Commodore's Comments:

This past week the social scene continued on the water with a fun Flotilla Party, hosted by the Wisers. Thanks Gail and Dick! As you can see from the photo, it was a fun time. This weekend the MC action moves to Upper Lake, followed by the MC Fleet Party hosted by the Dorns. Steve Rotier has been sighted practicing on Upper Lake. He has stated that he intends to uphold the honor for all of us who live on Upper Lake! Good luck to all!

Also remember our Wednesday night cookouts are still going strong. Mark your calendar to be at the club each Wednesday in August. The meals are a great value and the company is even better.

The only thing hotter than the weather has been our X sailors. The results have been outstanding. Sailors, parents and LBSS Instructors have represented Lake Beulah well, on and off the water. Thank you and Congratulations! I'd like to thank all our volunteer race officials. Led by Vice-Commodore, Julie Haeger, your work has been outstanding!

Thank you to all who have already given to the LBSS Lease Fund Drive. This is a Win/Win lease agreement for both organizations! Please give this your most serious consideration.

Great sailing, Great parties and Great friends; Lake Beulah is the place to be!

Jay Hiller

Come out and watch the races!

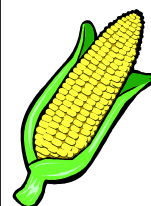

It's fun and so beautiful!

Commodore's Ball Promises a Fun Evening

Please join us in honoring Jay Hiller on August 20 at the Club. Invitations have been sent, but we forgot to mention a few things! **Children and young adults are invited** – \$17 for ages 12 and under. **Suggested dress is cocktail attire.**

We are looking forward to seeing everyone there!
Please send your RSVP to Julie Haeger by August 12.

Commodore question? What year did our fearless leader win a race at C Nationals on the same day as his birthday?

FROM THE SAILING COMMODORE

It's been an eventful summer of sailing thus far but it seems like feast or famine with the wind. Our PRO's, people on the Chase boat, and Signal boat teams have done a great job of being timely and making good decisions. This in turn helps the Sailing Commodore's job look easy! Thank you to all who have volunteered your time.

Our youth have been busy. GLSS X had Beulah in the spotlight. Charlie Kutschenreuter and Alex Keck in the B-16 took top honors followed by B-66 in 6th, B-11 in 9th, B-60 in 10th out of the 48 boat fleet. Next they brought their Optis and Lasers to **GLSS Dinghyfest**. In the Opti fleet, Alex Bischoff finished 3rd, John Barr 5th, Alex Keck 8th, and Patrick Schmidt 9th. The C's were in Fond du Lac for the **C Invite** where our own Commodore in the B-88 finished 3rd, the B-333 was fourth, B-22 fifth, and the B-12 finished 11th. Mary Claire Kiernan and Kate Klement and Teresa Westin sailed 420's in at the **Ida Lewis Regatta** in New Jersey and 420 Nationals which were held in Chicago. The girls made Beulah proud and gained valuable experi-

ence in some trying conditions. Off the X's went again to Oshkosh to the **X-treme regatta**. George Kiernan and Eric Komas in the B-21 took top honors here, followed by the B-19 in third, the B-6 in fifth, and the B-7 in 9th. John Barr with crew Gabe DiBiase won their first race! Without time to breathe, the brave X parents were off to **Nagawicka for the WYA**. The wind was light but Beulah was proud once again with the finishes of our young fleet. The B-6 was second, B-16 finished third, B-11 was forth, and the B-19 was fifth. Both the B-1 and the B-6 won races. The X's will finish up their regatta season in **Clear Lake Iowa at the Inland**. Good luck and congratulations to all who have traveled to represent our club at these events.

This coming weekend, **the MC's have their Upper Lake regatta on Saturday**. Tom Atkinson will judge this fun three race event. If you get a chance, visit the action. It should prove to be fun!

