

**Sunday, June 2nd, 2024**

Tune up for Off Soundings at the Early Bird! Experience great racing in the challenging waters of Niantic Bay and Long Island Sound, then put on your flip flops and shades for the awards and **Beach Party** festivities. There will be great music, food and plenty of grog to enhance stories of how well you raced!

**-- Voted Best ECSA Party of 2022 --**

This is the first of two races for the **Pre-Off Soundings Harkness Trophy**. The second is Thames Yacht Club's Commodore's Trophy race in September (also the weekend before Off Soundings). Best combined finishes win!

PHRF Spinnaker, Non-Spinnaker, Short-handed and One-Design classes are invited to race. Classes will be organized at the discretion of the RC with a minimum of 3 boats per class.

**Free Guest Moorings** are available for the race and the week through to Friday of Off Soundings (first-come-first-served).
