2021 Sales and Orders - Comes Sooner than You Know it!

End of year purchases - with fewer regattas, the opportunity to post boats, sails and trailers is diminished. Scowlines will post equipment for a short month to facilitate the transfer of equipment to continue the growth in our fleets. Remember the Fall discounts from our manufacturers and suppliers. You help with their financial planning with the Fall pre-ordering process. You may also post for a price on the ILYA website which has a more open readership..

Nikki Barnes ☆ **Lara Dallman-Weiss**

Olympic hopefuls Barnes and Dallman Weiss are the last class to qualify for the 2021 Olympics. The Women's 470s were in the final qualifying position when Covid hit in March. With the sailors in Europe, thankfully they were able to return to the states. They, like all the other Olympic team members, are left struggling with funding for a final push.
