July 4th Pancake Breakfast
\$6 for all
8 a.m.—10 a.m.

Kids carnival (egg
toss...) at 10 a.m.
FREE

Commodore's Comments:

Regatta season is in full swing. Congratulations to our C sailors for such an impressive showing at Nationals. This past week we had the LBSS Opti Regatta and our X sailors were over at Pine for the Trap Regatta. Thank you to all the parents, grandparents and friends who make the Opti event special.

Of course our major event this year is the MC ILYA Invite coming up this week, Thursday through Sunday. We are anticipating a great turnout so we will need all hands on deck. If you haven't already spoken with Chairman Al Haeger and Bridgette Bonifield; call them today and let them know when you can help out!

Socially speaking, I've enjoyed the culinary skills of our members each Wednesday night this season. The only thing better than the food has been the company. The Sock-hop was a blast from the past; Pat and Greg Thomas and their committee really made it fun! Thank you to all of our social committees for all of your hard work.

Things just keep going at our club. This weekend we have the C-fleet party Saturday, Fireworks on the lake Sunday and the Pancake breakfast, Kid's Carnival and Poor Boats race on Monday. There is no better place to be in the summer than Lake Beulah!

Your club is in the sound hands of an able board. It is extremely important for us to get the long term lease done with the Sailing School. This has been the primary goal of your board this year. Achievement of this lease will give us financial stability for years to come. By now, everyone has received a letter from the Sailing School asking for your financial support. This lease is a Win/Win for both parties. Please give strong consideration to supporting the Sailing School to insure the financial future of both organizations!

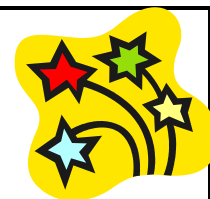

In closing, Karin and I wish everyone a wonderful Fourth of July holiday.

Jay Hiller

FIREWORKS ON BEULAH

Please join the Lake Beulah Fireworks Committee in celebrating the 4th of July with a fireworks display off Buck Island at dusk on Sunday, July 3rd (rain date the 4th). A suggested donation of \$20 or more is appreciated but any and all contributions are gratefully accepted. We hope you enjoy the show!

Make checks out to Lake Beulah Fireworks, send to P. O. Box 528, East Troy, WI 53120

Do you know your Commodore? What is Commodore Jay Hiller's nickname and why? Answer on back page.

FROM THE SAILING COMMODORE

This week brought the LBSS Opti regatta and then the X boats were off to Pine Lake for the Trap - and so the regatta season begins! The MC Invite on Beulah starts on July 8th and it should be a great event. Please be sure to contact **Al Haeger** and **Bridgette Bonefield** if you'd like to help out! I'm sure any and all volunteers would be appreciated.

Racing on Beulah remains as competitive as ever. With over 16 X's and C's on the line, the racing area gets crowded. Please be sure keep a sharp eye out for each other - the Chase boat doesn't want too much business this season! Please remember that the Chase boat is being lent to LBYC from LBSS. With that in mind, please be sure to leave it tidy after each use. After the Opti/Laser races on Saturday and Sunday, ***please leave the Chase boat keys in the key lock box on the pontoon boat.*** This enables the Chase boat

on Sunday easy access without going into the Club Sunday morning and Sailing School Instructors access to their keys on Monday morning. Also, although it is very tempting to use your own boat, please use the one provided. This helps identify you to the fleets. And again, if you are unable to make your PRO/Chase/Signal assignment, please find a competent replacement. Feel free to contact me if you're having trouble doing so.

We had no shortage of wind and rain this past week. Thank you to all those who helped get the X boats off the water in a timely manner on Tuesday and to those who assisted others with getting boats/lifts back in order. Poor **Don Franzene** was spotted chain sawing his fourth large tree branch of the season! Who says everything happens in 3's?

Should the need for you to dry sail

your boat at LBYC, please contact me or

Robert Klement

before-hand. At

present, dry sailing is not permitted at LBYC. There are many events coming up at the club in the near future. If you have a trailer, sails, etc. left on the grounds, please be sure to claim them and bring them home. Thanks in advance for keeping our club tidy.

Your comments and suggestions are always welcome and appreciated. Sail fast, sail smart.

Julie Haeger

ATTENTION SAILORS!

Please note and correct the following in the Sailing Instructions: Section IV

3. DNC, DNF and DSQ Scoring

- a). A boat that did not finish (DNF) or was disqualified (DSQ) shall be scored points for one more than the number of boats that come to the starting line.

It **should read** ...the number of boats that are **registered**. Sorry for any misunderstanding.

A Traveling Gnome recently landed on a raft floating in front of Atkinsons.

Don't know who, don't know why, don't know when, but watch for it around Lake Beulah.

Maybe the Traveling Gnome will land on your property. Hope he brings us good luck!

