70 Hours left to register for the 2020 ILYA X Boat Championship at PYC

Out of deference to our PYC Hosts, we are closing registration for the 2020 ILYA X Champs at 1200 CST, Monday July 20th. There are no late fees or exceptions.

There will be NO on-site registration. Any competitor attempting to do so will be turned away.

Thanks!

Pewaukee Yacht Club

2020 IOD Championship at Pine Lake Registration

Dear ILYA RWB Optimist Competitors,

We are excited to announce that registration for the 2020 ILYA RWB Opti Championship goes live July 17th at 2pm. Pine Lake and the ILYA are working hard to provide the best regatta possible. Of course plans will continue to evolve and additional details will be forthcoming, but for now please note the following:

Dates and Location

The regatta will be held August 3rd and 4th on Pine Lake in Chenequa, Wisconsin. Various Pine Lake residents have offered their properties as "Host Properties". Each visiting lake will be assigned its own Host Property which will serve as that lake's headquarters. Specific host properties will be assigned to each visiting lake by Friday July 31st at which time we will communicate location and other pertinent information (including a map) to your lake's Team Leader. See Team Leaders below.

Each Host Property has the following amenities:

- A ramp (or equivalent) for launching Optis
- Parking on-site or nearby for approximately one car per competitor

- A spot on the pier for one coach boat (and possibly two if needed) for the duration of the regatta. This boat can be left tied to the pier overnight on Monday.
- Cover in case of inclement weather (ie. garage, boathouse, porch, cottage or pop-up tent)
- Access to a bathroom or port-a-potty with hand sanitizer
-

If your lake brings a team Opti trailer, Optis will be unloaded at the Host Property and your trailer will be directed off-site either nearby or at Overflow Trailer Parking. See information about Overflow Trailer Parking in Spectator Boats.

Registration

Registration opens July 17th and closes on Monday, July 27th at noon. There will be **NO LATE OR ONSITE REGISTRATION**. The registration fee is \$90 of which \$25 is non-refundable in the event the ILYA has to cancel the regatta. This non-refundable portion would help to cover some of the fixed costs.

The regatta is limited to 100 entries on a first come-first served basis. If additional entries are received, a waitlist will be created.

Race Schedule

Seven races are scheduled. On Monday, arrive at your respective Host Property between 7:00am and 9:30am. The Competitors Briefing will begin at 10am via VHF Radio with the First Warning Signal scheduled at 11am. No warning signal will be made after 4pm on Tuesday. For additional details, see the NOR/SI Supplement.

Team Leaders and Communication During the Regatta

The ILYA will designate a Team Leader from each lake to act as a contact person between the regatta organizers and the competitors and their families prior to and during the regatta. In addition, the ILYA and the RC will communicate directly to competitors and their families via text/email and VHF radio during the regatta. The VHF channel is 68.

Coach Boats

Coach boats will launch at the public launch which is located on Hwy K. Trailer parking for coaches will be available at the lot across the street and slightly west of the public launch, or if not at the Overflow Trailer Parking as noted in the section on Spectator Boats. More detailed information (including a map) will be emailed to your Team Leader at a later date. One (or possibly two) Coach boat(s) will be allowed to moor overnight at your lake's respective Host Property.

Spectator Boats

We will not provide spectator boats. If you would like to bring your own, you may launch at the public launch which is located on Hwy K. There are approximately 15 car/trailer spots available onsite for a fee of \$10 cash. In addition, Overflow Trailer Parking will be available for free at the Stone Bank Farm Market located at N68W33208 County Road K which is 1.3 miles west of the launch. Once trailers are dropped at the Market you can park your car at a lot located across the street (and slightly west) of the public launch. You will then be able to walk back to the launch. More detailed information (including a map) will be emailed to all registrants at a later date.

- Things to Bring Lunch, snacks and hydration! Food and water will NOT be provided.
- Hand sanitizer
- Masks or buffs
- Sunscreen
- A folding chair if you plan to sit on shore while the competitors are sailing. However, please note that not all Host Properties will have viewing access of the race area.
- Water shoes for Opti launch. Some ramps are slippery.

T-shirts and Other SWAG

Each competitor will receive a t-shirt, compliments of the PLYC. If you register by Monday July 19th at 10 PM CST, we will have your t-shirt available at the regatta. However, if you

register after July 19th 10 PM CST , it is possible that we may not receive your t-shirt in time and will have to distribute it via other means after the regatta is over.

A link will be provided at a later date for additional gear that can be purchased.

Awards Ceremony and Social Events

There will not be a traditional-style trophy ceremony immediately after the regatta. However, every effort will be made to get perpetual trophies to the respective winners before the winners leave Pine Lake on Tuesday. Keeper trophies will be mailed at a later date. A virtual awards ceremony or an awards presentation at your local club may be held by the ILYA in the fall. If that happens, details to come!

There will be NO social events.

Health and Safety

Competitors will be required to complete an Opti Safety Check and attest digitally that the Safety Check requirements were met.

In addition, competitors and their support personnel will need to attest digitally as to the state of their health and well-being shortly before the start of the event. Please respect the health and well-being of everyone involved, including but not limited to - competitors, parents, relatives, friends, coaches, RC, Judges, and event organizers - so that we may have the safest event possible. To that end, we recommend that everyone follow the guidelines of the CDC including appropriate face covering and social distancing.

Instructions on how to complete the digital attestations will be emailed closer to the regatta start date.

Again, additional details regarding “just about everything” will be coming as soon as we have them! However if you have a question that cannot wait, please reach out to Regatta Co-Chairperson Carrie Gale at carriepgale@gmail.com. We can't wait to see you at Pine Lake!

2020 Calendar

July

17 TRAC RWB Opti: Cedar
