LBSS Fundraiser July 9th 2022

For all the latest news and updated scheduling, visit www.lbssonline.org

One of the great gifts of my life has been Lake Beulah and the LBSS, and all that come along with it. When I was in LBSS it was a different program in a different world, to be sure; all the same many themes have held true down the decades. Learning the sport and how to compete in it, while making friends that never go away - those things don't go out of style. They were true when I was a student and instructor, they were true when my daughter was same, and I reckon they'll remain true while my youngest makes his way through the Opti and X classes in the coming years. Lo these many years later a good slug of my closest friends are those I met on and around the waters of Lake Beulah - there's no friends like old friends and the only way it can happen is if you sign em' up and start em' young.

COMMODORE'S LETTER

Happy Spring to all our members,

We really can't complain about our mild winter. What a great year for ice boating ! So many of our friends got more rides this year than recent years in the past.

Hopefully we all made the best of our snowy season with skiing, skating, snow shoeing or even getting out of town and going somewhere warm!

Spring is always my favorite season though. Waiting for the ice to thaw. Everyday looking to see if our pier went in. Using every warm weather day to start cleaning and organizing our sailboats and equipment. When I think about it, that has been one of the best things about being on the LBYC Board the past three years, we are getting ready for summer all year long !

Your LBYC Board has been working hard this year to bring all of us an action packed summer of sailing and socializing with all our summer friends.

Vicki Clayton has our sailing calendar set and ready for your review as well as your sailing committee obligations. Sailing Commodore is a time intensive job and we thank Vicki for a job well done.

Lisa Whittet has worked hard with all of you to provide us with a summer full of parties and social events to keep us partying all summer long. I can't imagine how many hour of work this took. Thank you, Lisa!

Peg SanFelippo has done an awesome job of organizing and stocking our bar. I always look forward to the new season's wine choices with all her expertise. Another job that has enormous responsibility and time commitment. Thank you Peg.

Candace Porter has done an amazing job of collecting monies form dues, all of our events, paying the bills and keeping our club fiscally fit. My observations are that this is almost a full time job. Thank you, Candace, for all your time and wisdom.

Andrea Lee does a great job of keeping us all organized with reminders of events and deadlines. Andrea's work and organization with the Board is amazing. Thank you for all your passionate work.

Greg Thomas has our club in tip top shape as he has done for years. Thanks for your all your work to keep things going. We just take this for granted, but it's constant surveillance on Greg's part.

Tim Lange was a great choice to join the Board and contributed so much in even his first year while learning the ropes. Thank you, Tim.

The Brain Trust and experience of Kevin Brickler and Jay Hiller helped so much in different, difficult decisions the board was faced with this year. Thanks so much to both of you.

Neal Klement took over our New Membership Chair position this year and he has been busy! We had a record year of new members join last year, this year looks the same. It's great to see all the interest in our club and all the new friends we will make. It takes a lot of time to organize new membership to our club and I want to thank Neal for a job well done.

It's been a great year working with these board members and I've enjoyed and been enlightened every meeting by them.

Please feel free to call any of your board members with questions or ideas.

I look forward to seeing you on the water and the opening party.

Randy Schmidt Commodore

LAKE BEULAH YACHT CLUB | 2022 YEARBOOK

SIDESTAYS

2022 SIDESTAYS PRESIDENT Bette Grubis

The Sidestays have been in existence for 54 years since its founding as an auxiliary organization in 1968. We don't "stay on the side", but like a sidestay on a sailboat supporting the mast, we support the club and our youth sailors.

Through our fundraisers and "The Shoppe", located inside the clubhouse, we have, through the years contributed to the many needs of the club, with emphasis on the kitchen. In addition, we provide trophies for the Weekday Class X series and fulfill various needs of the sailing school in the form of new sails, boats and equipment.

The Sidestay members also enjoy social opportunities. We have scheduled three popular "Lunch N Learns". These are days to engage in a tasty lunch, listen to a knowledgeable local speaker and above all, friendship. A golf outing is scheduled for Friday, August 5th. If you or your spouse don't golf, you can always join the gang for dinner afterwards.

Thank you to all who have joined the Sidestays and are keeping a great tradition of our Club going.

SOCIAL COMMITTEE DUTIES

Lake Beulah Yacht Club is an all-volunteer club. In keeping with the spirit of volunteerism, members are asked to chair and/or host at least one party each season. The following instructions will ensure that the LBYC Social Events run smoothly, and that the Club is ready for the next event. Please take the time to read them.

COMMITTEES

- A. Each season, social committees are assigned by the LBYC Social Chair and published in the LBYC Yearbook. Committee chairs are responsible for reminding committee members of the upcoming event and organizing the event.
- B. If a member is unable to fulfill his or her social committee assignment, the member has the responsibility to exchange social committee assignments with another LBYC member or find a substitute to serve on the member's assigned committee, and advise the Social Chair of the changes.
- C. The Mainsheet shall be used to notify LBYC members of social events. Each committee is responsible for publicizing their event. Any notices should include a reservations deadline and cost per person and can be done through the Secretary (Andrea Lee).