Signal Boat & Pro Schedule **** Serves as PRO & Chase Boat**

Pals reunite on June 11th. Nan Norris, Gan Haeger and Gretchen Oster—direct from warm and sunny Florida.

Jeff Lippert, in the Chase boat, lifts Chris Kubiczek's mast after Chris gave his new boat a bath on June 12th.

Check the LBYC website for historical photos and Yearbook covers on the Photo Page List. We are still missing one cover from year 1957. If you have this yearbook, please contact Jeff Hudson. Thanks to Jim Phillips for the '82 and '86 covers!

Socially Speaking

by Candace Porter

The year is going well with a couple rentals which have helped with the revenue. We now are carrying four red wines and four white wines since most of our business is wine, wine, wine! The house favorite is the **Hardy Will's Bixler**. We are fortunate to be able to serve this to our members since it is primarily a California wine. In addition, we have a more costly Malbec, a Merlot and a Cabernet. The white wines are our standard Pinot Grigio, a new Italian fruity, sweeter selection which is the hottest seller in Milwaukee now, the JLoehr Chardonnay and a new Savignon blanc. The Board of Directors did not raise the bar prices this season and the social chair has selected a better quality set of wines this season due to early summer sale pricing. We are also purchasing much more which gives us a better price. Be sure and try a new offering.

There is a rule that children may not be in the bar area unaccompanied. We can return to locking the doors at all times but this has rarely been a problem so remind your children that they should not be in the bar. As an aside,

WI state statutes allow minors to drink in the presence of a parent but the LBYC policy has chosen to override this and maintain a strict 21 year age policy. Thanks for your understanding. The bar area will be used by the Sidestays for meetings and noon luncheons during the weekdays. Committee meetings are always welcome in the bar area during sailing school.

Now on to the fun – **Pancake Breakfast** is a tradition. The committee makes over 600 pancakes so come on over. Flapjacks and the fixins' are on the menu. The **children's carnival** this year will feature a return to games and prizes for the little tykes. The traditional egg toss rules the day. Get your partner now!!! No practicing allowed. The price is \$6 a plate for adults and children. There is **no cost for the kids carnival**. The game prizes make up for the smaller portions the kids will eat so enjoy a fun day showing off the grandchildren, entertaining your July 4th visitors.

Wednesday Night cookouts run all month with no break midmonth where

the Float Boat Tour used to be. This has stretched us all a little thin this year.

We have an opening on the committee for July 6th. If you can trade for something later in the season, call the Gagliolis for an exchange.

The **C fleet party** is July 1st. Come to the club tonight for burgers with all the trimmings. **July 3rd** come to the club for a drink before you go out for the **fireworks**.

The **MC Invite** takes over the club on Thursday. You are all invited to both the Friday night and Saturday night dinners. Friday night is \$10 and Saturday is \$15 for the regatta steak fry.

The clubhouse is open for one week-end to give us all a break. If you want to throw a party, just contact us.

Ice Burglar on the Loose

Last year some fishermen discovered our ice chest behind the club.

Please keep ice chest locked!

The key is located at the bar. You will need the key to open and lock the ice chest.

C-Nationals

from Joe Skotarzak

The C Nationals returned this year to Frankie D's alma mater, Culver Academy on the shores of Lake Maxin-cuckee in Culver, IN. Beulah brought it strong once again, with 11 out of the 60 boats flying B's on their sails. The group assembled Thursday afternoon and evening and got ready to race. Friday morning dawned beautiful and sunny! A great day! For water skiing... Alas no breeze to be had, so the group assembled and the bonding continued. After a layabout and some lunch and a fleet meeting, we headed for the water as the breeze was coming. It filled in just enough to get a race started, and off we went. The B-fleet was well-represented in the front of the fleet from the get go, and stayed there even though the fleet flip-flopped a couple times during the race. The 18 and 217 teams were in the front pack the whole race, and got to the left side for the final sprint to the finish. The 18 tacked first and the 217 continued a bit further before following. It came left and more left and the 217 rode it to victory in race one. Brian was heard to utter sighs of relief that Kevin wasn't there, as Kevin hates it when Brian tacks short of the shift... That was all the racing for Friday, as the fleet retired to the wilds of Culver for more bonding. Saturday brought two more races and your faithful correspondent would love to be able to tell you what happened, but, alas, we were stuck so far back in the soup all day that we have no real idea... I can tell you that two races got sailed, and it was a nice day in Indiana! Ask one of the sailors that did well and they can probably tell you all about it – Will and Kent Haeger, Brian Brickler, they were all in the mix and solidly in the top 10 going into Sunday. The Porter Cup was being battled out in the mid-teens. Sunday dawned with hopes of two more races to come. The first one started and B-45 with Ben Porter steering and Peter Keck crewing got off to a great start and led the fleet around the entire course! Until the very finish when a last-ditch shift allowed an interloper from Minnetonka to come across the line first... The final race showed the 217 back into the front group, matching tacks with Andy Burdick on the first beat before falling back a bit but staying in the top 5. Will and Brad kept on charging through the race, passing the 217 on the last beat to finish 3rd in the race. With that, Master William pulled into a tie with Papa Kent, from whence the young buck took the Haeger Cup by virtue of winning the tie-breaker. That also pushed 217 back into a tie for the Porter Cup with 45, which they won on the tie-breaker! In the final analysis Andy Burdick won another Nationals title, while Beulah filled out the top 10 nicely with places 4, 5, 6, 9 and 10. Please check WWW.LBYC.US for full results, as well as for a link to a very cool video recap of the event.

