Commodore's Corner

It's only fitting that my first piece of business with this article is to thank everyone for the successful Commodore's Ball. Nicole, Jamie, Emily, Jenna and special guest Chef Kaia all came together to make this a Ball to be remembered. We had a great turnout and seeing everyone dressed up was so much fun. If I recall when Clancey and Nicole approached me about doing a Masquerade Ball I was worried (not a fancy dresser) but I totally trusted them to pull it off and it was a huge success. Thank you all!

The GYA winter meeting this year was supposed to be in Gulfport but because of COVID, it became a virtual meeting instead. It went smoothly all things considered and nothing earthshaking was discussed. A motion was made to have the Liptons go from four to five races and lots of discussion around that. Opening Regatta this year is May 13-15 and is in Jackson, MS this year as Gary Rogers is your new GYA Commodore. Because the Annual Meeting was virtual the awards banquet has been rescheduled for the Opening Regatta.

We are having a boat organizing and inventory day this Saturday starting at 1030. The goal is to continue to analyze our water assets and their condition to see what equipment needs to be repaired, replaced or thrown away. As most of you know, we have quite the collection of boats, equipment and sails and Ida did a "52 card pickup" on all of that so now we inventory and organize.

This Sunday, Feb 6th, we are hosting "Every Ribbon Makes a Difference" fund raiser. This is near to our hearts as it benefits Nicole's sister Elizabeth and Joshua Dunham who is one of our wine reps and has been around the club for years. Both are currently being treated for cancer and need our help. Please visit <https://www.eventbrite.com/e/every-ribbon-makes-a-difference-tickets-231857691597> to learn more and purchase your ticket(s).

The following weekend on Saturday the 12th, we will have America's Boating Course in the Regatta Room. Youngsters are encouraged to attend as this is a requirement for people born after Jan 1, 1984 in order to operate motor boats or PWC. Get with Nicole for details and to sign up.

Commodore

If you notice, there's a few housekeeping items ongoing inside the club. First, Past Commodore Tom Jarvis refurbished the shutters in the galley. They look great and should provide better noise cancellation between the Regatta Room and galley. And if you look down the hall towards the office, Hew & Terri Hamilton is re-hanging the Past Commodore pictures. Please thank them both when you see them.

Thank you for your continued support!

Juniors

Omgoodness it's way too cold for this summer girl. 47 days until Spring but who's counting!

I've been a busy Bea on land this month planning the junior sailing schedule, designing the 2022 team uniforms and making sure the boats are ready to hit the water mid March when the season opens.

Team/Parent meeting is on Tues. February 22nd at 6:30pm.

Sail camp is OPEN to all members! Reach out to Nicole to get your kiddos signed up before we open registration to the general public.

Northshore Cup is Sunday March 6th. I need a few volunteers both on and off the water. Please contact me if you can help.

Bea@cdbymamabea.com

Thank you to those that have already signed up.

Big thanks to everyone that bought Super Bowl squares. The junior program appreciates you. I will be emailing the pool out shortly.

It will also be displayed at Pontchartrain.

See y'all around the club,

Membership

Please welcome 3 more new memberships to PYC!

Bryan and Abbie Dunham are military family and have lived in the area for 2 years. Their last home was in Arizona where they were members of Arizona Yacht club. Bryan and Abbie are very familiar with yacht clubs as Bryan was the Vice Commodore and Abbie organized many club events. Their boat, a Catalina 27, is going through repairs but should be ready soon. He wants to get back into racing again. They have 3 children and live in Robert.

Kerry and Regina Bentin, both natives to New Orleans, have retired from California to Claiborne Street in Mandeville. They have a power boat in Orange Beach but want to get back into the boating life here in Mandeville. They are very happy to be back in Louisiana and living so close to the lake. Regina can be seen walking her puppy in the mornings and will be in the Krewe de Pooch next month.

Lastly, Duane Page is from New Orleans and has been living in and around this area for several years. She and her husband were members at SYC but now she is living here full time at Christwood. Duane played bridge at PYC recently and was so taken by our warm, friendly atmosphere and great food that she decided to join. She loves parties and booked her birthday gathering here at the club.

Race

Well, break time is over, we're off to the races in 2022. Winter #1 lived up to its cold name. Windarra II took first place in spin, and Rambunctious first place in non-spin. Winter #2 is February 12. The racing calendar is included in this month's chart, come join the fun.

The Corinthians are planning another educational seminar towards the end of February. Topic is Boat Handling and Docking under Sail and Power and will be in person and via Zoom. Date will be confirmed soon. Another good educational opportunity is the Power Squadron's Boat Safety course, which will be at the club on Saturday February 12. It's an all day course and well worth the nominal fee.

If you have eagle eyes, you will have noticed in the racing calendar that we have scheduled a few fun Wednesday night races starting in March. These will be fun races to get in sailing and race committee practice. We'll have race committee training in March.

This Saturday we have scheduled a workday to go through all our random boat parts, sails, widgets, lines, and Lord-knows-what-else. It's the first of likely a couple workdays to get everything sorted. The goal is to have everything ready and available for the spring so that club members can easily check out boats and go sailing. Lunch will be provided for members lending a hand.

See you at the mark!
