

Updated COVID-19 Protocols for CYC

Adopted by Board of Trustees April 13, 2021, updated January 13, 2022

In keeping with updated guidance from the CDC and NY State, and with the desire to balance comfort, safety, and access to Club facilities and events for all members, the Board of Trustees hereby adopt the following protocols, effective immediately:

Access to Grounds and Facilities

All Club facilities are open for members and their guests. It is understood that all persons using the Club will accept all risk and liability related to COVID-19. The following guidelines will apply:

OUTDOORS

For the entire Club property (outdoors or indoors), members can choose to wear a mask or not. If not vaccinated, masks are recommended

INDOORS

Indoor facilities are now returned to full capacity: 60 in meeting room (ballroom), 40 in fireplace room, 40 in pool room, 8 in kitchen.

FOOD PREPARATION

All members/guests are required to wear masks during food preparation and serving for Club functions, whether indoors or outdoors.

CLUB LAUNCH

Club launch will run at 100% capacity (up to 12 passengers). Members/guests who are unvaccinated are required to wear a mask at all times on the Club launch and on the dock while waiting for launch service.

PRIVATE USE OF CLUB FOR PARTIES

The Club is available to use for private parties beginning June 1, 2021. The following capacity limits will apply until further notice:

Meeting room (ballroom): limit 60 people

Fireplace room: limit 40 people

Pool room: limit 40 people

Club grounds: no limit

Kitchen: limit 8 people

Private Club use must follow all usage protocols currently in place. It is the responsibility of the hosting member to ensure all guests are aware of and adhere to the current guidelines.
