior Fleet X boat Inland was an amazing regatta.

On the Senior side, The Flyin' Hawaiian (Gabe DiBiase and Aaron LeRoy) came out flyin' in the first race on day 1! They had a fast start and were leading around the windward mark, and eventually came in 7th. John Barr and Sydney Probst ended up with the bullet for the first race! Day 3 was all about Erin Sullivan and crew Anneliese LeRoy! They came in 2nd in the first race of the day and won the final race!! Overall, Erin Sullivan got 2nd place, John Barr 4th, Patrick Schmidt and Jonah 9th, John and Anne Berg 22nd, Nora Kiernan 23rd, Caroline and Kendall 26th and Gabe DiBiase 33rd. **Erin Sullivan (and Anneliese) took home the Top Senior Girl in Inland Trophy!!!**

From left: Brigit Barr with Caroline LeRoy won top Junior Girl Sailor while Erin Sullivan took Top Senior Girl with crew Anneliese LeRoy.

Ready for the Beulah Swim?

Last call for open water swimmers! The Beulah Mile jumps off next Saturday, August 15th at 7 am from Mark and Kathryn Kiernan's pier opposite Buck Island. Come join the fun for this non-competitive, relaxed open water swim to the Yacht Club pier, followed by breakfast together at a local restaurant. Please contact Brian Bellew at 773-580-7995 if you can join to swim or guide for safety. We'll take a team photo for the next Mainsheet to memorialize our team accomplishment.

It's Luffable by Julie Haeger

Candace Porter is a dynamo - she has put in countless hours at LBYC and the ILYA in a varying capacities. But did you know she is also a "hooker"? At the X WYA event, Larry Krause, the PRO at the event commented while she was attempting to grab a mark out of the water with a boat hook that she was a good hooker, but not as good as his wife, Marilyn. Who knew?

Upgraded Hoist at Crane

After many years, the hoist has been upgraded. When you use it next, you will notice a new motor with wireless controls. The remote control is to be stored in the same location that has been used.

When you use the crane, turn on the master power switch just like you always have. Grab the remote, press start, then use the up and down controls. When you are done, press stop, turn off the power, and neatly return the remote and its tether to the storage box. Lock the power and box and you are done!

If the remote doesn't work, the batteries likely need to be replaced. A spare pair of AA batteries is stored in the dry bag that holds the remote. If you have any problems, please do not hesitate to contact me.

John Porter Yachtsman at Large 516-423-4029 cell

The "blue moon" came up over the LBYC on Adrienne Bohl's wedding day last Saturday, August 1, 2015. Best wishes!

Highway J Dam - Update

The county's project to re-build the dam on Highway J is almost over. The work on the dam is complete but the roadbed remains to be rebuilt. Assuming good weather this work should be completed by the end of the week of August 17th. The county is planning a formal ribbon cutting for August 24 but the road will be open for traffic as soon as it is safe. Everyone is welcome to attend the ribbon cutting, please watch for a formal announcement.

While it was not the district's idea or desire to replace this dam at this time we are thankful for the new dam and that it is finally coming to a conclusion. The LBMD would like to thank lake owners, visitors and those most affected, the owners of dam property for their patience and understanding through this tough time. We also want to thank Walworth County for their willingness to share ideas and consider our input. The dam is now operating efficiently and should do so for many generations.

Lake Beulah Management District

MAINSHEET

ILYA Opti Championships - 112 – That's a Heap of Boats by Candace Porter

Boats and parents and siblings everywhere! On July 27th, two fleets took to the water: 39 Green or Intermediate sailors and 73 Red, White, Blue or more advanced sailors. It was a vision of little white blobs covering the main lake from Barr's on the Island to the Yacht Club. The Inland Lake Yachting Association Championships

are annual and boats from Minnesota, Illinois and Wisconsin competed for the title. At the end of the event, Lake Geneva sailor Chapman Petersen (Galloping Ghost) bested a North Lake Will Michels (WILL I AM) and Nagawicka boat, Henry Chapman, last year's champion, for the title. It was a tough-fought battle with a couple protests thrown in for excitement. On the Green fleet, Minnetonka's Will Sweeney, sailing WILL POWER, took home the trophy besting Lake Geneva sailor, Sailor Whowell, of Gordy's fame. She sailed SHE FORCE which is a take off of her parents G FORCE A scow.