The Chase boat is still a work in progress. Please remember to use radios to alert the Chase boat if a boat is in need of assistance. Also, after using the Chase boat on Satur-

day or Sunday evenings, please be sure to put the keys into the lock box of keys on the pontoon boat. This makes it easy for the next user to have easy access to them. Also, please be mindful to respect the space between piers and rafts when sailing.

Enclosed in this issue of the Main-sheet, is a **DRAFT of the family sail numbers**. This draft was compiled through records in the yearbooks (thank you Bill Hudson!). Please look over this draft and call or email with any comments as soon as possible. The end of the sailing season is a busy time for all of us. Please plan ahead and get those trophies engraved and polished up as soon as possible! **You can drop off polished trophies** either in the office (not the Sailing School room) or at my house when they're ready. Enjoy the rest of the season! **Sail smart, sail fast!**

Julie Haeger

It's Luffable - Opti Observations

At the **ILYA No Tears** regatta a little girl was 40 yards from the finish line when the wind died. She was heard asking the obvious, "Can I use my paddle?" Another competitor was seen actually paddling with her hands! That's solving the problem, girls!

Jonah Boykin's mom, Julie, was watching him sail and said, "I know there's something wrong with Jonah's boat." Andrea Jarecki assured her that his sail looked good and he was fine. No sooner had she said it when Jonah immediately tipped over. The two mom's couldn't help but laugh hysterically! Due to the 2 mph winds, Jonah was back up so fast that he didn't even lose a boat. Kids are so funny.

Still time to rsvp for the MC Fleet Party at Dorn's \$15 Sunday, July 31st, 5pm Call Mitzi 642-7499 Pro/Signal teams invited too!

Ashley Mueller was proud of her black eye at the July 20th Cookout. The Green Fleeter said that she got hit with the boom, but she didn't care! She couldn't wait to go back out there the next day. Go for it!

Smiling at No Tears

Reported by Andrea Jarecki and
edited by Joe Skotarzak

Monday, July 25th, was the annual ILYA No Tears event, where the greenest of the Green Fleeters get some regatta experience. This year Beaver Lake hosted the event and there were almost a hundred twerps up there rockin' their optis. The group gets divided and on the Senior course there were 35 or so boats, while the Junior fleet had around 44!

All in all everything went great. Beulah brought it strong with five young'uns making the trek – we had a full house of A's full of J's – Annie Berg and the "Auger" and newcomer Alex Rietz plus Jada and Jonah Boykin! Sunday evening post-race they loaded up their yots

onto the LBSS trailer for the early Monday trip north. George Kutsch was on hand to coach and help both racers and parents through the day as well as with the unloading and loading. Over on the Senior course a total of three races were sailed and Jada finished 5th overall! The Junior side had the other four Beulah boats and there was much excitement! Especially in Race 2, which the Auger took the bullet for! **Augie Jarecki ended up in 6th overall while Annie Berg got 10th!** Alex, in his first-ever regatta experience, and Jonah both had moments of brilliance and finished just back. All in all a very successful day – as one of the Beulah adults was heard to mention "Gratifying to see that they did well, even though they look relatively clueless sometimes on the home lake." Nice work, kids!

Socially Speaking

Wednesday nights are up to 130+. It's amazing to see what folks cook up and how happy our volunteers serve. Can't wait for the first corn of the year! Someone will tackle it.

Wednesday nights go through the end of August with **our final Football Cookout** which is always the annual Hardy Will birthday party. Get your Packer/Bears gear ready and be sure to tell Atkinson how to make his hot-dogs – ketchup or mustard, pickles or cucumbers. It's not authentic unless you eat an Atkinson dog. Try it his way – it's great!

Youth nights resume August 4.

Thanks in advance to the Mikacich and Komas family.

