US Sailing Level 1 Courses- Sign Up NOW!

2021 will see record numbers of coaches trying to receive Level 1 certification. Courses are online NOW but followed by an ONSITE portion. Most of you will want to take the ONSITE at Pewaukee. The ILYA nor the instructors, Emlie Barkow Veinot and Cappy Capper, have the right to reserve or "hold" slots. This is by registration only. Sixteen year-olds may take the class but official certification is only available at age eighteen. Age is NOT important. The information you learn is the value of the course. This is about safety, discipline, lesson plans, sports psychology - all topics not considered when learning to sail a boat. This is about learning to teach sailing.

There are several pre-requisites which you can begin online now:

- 1 - US Sailing membership
- 2 - Safesport - online class. Look at US Sailing website.
- 3 - First aid --- check your area to determine how to finish a course
- 4 - Boating License (must be NASBLA approved, boat-ed.com seems to be the easiest if you don't already have one).

1 - **ASAP- Sign up for any 10 day online course - \$250**

Many courses are already listed online; all courses through March are already booked. Look for dates in April and be conscious of what TIME ZONE you are signing up for! Many courses are either Eastern or Pacific Time Zones. There are no Central Time Zone courses. Choose your time based on your schedule - recall Fall Sports in WI have been moved to the Spring! The online course is over 10 days, with live webinars on the two weekends. The rest of the work is self-guided with videos, tests, and discussions. Course fee for ONLINE ONLY is \$250. Online and In-person registration is SEPARATE!

2 - **ASAP- Sign up for the 2 day In-Person course - \$140**

AS of 9:30 CST Feb 19. --- Please register now! If you cannot secure a spot, contact Emlie or Cappy and see if a double class can be scheduled.

June 12-13 at Cleveland, OH; IT - Allison Jolly - 1 spot

June 19-20 at Saugatuck, MI; IT - Cappy Capper - 6 spots

If these dates don't work for you, there are courses listed throughout the nation for different weekends. The in-person section of the Level 1 course is approximately 18-20 hours and students will be evaluated on their teaching ability, sailing skills, powerboat handling skills and

on-water class management, among other topics. **Please remember that completion of the online session is MANDATORY prior to taking the in person session.**

There is a maximum of 12 instructors for the In-person, so sign up ASAP. There is no waiting list and Instructor Trainers have no authority to get coaches into the course, it is based on a first pay basis through US Sailing.

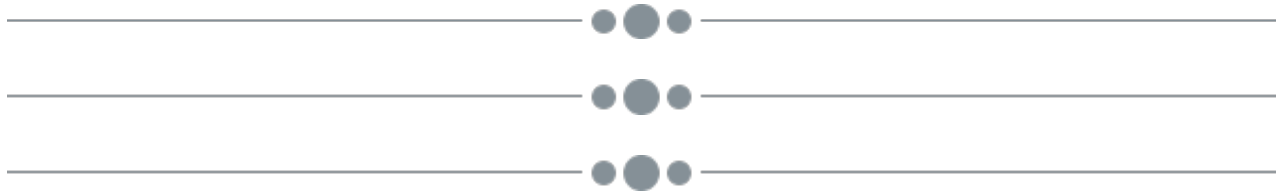

3) In addition to online and in-person, each person has to complete the [SAFESPORT CERTIFICATION](#) & [US Sailing Teaching & Coaching Fundamentals \(TCFO\)](#). These are not long, online only, and need to be done BEFORE the Online course.

4) Other things:

a) You need a **US Sailing Individual, College or Family Membership** (youth membership is not applicable and only one instructor is allowed per family membership).

b) Boating License (must be NASBLA approved, boat-ed.com seems to be the easiest if you don't already have one).

Please reach out with any questions. The courses are filling up fast, so please don't delay.