RWB Beulah sailors finished:

10th Jonah Boykin
29th Annie Berg
33rd Annie Cate Schmidt
57th Isabel Rietz
61st Brian Zettlemoyer
62nd Ashley Mueller
66th Aaron LeRoy

Green Beulah sailors finished:

23rd Alex Mueller
25th Caroline LeRoy
29th Lucas Clayton

What does this mean for Beulah? Financially, it is near a \$7000 profit but that comes on the backs of many, many hard workers. With a lunch of near 300 on Tuesday, not a seat was left open outside or inside. It took a lot to get them all fed. At times, it seemed Molly Barr had a secret grocery store. She kept coming up with more concoctions of salads out of thin air. Folks were most appreciative of our generous portions and luscious salads. The kids and parents also enjoyed Kathy Will's "sail boat" Rice Krispie squares and the cupcakes she designed with blue frosting and a sailboat on each. Thanks to the tennis ladies and many, many others who stopped in to give us a few hours or all day. It was breakfast lunch and dinner on Monday followed by breakfast and lunch on Tuesday. Whew! That's a lot of food and planning.

The real boon was the raffle which was "the best raffle I've ever seen", from Jim Smith, executive secretary of the ILYA. Thanks especially to Mark and Maggie Smith who donated \$250 worth of goods, Zhik, Stelluca, Porters, Harken, Aquarius Sail, Haegers, a surprise guest donor of two radio control sailboats & shorts (Andrea Jarecki?) and the numerous donors who were wooed by Ashley Mueller and Isabelle Rietz. Nancy Roble who worked RC just took ownership of the display area which made this so inviting and attractive.

Every boat needed to be measured. Our team was led by Zettlemoyers and X sailors. Brian and Karl endured the first day and closed the club by cleaning up after day one – no small feat to be ready for day two. Floors, bathrooms, grounds all needed a thorough cleaning. Monday night's dinner was a Dave Berg and Molly Barr extravaganza. Julie Haeger who worked RC, made cornbread for 200+ and then worked the Monday dinner. Elaine Rietz chaired games for the crew following the yummy chicken dinner.

The donation of sail cloth by Zack Clayton of Dimension Polyant, and John Porter of UK Sails netted near free bags for the RWB and Green fleet prizes.

We could not have handled the water portion without more volunteers – RC Julie Haeger, Dale and Nancy Roble,

continued on next page →

MAINSHEET

Continued from previous page.....

and Maggie Smith capably voice and video recorded the finishes with two recorders to catch every boat as they crossed. On the Green fleet, Steve Barth was scrambling to set the windward marks, leeward and manage the start/finish buoy. On the committee boat, Franzene outfitted their pontoon which worked well as a signal boat. Don Franzene, David Porter assisted Candace Porter, PRO. Dennis Smalley was called into action due to exceptional handwriting as Carrie Franzene capably scored the two fleets via emailed photographed score sheets from the water. There were times she had the scores posted before the fleet arrived on land.

There were two neon green traffic police in the form of Frank and Ruth Rappold who braved the heat for long stretches as the 112 opti sailors crossed East Shore Road and launched, then crossed back again, all the while keeping car traffic flowing. Maybe a new profession? Property management with Kathy and Hardy Will's signage and designated opti parking spots made the club look most organized.

Neal Klement donated water for a very hot, humid day. Cold water was really needed to hydrate our young sailors.

X boaters and parents and MC fleeters managed launch and return. Nearly 20 instructor inflatables graced the inside of our pier. Thanks to the launch crew of Lippert, Smalley, and Franzene. Pontoons were plentiful for spectating. Dick Wise drove for two days straight. Many loaned out boats for use.