LBSS OPTI

Monday brought 65 optis to Beulah – 33 on the RWB side and 32 more twerps on the Green course. Nancy Schmidt brought the whole thing off without a hitch, she even managed to divert the storms that were predicted, so that we were able to get in a full day of high-quality opti racing! She had a ton of help on shore from many of the usual suspects, starting early with registration with all the X boaters helping to launch opts, and continuing through the lunch operation – man, those kids sure do love the portable tacos! – and right up until the very end at about 6pm when Cullen was heard to proclaim himself “vacuum man” while the cleanup was being completed. Definitely a great time was had by all! Out on the water, PRO Kent Haeger assembled a couple of crack teams to handle the racing. On the RWB side, Randy and Michael and Neil had the flagship going strong. There were three races before lunch, and another two after. Beulah represented well, with AlecB, PatrickS, JohnB and AlexK rounding out the top five following some kid from Nagawicka. In addition, Alec, Patrick and Alex all won individual races! ErinS was 9th and JohnB, CarolineS and AnnieCS were all in the top 20, with both Erin and Caroline getting knocked substantially back by taking on a little too much water in the high winds during the afternoon. Thought it must be said that only Caroline used her mast to try and dig some fresh-water clams out of the bottom of the lake... The sailin' cousins Brigit and Nora darn near tied for 22nd and JadenB was in there as well! Over on the Green course we had some boy power, as JonahB and AugieJ represented, plus AnnieB. Kate and Elle kept the kids rocking, and got off five races before lunch!! Two more after and it was a good and long day for the little ones, especially as the wind kicked up and blew pretty hard! All three of our green demons had moments of brilliance, top 10 finishes with AnnieB topping it with a 3rd in the last race before lunch. In the final analysis they were all mid-fleet. After racing and pull-out, there were candy giveaways and raffles, and trophies for the winners! A very good day! A huge thanks to everyone that helped pull off a great event!

Sidestays' Corner

From the President

Summer is finally in full swing. The Sidestays General Meeting brought us up to date on planned events; the sign-up to hostess a **Noon Social**, all the wonderful plans for the **Generations Luncheon (Friday, July 22)**, the hope that non-golfers will join the golfers for dinner at the **Golf Outing (Friday, August 5)**, and plans for an **historic boat ride on the Milwaukee River (Friday, August 18)**. Now all that's left to do is come and have fun!

Those who were able to stay after the meeting were treated to a variety of delicious salads and desserts.

Thank you, Board members.

This year we are having several bake sales to hopefully raise some funds and to satisfy some "sweet tooths". The first one is June 29, during the Wednesday Night Cookout. If you can bake, please do, and encourage others to buy. Call Sandy Rotier with questions (642-9733).

Editor's Note

The next issue comes out on Friday, July 15th, delivered to your door or available on the website at lbyc.us **The next deadline in Sunday, July 10th. Carol Stein returns to the editorship so please send articles and photos to her at**

dcstein@wi.rr.com

A huge thank you to Peggy Krueger for putting out a fine newsletter.

Kudos to **Penny Clayton** and **Pat Jarecki** for mailing and **Kathy Will** for organizing the delivery.

Thank You Thank You!

The **Jarecki** family would like to thank the **Bergs** and the rest of the Trivia night crew for an outstanding evening of food, trivia, and fun. Although team E. Coli did not win, it was a spectacular night.

Secondly, we would like to thank all the LBSS instructors and parent volunteers for working the LBSS Opti regatta this past Monday. **Augie** is eager to participate in another one soon. Thank you!

Commodore Answer

A: "Goober" because when he was born his mother thought he was just the cutest "little Goober!" Awww.

REMEMBER

Buying "The Marge Harvey" quilt raffle tickets supports our Lake Beulah Sailing School. On sale NOW at the Sidestays Shoppe!!!

SAVE THE DATE!

On Saturday, August 20th, we will be honoring **Commodore Hiller's** service to the Lake Beulah Yacht Club. The event should prove very entertaining so mark your calendar and join in the celebration! Dinner will be catered by Heaven City and your committee has conjured up some not-to-be missed entertainment! More reservation information will be in the next issue of the Mainsheet.
