

# Sailing Instructor

The Yacht Club of Sea Isle City is looking for youth instructors for summer employment. All instructors must be skilled in sailing. We are looking for responsible, mature, enthusiastic, and professional candidates. We are looking for team members who possess a love for the sport of sailing and an enthusiastic desire to pass that on to other sailors. Our returning instructors represent the highest caliber of both instructor and individual and are expected to have demonstrated their desire and ability to train their successors; we expect the same from our incoming staff.

The Summer Sailing Program at the Yacht Club of Sea Isle City instructs about 100 sailors each year, ranging from 8 to 17 years old, as well as adult sailors with private lessons. Instruction takes place in the Club's fleet of Optimists, Lasers, sunfish and 420's. Power boats are used to support the program applicants must be confident in powerboat operation. Beginner Classes are from 9am-12pm Advanced Classes 1pm-4pm. Regatta's are on Thursdays

We teach students ranging from beginning sailors through coaching of advanced racing sailors. Our instructor-to-student ratio ranges from 4:1. We emphasize developing junior and adult sailors for a lifetime of enjoyment and involvement in sailing.

Candidates must have these requirements before beginning work

If you are interested in joining our team, please include your resume in PDF format. Incomplete inquiries will not be accepted. We will contact those who are qualified for an interview.