FINANCIAL

- A. Each committee considering the use of a caterer or entertainment must present a budget to the LBYC Social Chair for approval.
- B. Any contracts or written agreements for a caterer or entertainment must be signed by the Social Chair or his/her designee.
- C. Both caterers and entertainment must submit a W-9 and Certificate of Insurance.
- D. In establishing the price for a major social event, please include a profit of at least \$5 per person for weekend events.
- E. Wednesday Night cookouts do not have a fixed price. Each committee should plan to make \$4 profit per person. This does NOT include bar profit which is separately accounted.
- F. All LBYC members are expected to reserve online for events, and will be charged upon registration. Member walk ins will be charged the day of the event. Guests may charge (preferable) or use cash upon request.
- G. Reservations and deadlines will be set for events to determine food quantities by the committee/event chair. A cutoff number will be determined by the committee/event chair. Additional reservations may be allowed after the deadline if quantities allow <u>and</u> approved by the committee/ event chair. Late fees will occur for weekend events after the deadline for an additional \$10/pp, and approval of the event chair.
- H. Committee members will be reimbursed by the LBYC Treasurer for any expenses incurred upon submission of the social event Financial Report. Please include receipts for any expenses incurred. The Treasurer will reimburse expenses from receipts. The social event Financial Report Form should be submitted within 24 hours of event. Checks are released from the bank and will arrive approximately one week after entered.

BAR

- A. Bar receipts are kept separate from party income. Bar receipts are not to be considered profit for the event.
- B. A bartender licensed by the Town of East Troy must be on the premises when the bar is open and must remain for the duration of the event. A number of LBYC members are licensed bartenders. Check with the Social Chair for a list of licensed bartenders. Any adult member of LBYC may tend bar.
- C. All alcoholic beverages must be purchased by the LBYC. No alcoholic beverages may be brought into the Club or onto the premises per state statute. No alcohol is to be carried offsite for personal or event use.

RESERVATIONS, REFUNDS & CANCELLATION POLICY

- A. Reservations will be by check or credit card in advance. RSVPs will be online or directly to event chair. There will be no payment onsite. Member invoicing will occur after the event if payment is not made prior.
- B. Each committee may ask the Secretary to contact members by email to encourage attendance.
- C. No refunds shall be given after the reservation deadline. Food purchases are made based on advance reservations.
- D. Cancellation of an event must be approved by the Social Chair.

BEFORE THE EVENT

- A. Check paper supplies, condiments and leftovers in cooler and freezer for possible use.
- B. Contact Social Chair as to any special needs and list items on the dry erase board in the kitchen.
- C. Adjust heating/air conditioning as appropriate.
- D. Decorations may be available at the Club. Please check the storage closets and under the trophy cabinets.

AFTER THE PARTY

- A. Leftover food must be stored, sold, given away, or thrown out. Leftover food must be covered, identified and dated. Please contact the next party if you store food usable for the next occasion.
- B. The Club must be left clean. Clean up instructions are posted in the LBYC kitchen.
- C. Complete the social event report as soon as possible after the event. This form will help the next committee with its planning, especially menus and quantities.
- D. Complete the Financial Report Form within 24 hours as instructed above, under the section "Financial".

All members are scheduled to volunteer for at least one social event. It is often necessary for some of our members to serve multiple events. If a member is unable to serve at the assigned event, it is the member's responsibility to trade with another member for a different event. Subscribing and youth members are not scheduled for social obligations. In addition, those memberships with individuals over 80 years of age as of January 1, 2022 may opt not to be scheduled for social obligations if they request an exemption. Thanks for your participation. The volunteerism of our club membership makes our events successful.

BAR/BEVERAGE POLICY

The service of alcohol in the building and on the grounds of the Lake Beulah Yacht Club is reviewed by the LBYC Board of Directors. LBYC holds a Class B license, which regulates the sale of fermented malt beverages and intoxicating liquor. Please contact us for any special needs.

- All alcohol (which includes beer hereafter) served at the Club shall be purchased by the Social Chair or by the Chair's representative. Alcohol may not be brought into the Club or onto the premises. Alcohol may not be removed from the Club for LBYC-sponsored events away from the Club.
- 2. The price of alcoholic and carbonated beverages served at the Club shall be established annually by the LBYC Board of Directors.
- 3. A bartender holding an operator's license issued by the Town of East Troy must be present at the Club for any events at which any alcoholic beverages are served. On an annual basis, the Social Chair shall compile a list of individuals who will be used to fill bartending duties for club rentals. Bartenders will be assigned and scheduled in advance by the social/rental/bar chair for all events.
- 4. Bartenders will be hired for all rentals using bar service and will be paid by the renter at the rate established by the Board. Refer to the rental policy for further description of rentals. The Social Chair or designee shall

confirm bartender responsibilities before approving the private rental. Multiple bartenders may be required, depending on the size of the event. A club member qualified as a bartender (see Item 3) may volunteer to serve as bartender for a rental function, in which case the bartender fee will be waived.

- 5. No person under 21 years of age shall be served nor issued alcohol by bartenders or other persons.
- 6. Regular inventory and brands shall be determined by the Social Chair. A member/renter may request non-inventory beverages which will be delineated in the rental contract or to the social/bar/rental chair. A four-week lead time is strongly recommended. This policy applies for rentals, private parties or club events. The renter/event chair will specify the quantity to be purchased and the renter/event is responsible for the cost of any excess at the end of the event. Regular bar prices will apply to specialty drinks, or the normal profit margin, whichever is greater.
- 7. All club events (regattas, club social events, rentals) where free or reduced price drinks are offered shall reimburse the bar at regular bar prices.
