"The **bolded** individuals listed above are the Principal Race Officer (PRO) of each Race Committee (RC) team. The PRO has the overall responsibility for managing and conducting each sanctioned PYC race assigned to their RC team. Each PRO must also be sure that they have sufficient RC team members present to manage and conduct the races assigned on their dates. In the event a PRO is not available on an assigned date the PRO is responsible for finding another PRO from any other RC team to fill in for that date."
