

## Commodore's Comments

This Mainsheet is chock full of regatta recaps and the best part is that the majority are from our new Junior Reporters a great concept brought to you by Sailing Commodore Tim Lange. Please make sure to thank all the kids who step up to contribute throughout the summer. Their articles can be found in the Mainsheet and on the website NEWS section. While you're reading their submissions consider if you have something to share with the club or would like to recap a regatta or event as well. Submissions are more than welcome from any member and can be emailed to me directly [vickiclayton8@gmail.com](mailto:vickiclayton8@gmail.com).

After you read those regatta recaps I'm sure you'll feel even more compelled to support the LBSS by attending the LBSS fundraiser on July 15th! If the event isn't your thing, consider donating experiences, goods or services to the auction portion of the event, or giving a monetary donation to the sailing school.

I hope you all were able to enjoy the past holiday weekend with family and friends. The fireworks on Lake Beulah are one of the highlights of summer and some of my fondest memories.

I'll see you on the water and around the club!

# From the Sailing Commodore

As all are aware we are in the middle of summer AND sailing season! I know it's been a struggle to get races off whether it be at regatta's or on Beulah with the lack of wind. However as I write this I am in Nieuwpoort, Belgium watching Mia Brandt and Avery Keane sail their Opti's. They seem to not have a wind problem with 20-25 knots and 4-6' swells to sail in.

The kids are in the middle of regatta season with the X-Boats kicking off 2 weeks ago at TRAP and senior fleet was first off with 3 boats in the top 10 with Alex Mueller (two time champion) and Penny Keane placing 4th followed by Christian Connor and Crosby Brickler in 5th and Elise Brandt and George Lillwitz in 8th. Then we had Opti's at the LBSS Regatta where Mason Keane took the honors and won all four races! Great job MASON! Adele Brickler followed in 10th place. In the Green Fleet Fred Skotartzak took honors as top Beulah boat with a 7th

place finish followed by Silas Kehl in 10th! Finally we closed out the season with the Quad Lakes Regatta on Beulah and again it was a tough wind regatta but the fabulous race committee was able to get 2 races off on Friday and we had two Beulah boats in a three way tie for first. Unfortunately, we didn't get the tie breaker but Chandler Jarecki and Nick Byrnes took second place followed by Hailey Greeson and Matthew's Ward. Beulah also had Alex Mueller and Penny Keane in 5th with Elise Brandt and George Lillwitz in 8th.

As we move forward, I along with Brigit Barr will be trying to get regatta reports from the kids. Mia Brandt was nominated for writing about TRAP, Mason Keane was nominated to write about LBSS regatta and Hailey Greeson covered Quads, find their articles on the following pages.

Thanks and sail fast!

- Tim Lange

## The C Invite is coming home to Beulah this year on July 22nd and 23rd!

It's going to be an awesome event, specifically because of our wonderful LBYC volunteers. We are still looking for **people to help with running taxis** out to boats, and we need a **driver to pick up one of the lunches**. If you're interested, please reach out to **Caroline Skotartzak** and thank you in advance.

But the most important task is to **A) register your boat** for the event and **B) tell all your friends** to do the same!

There will be a dinner on Saturday night that all members are welcome to join in the camaraderie. Looking forward to seeing you all there.

**REGATTA REGISTRATION**  
LATE FEE BEGINS 7/8

**DINNER ONLY**  
PLEASE REGISTER BY JULY 15

# TRAP Recap

The TRAP regatta hosted at Pine was a thriller this year, most of the Beulah boats had a lot of fun and did very well. The regatta had been 3 days long, splitting Senior and the junior feet on midday Thursday. My name is Mia Brandt. I sail the B-125 with Kyle Conner, and we sailed the junior fleet TRAP. We had won this regatta by only one point, isn't that crazy? The person in second place was a friend of mine that I sail Opti's with in the winter, Carson Boemer, from Cedar Lake.

The regatta generally had pretty decent winds, on the end of the day Thursday I would say it was about 8-10 mph with pretty good puffs, sometimes it would die down a lot. On Friday, there had been similar wind to the previous day but in the end, it kept dying a lot that the race committee had to cancel the last race, mid-race. Many people had done well from Beulah, Avery Keane, and Bree Brynes got 5th place, Hailey Greeson and Matthew Ward got 6th place, Mason Keane and Delaney Hill got 8th place, Mason also won the award for best first-year skipper on the race course, then Colin Conner and Ben Seaverson in 11th place.

