2020 BOOK OF MEMORIES

COMMODORE'S MESSAGE

Dear Members,

This is truly a year that we will go down in the annals of our club's history as the 2020 Covid-19 year.

Many plans for weddings, graduations and other wonderful events we were looking forward to have been altered. We have had to learn to live differently and it has led us to not taking our lives for granted. All the things and times that we thought could never change have changed forever. There have been many heartaches and disappointments relating to family gatherings, graduations and weddings but there have also been wonderful innovative ways to share these events like birthday drive by's.

However, that being said we have learned to appreciate the things in life that are important and give us new gratifications.

We now live with a new normal...and we will need to adapt...and we will adapt because we are strong as a nation and as a membership. I realize we are all hopeful of returning to life as we knew it but let's be honest... isn't there some part of our "new normal" that you would like to keep. Have you learned something new...about yourself...or a friend...something that you never saw before because we were just "too busy" enjoying life so we never stopped to see the true thing or person that made us enjoy life...yes...we take things for granted...but now... we have had the time: to stop, look and listen...

I hope you have found a new reason to appreciate what we have today and will have in the future.

Our club will stay strong...and our members will stay safe...after all...Life is worth living.

Stay safe...

Mary, Your Commodore 2020

COMMITTEES

Back when the club was just an idea, we had committees. Without our committees, we wouldn't have gotten off the ground. Ideas float and are discussed, talents are exposed and volunteered, and wonderful working relationships are formed for a united purpose of making the club a better place. The committees are headed by a chair who listens to all, then takes the suggestion to the board for a vote. Our founding fathers set up the bylaws to ensure our club is in keeping with the rules and regulations that apply to a private club, and to this day we abide by them. Our club was founded for the members, by the members.

YACHT CLUB OF SEA ISLE CITY HOUSE RULES

The Yacht Club of Sea Isle City's objective is to provide a friendly, safe and family-oriented atmosphere for our members and their guests to enjoy. The following house rules have been developed to ensure a pleasant experience for all. All members are asked to become familiar with our house rules and inform guests about these rules prior to visiting the club.

Member & Guest Conduct/Responsibility

YCSIC members and their guests are always asked to adhere to commonly accepted rules of polite language and conduct on club premises. If at any time a member or guest becomes loud, offensive, belligerent or antagonistic to another member, guest, or any YCSIC employee, then that member or guest shall be asked to leave the premises upon request by club management or board officer. Misconduct by a member or guest may result in suspension or termination of membership without refund of any fees. Complaints of any nature should be directed to club management or board officer.

Child Conduct/Responsibility

In accordance with our goal of providing a safe family-oriented atmosphere, children must always be supervised by a parent or guardian while on club premises. Due to the risk of injury to the children, members, guests or our staff who are normally carrying large serving trays, running on club premises is strictly prohibited. Rowdy or unaccompanied minors will be asked to return to their parent or guardian, or if inappropriate behavior persists the parent or guardian and child will be asked to leave the premises upon request of club management or board officer. Repeat child misconduct may result in suspension or termination of membership without refund of any fees.

No child may go beyond the bulkhead unless participating in the club's sailing program or supervised by an adult when swimming, fishing or boating. No child may play under the building or in club parking lot at any time. Additional Wednesday Family Night Rules; Due to the large number of children in attendance for Family Nights we ask that all children remain in the main dining room, crow's nest or either deck. Unless arriving or departing the club the ground level parking lot, underneath building and bulkhead area are off limits to children on Wednesday Family Nights even if accompanied by an adult. This additional Family Night rule is in place for the safety of our children. If a child/parent is seen on ground level during Wednesday Family Nights they will be asked by staff, board member, or family night volunteer to proceed back to main dining room or main dining room decks.

When a band or DJ is performing on the crow's nest, Children 12 years of age or younger must be off the crow's nest dance floor by 9pm. No minor under the age of 21 may sit at the bar at any time.

Dress Code

The club promotes a casual atmosphere with a relaxed dress code, we do however rely on members and guests to dress neat in appearance in keeping with the spirit of the club. Men: are required to wear collared shirts and no hats past 5pm, which applies to both floors and decks. If there is a medical reason for wearing a hat, please inform club management upon arrival. Men's tank tops, sleeveless t-shirts or gym shorts are not appropriate attire for the Club. Women: pants, capris, shorts, skirts and dresses are all acceptable attire. No cut offs or bathing suits and cover ups past 5pm. The "no hat" rule also applies to women.

Special events where the dress code is waived (i.e. Eagles games, Philly Sports Night, Halloween) will have a notice in the weekly update or event flyer indicating acceptable attire. If you are unsure of the attire for a special event, please contact the club.

At no time is it acceptable for a member or guest to approach another member or guest about a dress code infraction. Complaints of any nature for dress code infractions should be directed to club management or board officer.

