## **X Blue Chip Day ONE**

**August 7-8 - Cedare Lake Yacht Club**

The X fleet had a late start due to light wind but two races in the afternoon and they are off. The results look like every X Blue Chip. Champions at the front; champions at the back. Consistency is the key for the regatta. But P-A-T-I-E-N-C-E is the key to Cedar. It is a tricky, shifty lake. Everyone loves its intricacies. You will see smiles of success and laughs of frustration because it is Cedar. No one understands it and everyone loves it.

2020 X Blue Chip  
Cedar Lake Yacht Club

Results are provisional as of 17:23 on August 7, 2020

## Big day for Roble Shea

If you ask Steph Roble, "Where is your favorite place in all the world?" Lake Garda, Italy comes to mind. She began her run at success as a little tyke in an Opti at Lake Garda. She has never looked back -- well, maybe to return to Inland Lakes along with fiance Taylor Canfield or sailing with the Kilroy family. It is here she gets into a zone and digs down to get the job done.

This year was not without challenges after the cancellation of the Olympic Games. Coronavirus has made this a particularly difficult time to train. The US was not permitting other teams to travel to train. With some real international diplomacy at play, Roble Shea were finally permitted to travel to Europe. That brings them into contact with an increased number of teams as they prepare for the Fall European circuit of regattas. It brings them close to their regular training partners where coaches and teams push each other hard.

And how do they maintain this for another year? The fundraising arm is time-consuming and emotionally wearing. But what a week for Roble- Shea! A Go Fund Me campaign has been enormously successful. The most generous Kilroy Realty has provided a matching opportunity and the nation has responded. They are only \$2000+ shy of the match of \$30,000. [To contribute go here.](#)

Tonight, Lake Beulah hosts a Covid-safe fundraiser from land and water, masks required, event to finish off their needs. But Covid got in the way. Textile production companies are scrambling so the unique, Roble-Shea masks are not going to be there but will be delivered as soon as they arrive. The coffee mugs emblazoned with the Roble Shea Olympic logo will be available. Joe Skotarzak will conduct a cash auction in his own style. The generous Lange - Brandts have donated their picturesque property. Their two girls are in the ILYA youth fleets and they are smitten with the sport - and Steph and Maggie after their video classes this spring. (These classes are online at [ilya.org](http://ilya.org)) If you did not reserve, you may still donate through the ILYA Foundation. Later today the donate button for Roble Shea will be optimized on the ILYA website ([ilya.org](http://ilya.org)) to allow you to view it easily from your phone for tonight's fundraiser. Please consider a small or large donation to get these gals focused on training only.

**2021 Sales and Orders - Comes Sooner than You Know it!**

End of year purchases - with fewer regattas, the opportunity to post boats, sails and trailers is diminished. Scowlines will post equipment for a short month to facilitate the transfer of equipment to continue the growth in our fleets. Remember the Fall discounts from our manufacturers and suppliers. You help with their financial planning with the Fall pre-ordering process. You may also post for a price on the ILYA website which has a more open readership..

To start us off:

- **Wanted** - double trailer for X boats. for winter storage. Contact Jennifer Herz from Delavan. (847)903-5848
- **2012 Opti** in new condition that has not been used in last 5 years. \$2250. It has two sails, top & bottom cover, dolly, etc. Contact [taylorortellbriggs@comcast.net](mailto:taylorortellbriggs@comcast.net)

**Nikki Barnes** ☆ **Lara Dallman-Weiss**

Olympic hopefuls Barnes and Dallman Weiss are the last class to qualify for the 2021 Olympics. The Women's 470s were in the final qualifying position when Covid hit in March. With the sailors in Europe, thankfully they were able to return to the states. They, like all the other Olympic team members, are left struggling with funding for a final push. [Watch their new video here](#) and consider donating through the ILYA Foundation.