After that there were so many other boats that did very well, some of them won awards, like Morgan Seaverson and Luke Nowak got a sportsmanship award which, some might say is better than a ranking trophy. In all, this year's TRAP regatta was a great start to the year for the Beulah Boats.

The 2023 summer is going to be a great Beulah summer.

# LBSS Opti Regatta Recap

The conditions for the LBSS Regatta were unusual for Lake Beulah with heavy winds with puffs up to 25 miles per hour. Because of this there were even some chop and waves. This made for a really fun regatta. There were four races with building wind through all of them. The direction was perfect for courses to use the longest part of the big lake. The camp near the windward mark saw the breeze and came out too making the windward mark roundings extra exciting as usual. The race committee did a great job getting in lots of good races.

Beulah had five boats in the top fifteen (RWB) for a great showing – Mason Keane (1), Adele Brickler (10), Ben Seaverson (11), Bree Byrnes (13) and Hailey Greeson (15).

Thank you to everyone involved to make this an awesome event.

Green Fleet Beulah results: Fred Skotarzak (7), Silas Kehl (10), Penny Keane (18), Charlie Lillwitz (25)

# Quad Lakes Regatta Recap

The Quads regatta was a very well put together regatta. On the first day of racing, there was no wind on the water. We played the volley ball tournament, which Beulah won. The second day, there was a light, steady breeze. We ended up doing two races after a short postpone and an abandoned race. Overall, the Quads regatta was very fun, and Beulah placed 4 boats in the top 10. Thank you to all the volunteers who helped make it a success.

# House & Grounds

by: Greg Thomas

## Volleyball Court

Court boundary lines were purchased for the Volleyball Court in preparation for the Quad regatta Volleyball games. These are adjustable 2inch wide boundary lines used by the professional volleyball tour.

Made of heavy duty color fading treated yellow webbing each corner is staked into the ground with a bungee cord adjustable tension connection. The size of the court is also adjustable with mid-line buckle connection.

Assistance in the court layout was offered by Mike Greeson's surveying equipment; professional down to the smallest detail.

## Holding Tanks

The holding tanks were pumped the first morning of the Quad regatta on Thursday, June 29. The first day of the regatta was met with calm conditions. Pumping companies always warn customers of pumping holding tanks the day of an event. Calm conditions enabled the sewer smell to linger rather than dissipating, eventually migrating to lower elevation levels which happened to be Sally's playground and the southeast corner of the building by the grease trap basin. Unfortunately this was one of the main congregating points for the regatta activity.

## MC WI Championship Recap

Our MC sailors at Nationals in Dallas, Christy, Dave, John, and Chris – had such a great time we all decided to meet again at the Wisconsin Champs on Nagawicka. Saturday, Day 1 looked promising enough for our PRO, Chip Mann to send us out. (Un)fortunately, we had enough breeze to get to the north end of the lake, where we bobbed around in wake board wakes until mercifully getting tows back to the club. After a nice broasted chicken lunch, great conversations with fellow sailors – we enjoyed hors d'oeuvres and cocktails to end the day.

Day 2 was a different story. Breeze was 5–20 from the south, clocking 100 degrees right by end of race 3. The game was to get right, hopefully during one of the few lefties of the morning, but mostly deciding when to take the huge header to get back into an even bigger righty. Christie & Dave handled their boats great single-handedly in big breeze, finishing 12th & 9th respectively, John finished just out of the hardware at 6th, and Chris was 4th. We're looking forward to being back at Nag this weekend for the MC Invite.

Registration

We started our weekend with patriotic poses at our July 1st yoga class. We would love for you to join us at one, or both, of our last two classes held on July 29 and August 12 at 8:30AM.

Happy Fourth of July from Marseille, France! We have been here for three weeks preparing for the Olympic Test Event, which starts on July 11th and runs until the 16th. This event is a dress rehearsal for the Olympics and our first opportunity to qualify ourselves for the US Olympic Team if we place on the podium. Similar to the Games, there is only one team per country per class (24 FX's total) and we are stoked to be the USA FX representatives.

Because of the generosity of all the LBYC members, we successfully launched our new boat "Gladys" a few weeks ago. She is super fast and we are so grateful for all of your support to launch this boat in time for this big event!

We are really excited to race next week and hope you will send us some extra positive vibes! Feel free to reach out to us [RobleSheaSailing@gmail.com](mailto:RobleSheaSailing@gmail.com) and please follow along on US Sailing Team social media channels.