Member & Guest Check-In

All members are required to check-in at the front desk upon entering the club and must swipe their membership card through the computer system. At this time all guests over the age of 21 must be signed in. There is no guest limitation for a member's grandparents, parents, children (and spouses) or grandchildren of any age. However, immediate family of a member are still considered guests and if over 21 must still be signed in at front desk.

Siblings and non-family guests are limited to six (6) visits during a calendar year. Your guests, up to a maximum of nine (9) at any one time (per member), must be signed in by a member at the reception desk and you must remain on the premises at all times while your guests remain at the club. Guests may not sign themselves in and

may not go into the dining room or bars without the member and must present a guest pass if they would like to begin their own tab. A guest pass will be issued only to those guests who will be purchasing food and/or beverage.

Dining Room Reservations

Reservations are accepted for seating in the main dining room and the main dining room decks only. We ask that your party arrive at least 10 minutes prior to your reservation and be ready to sit at the time of your reservation. If not ready 10 minutes after your reservation time you run the risk of forfeiting your table. Seating on the crow's nest and crow's nest decks are on a first-come first-served basis. If you leave without signing a food & beverage(F&B) tab 20% gratuity will automatically be added.

Alcoholic beverages may only be sold and served to members and their documented guests over the age of 21 for immediate consumption on the premises. No package goods may be sold and removed from the grounds and may not be sold to boaters for consumption on their boats.

Smoking

Smoking of any kind is prohibited inside the Club and most decks. There is a designated smoking deck off of the Crow's Nest, and receptacles are placed ground level at the base of each set of steps. Please check the signs for non-smoking areas and discard cigarettes in the receptacles provided.

Parking/Valet

Use of the club parking lot is for members and their guests while visiting the club. Since parking is always at a premium, we encourage members to carpool with their guests whenever possible and/or take advantage of Uber or the jitney service. Vehicles can be left overnight and picked up first thing in the morning. If you plan to leave you vehicle and used valet service, please take you keys before you leave.

IN MEMORIAM

PAST COMMODORE ROCCO L. MARTINO 1929-2020

Rocco L. Martino, affectionately known as “Rocky” to his family and friends, passed away peacefully at home on June 29, 2020, at the age of 91.

Rocky and Barbara, his wife of nearly 59 years, together served the Yacht Club of Sea Isle City for over 50 years. Rocky was Commodore in 1974 and remained an active voice on the Board of Trustees for many years afterward. He attended every club flag raising ceremony through 2019 and could be seen helping to raise the flag as a senior Past Commodore in recent years.

His four sons, Peter, Joseph, Paul and John, are all competitive sailors who raced for YCSIC in the 1970s and 1980s. Thanks to Rocky’s encouragement and steadfast support for the YCSIC sailing program, his grandchildren Lauren, Thomas, James and Ann continue to participate in it today and race for YCSIC each summer in regattas hosted by other South Jersey yacht clubs.

Rocky’s contributions to the Yacht Club over five decades of service were numerous. He leaves a lasting legacy, most especially with the youth sailing program he helped develop into one of the best in South Jersey, and the Sailing Foundation of the Yacht Club of Sea Isle City, which he envisioned and helped found to financially support the program, serving as its first President.

Beyond his service to our club, Rocky was a larger-than-life presence in the South Jersey youth sailing scene, helping run regattas as an officer of the South Jersey Yacht Racing Association (SJYRA), the forerunner of the Mid-Atlantic Yacht Racing Association (MAYRA) in which the YCSIC participates today. As he did in our club, Rocky served as Commodore of SJYRA and on its Board.

Although Rocky’s career achievements as a pioneering aerospace engineer, rocket scientist, computer scientist, and technology inventor have been recognized and celebrated, he will be most remembered by Yacht Club members for his tireless dedication to the club and doing whatever he could do to support its youth sailors for many decades.

In the summer of 2012, Rocky established the Rocco Martino Award to promote character and excellence among the Yacht Club’s youngest sailors. It is given annually to the “Junior Sailor who exhibits skill, character, sportsmanship and the love of sailing.”

As Rocky said in his remarks during his 90th birthday celebration at the Yacht Club in June of 2019, his secret to life was that he always tried to do his best.

Rocky will be missed dearly by Barbara and his family, and his many friends at the Yacht Club of Sea Isle City.

Holy Redeemer's Jersey Shore Food Pantry, recently dedicated in the name of Sister Mary Anne McDonagh, works to provide food to those who need it most. The pantry cooperates with the Community Food Bank of New Jersey and other county organizations to serve thousands of hungry individuals each year. The non-profit food distribution center provides non-perishable food items on a monthly basis more than 8,867 families, totaling 24,819 clients who are sick, elderly and impoverished individuals in the Cape May County area.

The need increases every year. Your continued generosity and support of The Holy Redeemer Golf Klassic will help to further this mission. On behalf of the Pantry's beneficiaries and their families, we thank you for your ongoing support.