We have a rental August 6th and then we gear up with three weekends in a

row. **The Musical Potluck on Aug 13th** will require reservations via email or a phone call to Nancy Roble. The potluck will be catered now. We are keeping the potluck name but come empty handed and we will supply the food. Did you know "potluckers" used to bring their own silverware and dinnerware in the old clubhouse? There was nothing like all the homemade goods – enjoy the chicken casserole, salad, bread and dessert. Add the musical stylings of Don Franzene and Milt Haeger– what could be better?

The **Commodore's Ball** invitations are out. The caterer is Heaven City and they promise a great meal. I wouldn't want to be Goober on August 20th. His best (?) friends have been planning his roast for months. Seems

they have a lot of material. The Ball is at the club, so join us for a nice event.

The **Taco buffet** will be a new event for us. More on that next Mainsheet.

Thanks for your support. I hate to say, "Drink up!" but that pesky Board seems to think we need to make some money at the bar. The wine selections are plentiful this year. Thanks to Joe Sko for his many hours of work at the bar. He makes it fun to be there. Join him.

Oshkosh X-treme

by George Kiernan

Twelve X boat teams represented LBYC at Lake Winnebago on July 18 and July 19 for the annual Oshkosh X-treme Regatta. **The first race of the regatta brought strong winds and Riley Schmidt/Sarah Kubicek took the race bullet followed in second by George Kiernan/Eric Komas (see photo above),** third by Scott/Erin Sullivan and fourth by Cullen Barr/

John Berg. In the second race, B-66 and the B-21 battled for the lead the whole race but then on the last leg of the race they lost the win at to A-169 Alie Rusher who took the bullet and the best Beulah boat in that race was Michael/Brigit Barr finishing in 5th followed by George Kiernan/ Eric Komas in 7th. The 3rd and final race of the day was won by no other than John Barr/Gabe Dibiasis.

For Gabe it was a great way to cap off his inaugural season in the X fleet. Other top finishes in the 3rd race included George Kiernan/Eric Komas in 3rd and Riley Schmidt/Sarah Kubicek in 4th. After a long hot day sailing the competitors were ready for the Casino Night Party. The party was fun and everyone left the party at its conclusion exhausted after the long hot day.

The second day of the regatta was a day of scorching heat and no wind. The judges were very wise and very kind and kept the fleet on the shore until it was determined that there was no choice but to sound the three long horns. Beulah showed strong at the regatta with George Kiernan/Eric Komas winning the X-treme, Scott/Erin Sullivan 3rd place, Cullen Barr/John Berg 5th place, and Riley Schmidt/ Sarah Kubicek, 9th place to round out Beulah in the top ten.

Swarm of “B’s” take WYA at Nagawicka

By Joe Sko

The WYA X regatta on the July 22-24th weekend had 64 participants from the various lakes including a dozen or so from Beulah. The forecast was pretty crummy but Saturday dawned beautiful with nice breezes on Nagawicka. The group assembled and away they went! Like a thoroughbred favorite making the way to the rail at the Kentucky Derby, MC (Mary Claire Kiernan) and Nora started clean and fast and worked the middle and made it to the lead by the top mark. From there they sailed nothing short of brilliantly the rest of the way, as they pulled away and extended their lead at each rounding. It was truly a thing of beauty and they won the first race going away. A slew of other Beulah boats in the top group as well. Race two started shortly thereafter and, squarely in the ‘apple doesn’t fall far from the tree’ department, Cullen Barr with John Berg aboard was almost all

alone down the far port end of the line. Sure enough, off they went like launched out of a cannon! There was some wrangling back and forth until B-6 took full control on a subsequent beat and pulled away for a serious horizon job to take another Beulah bullet! Showing that almost anything she can do he can do almost as well, brother, George Kiernan and Charlie Kutschenreuter put on a highly spirited duel to the finish for 3rd place, with 16 crossing the line just feet ahead of the 21 with Scott Sullivan and Olivia just behind them. In for lunch, and that ended up being all the sailing that there was to be done on Saturday. At the end of the day Charlie and Alex led the fleet by virtue of their 6-3 consistency as the fleet was a bit all over the map. Sunday morning, one race was completed and it ended up being more than just a little bit crapshootish, and some kid from Okauchee snuck in to take the title. That kid was followed in order by a swarm of B’s – **6 then 16 (who tied for 2nd) and 11 and 19**

(who tied for fourth, with Andrea and Darby showing the power of girls in taking the tiebreaker after finishing the last race 3rd, and also taking the Top Female award). Four out of the top five, with a slew of other good race finishes. All in all a fine Beulah showing!

