C WORLDS is ON!!!!

September 19-20 - Delavan Lake Yacht Club

Delavan Lake YC is hosting the C Worlds but with a new date and new look. Instead of a snowy late October date - yes, we have had snow! - look for a beautiful Fall crisp weekend of September 19-20. To accommodate distancing, Delavan invites you to bring your boats as early as Sept 14th. You may park your boats on the YC property but if you register early, you may be eligible for some open homelake lifts. There will be no social events and no "tailgating" on the property with alcohol. Delavan has had a great, safe summer with an open social and the regulations during this time. Delavan is honored to host this event.

C Nationals Cancelled

C Nationals has joined A, E and MC Nationals in cancellation of its 2020 event. President Andrew Bohl sent this message to the NCSSA membership:

Friday, August 14th, 2020

My fellow sailors,

On Wednesday night the NCSSA Board of Directors met to decide on the fate of 2020 Nationals. In a close vote, the board ruled that it is not in the best interest of the fleet to hold the regatta in 2020. Thus, we are officially cancelling the 2020 C Scow National Championship.

While some of you might disagree with the decision we came to, I want to assure you that the Board did not come to this decision lightly. I would like to personally thank each and every member of the board for the countless hours they all spent this summer trying to figure out if running a regatta in this climate was advisable or even possible. I think we had more meetings this year than in the previous 10 years combined.

We would also like to extend a heartfelt thank you to the Delavan Lake Yacht Club. They worked tirelessly with us to try to do everything possible to set up a safe, COVID-free regatta. They truly are a great partner for running a regatta.

If you have any questions, please don't hesitate to reach out.

Sincerely,

Andrew Bohl

Condolences Richard Keck - LaBelle

Dick Keck passed away this weekend after a short episode on hospice. He was fortunate to view his beloved LaBelle from his window in the last months of his life. Dick was an exceptional C boater in his day with wife Cindy - a talent they passed on to their three children: Dan, Peter and Barbie. A private service will be held.

Dick will be remembered for his big smile and his attendance at nearly every event his sons sailed.
