## X Blue Chip Day ONE

August 7-8 - Cedar Lake Yacht Club

### Lieber Trifecta

With a few years in between, John Lieber becomes the third Lieber to win the X Blue Chip. John is sailing for Pewaukee now and is a junior sailor (so he gets bragging rights on his dad and aunt) but that is an accomplishment indeed - three in one family! Rumor has always been that Aunt Heidi Lieber (Schweda- now) was promised a Corvette if she won. Up to that point no girl had won the event. So win it she did and her dad kept the promise. She might have been too young to drive it right away but the Lieber Family always looks good. The future will reveal if the youngest Lieber to win still has the same persuasive powers as Aunt Heidi. Not to be overlooked is cousin Cole Schweda and sister Anna who were a proud tenth. A proud moment for grandparents John and Lynn who rarely miss an event.

In all seriousness, winning this Blue Chip is one of the hardest accomplishments to achieve. Champions abound, Cedar's winds are only for the wise, the pressure is intense. There is rarely a regatta where so much jostling occurs in the standings! It's an honor, indeed.

And a Covid year - not one western boat at the Blue Chip! That is a first. We missed our fellow competitors but respect their states' and families decisions in a tough year.

It is every X Blue Chip we bid farewell to another fine class of senior sailors. Review the list below and know our adult fleets welcome those graduating sailors but for the parents another chapter is closing. The best to the graduates. The editor has a few favorites below; they will always be held close to the heart for all - those years from Opti to graduating X are full of pathos at this moment. But, oh the possibilities! The next season brings the opening of a new experience - high school sailing now taken seriously, the decision sailing will play in a college decision, but the summers are always full of what we all know - Inland friends, scows and experiences.