Exciting 420 Sailing

By Jeff Hudson

Earlier this month, four Beulah belles set out to compete with trapeze and spinnakers in two National Club 420 regattas. First up was the **U.S. Junior Women's Double-handed Championship for the Ida Lewis Trophy** hosted by Mantoloking Yacht Club and Bay Head Yacht Club in New Jersey. Despite strong 15 to 20 knot winds, **Mary Claire Kiernan and Olivia Healy fought to finish 15th overall**

out of 40 teams. Kate Klement and Teresa Westin finished 18th. High-light race of the event was **race 4 in which Mary Claire and Kate finished 3rd and 4th, respectively.** Isabella Loosbrock / Madeleine Loosbrock of Minnetonka finished 10th overall, Addy Ferguson / Hayley Jewett of Minnetonka finished 11th, and Leslie Poole/ Elizabeth Foulston of Lake Geneva finished 25th. The regatta was won by Sarah Williams and Ali Blumenthal from the host yacht club in New Jersey and members of I-420 Team USA.

The following weekend, the ladies travelled to Wilmette, Illinois to compete in the **Club 420 Nationals** hosted by Sheridan Shore Yacht Club. Despite sailing against seventy one teams over three of the hottest day of the summer, the ladies represented our club well. **Kiernan/Healy finished 37th while Klement/Westin finished 52nd.** Next up for Kiernan and Healy is a return to X boats, but the future is bright for our Club 420 sailors.

What a delightful Generations Luncheon! Something for everyone - age appropriate goodie bags for the children, a drawing for just attending, light hearted fashions with child models stealing the show, and a delicious "home cooked" meal. THANK YOU to Maryellen Heckman and Susan Brown. Thanks, too, to Carolyn Becker for the fresh flower centerpieces.

Congratulations to Jean Maiwald, winner of the **Quilt Raffle**. Proceeds for the Sailing School are \$645.

Our season's end **Business Meeting** fast approaches on Tuesday, August 14th at 10:00 am, with refreshments at 9:30. There will be elections and other issues to be decided, so it is important for members to

attend.

History on a boat sounds like fun to me. Please note that August 18th is a Thursday. I goofed in a previous message.

Dates to remember:

Fri., Aug. 5 Golf Outing
Wed., Aug. 10 Bake Sale
Thurs., Aug. 11 Noon Social
Tues., Aug. 16 Business Meeting
Thurs., Aug. 18 Fall Tour
Thurs., Aug. 25 Noon Social

Hope your summer is proving to be a fun one.

Milwaukee River Historical Outing

The Sidestays are planning an outing that features a boat ride on the Milwaukee River. Mark your calendar as Thursday, August 18th, is the date. A Milwaukee historian will narrate how the river helped in the development of the city. More details will follow in the next Mainsheet, but if you are interested please call Karen Mueller at 642-7172 to reserve your spot. Those who signed up at the Sidestays meeting in June will be contacted by phone. Hope to see you.

Why not LBYC emails to each family member?

Wondering what to do about all these emails you receive from the club? The website works best when an email address is listed for each member. All members, children included, have an individual profile. To exclude your children from receiving the emails, go to your individual profile and unclick the box designating email receipts. **DO NOT ERASE THE EMAIL ADDRESS.** The program generates labels for the Mainsheet based on those who do not have an email listing. Fortunately there are only 5 of you without email. If this all sounds too complicated, just email Candace and she will delete the ability to receive emails for your children.
