

## ***The Minnetonka Yacht Club Charter Application***

MYC has established the Charter Program to provide sail racing opportunities for motivated individuals and teams who do not own their own boats. The Charter program consists of MYC owned, well maintained scows that will be leased to individuals and teams that make the commitment to the boat and the sport.

This program is targeted towards sailors with a desire to race at Minnetonka Yacht Club. You could be a recent college graduate with lots of desire to get into a competitive one-design. Or you might be a high-school or college sailor looking to augment your dinghy skills in a larger boat. The end goal is to create new boat owners and grow MYC fleets.

In 2023 the MYC charter fleet consists of one 16' Youth X Boat, one Yngling and Two Melges 15's.

All MYC Charter boats have trailer, lift/dolly, sails and will be kept on Bug Island during the summer sailing season.

MYC is paying for the boat, the lift, rental space on bug island (\$550.), and insurance.

The Charter recipient is required to be a MYC member for the summer of 2023, pay 50% of the class racing fees (\$232.), and provide a \$250 damage deposit.

Although the charter boats are in good condition, repairs may be needed.

Charter recipients are expected to repair boats and equipment as needed to maintain well working order. Boats should be returned in better condition than they were received in.

Applications will be accepted by the MYC Executive Director with an application deadline of February 15, 2023. [hugheschrisy21@gmail.com](mailto:hugheschrisy21@gmail.com)