Housing by Hudsons, McMurray/Lee, Kiernans, Klements, Porters and Theisen accommodated our MN sailors and families.

Our business neighbors Dockside and Lindey's provided us with ample parking for cars and trailers. We could not have done it without them. So patronize them and thank them next time you are in. Or make a special trip to eat at the Dockside.

The most special thank you to John Theisen who provided housing, trailer parking, two spectator pontoons and signage on ES directing our guests to our location. Monday, before dinner, he even welcomed sailors to try out the water slide on his dock. He, Elaine Reitz and other parents manned the slide as kids from all over the Midwest played together. It was a collaboration of businesses and friends on East Shore.

Lastly, thank you to the X parents and sailing school instructors from many lakes who disassembled the club for a thorough cleaning before the Sidestays" Float Boat Tour, immediately following the regatta—another huge event—this time for the big kids.

Reitz photo

Above: There were a remarkable 112 boats at the ILYA Opti Champs.

Right: Sailors took a swimming break at neighbor John Theisen's dock with a slide..

Reitz photo

Sidestays' Corner

Wow, what a July it was!

A Sailing Clinic, two ILYA regattas, LBSS fund raiser ,cook outs, social events, and the Float boat Tour. The hours of volunteering have been phenomenal. All of us working together is what makes our club so special. While I was serving lunch at the Opti Regatta I heard so many good comments about our Club, and how organized everything was. Did you see 113 Opti sailors on the water? An awesome sight!

The Float Boat Tour of Homes on July 30th was a GREAT success! Everyone enjoyed the tour, a delicious lunch, and boutique shopping. Thank you to our chairpersons Mary-

ellen Heckman, and Susan Brown, for their many months of planning and organizing. Once again thank you to the homeowners for opening their lovely homes to us. The boat drivers and pier workers did a superb job of handling the very windy conditions, so applause to them! So many people (too many to list) worked on the tour, but I want to give a special thank you to Susan and Julie Clayton for preparing the food for the after party, and to LBYC for the drinks.

This Mainsheet will be delivered on Aug. 7th, the day of our Sidestays' Golf Outing, so I hope we have had fun and enjoyed that event. Remember to attend the Sidestays' meeting on August 18, 2015.

The meeting starts at 10 AM, with lunch to follow. See you there .

Penny Clayton

A Huge Thank You!

from Susan Brown &
Maryellen Heckman

WOW, what a day - Beautiful weather, a wonderful team of Beulah volunteers, 5 lovely homes to tour, shared by our own members (Schmitendorfs, Haegers, Sass, Whittet, and Thomas), and many happy faces in the evening for the Post Tour. Susan and Maryellen thank all involved for making this 2015 Tour of Homes on 7-30 a huge success. **Photos top from left:** The Kitchen Crew **right:** Tori Brown selling raffle tickets. **Below from left:** The wind made docking interesting at the pier, **center:** Julie and Susan Clayton prepared for the post tour, while Chrissy and the Commodore relaxed on the Schmitendorf deck during the Post Tour.

Memorial for Jim McKinnon, August 27th, 5-8pm at the LBYC

Jim McKinnon's family is planning a memorial open house at the LBYC, from 5-8 pm, on Thursday, August 27th. The 27th is a men's tennis night in honor of Jim's contribution and love for that event. At 6:30, anyone who would like to remember Jim publicly with a memory, story or joke may grab the microphone. Light appetizers will be served and those who like martinis are welcome to bring their own glass to fill with his beloved

Tanqueray martini for a special toast to Jim. Many knew Jim fought hard against heart disease for almost half of his life. He credited skilled doctors and surgeons for extending his life for many of those important years. Last fall he had a left ventricular assist device implanted to take over the pumping of the ventricle. Should you wish to donate in his memory, in lieu of gifts or flowers, please consider the Cardiac Research team at St. Luke's

Medical Center:
ASLMC - Cardiac Research Fund
Aurora Health Care Foundation
