Matt Fisher Wins MC Masters Nationals

A little weather challenged, the Clear Lake regatta provided 40+ sailors one last time to visit -- despite high wind conditions. PRO Charlie MacNider adjusted by posting an 8:30 AM!!! start to sail prior to building winds.

C Worlds - Delavan

By Mary Berg ---Saturday - We sailed one shifty, light wind race this morning at the C Worlds Regatta on Delavan Lake. The race was just over an hour long with 27 boats on the starting line. Competition was fierce, and the positions of the sailors changed continuously throughout the race. The SL-111 took the win after an excellent race. Full results can be found here: <https://dlyc.com/regatta/JSPZXpOWuo/results>

The race committee made a dedicated effort to get a race off this afternoon to no avail. Unfortunately, the breeze shut off, but the fleet is looking forward to a 9 AM warning tomorrow to complete as many races as possible.

Sunday - three early morning races crowned a local champ.

Lake Forest Halloween Regatta Cancelled - Lake Geneva Schedules Laser Regatta October 10-11

The GLSS will run the inaugural Oktoberfest Laser Regatta on 10/10-11. The idea is to get local sailors another opportunity to extend their sailing into the fall. We have 15 sailors on BMRT, and would like to see other Sailing Schools and Yacht Clubs join in. The Oktoberfest is an informal fun regatta run by our staff and parents. I would appreciate it if you would share with the families in your area and help us make it a successful event.

Tentative Regatta Schedule for 2021

Yep, everyone is chomping at the bit for NORMAL SAILING. At least 2021 will not catch us unprepared. The preliminary dates are in with some question about the X's in late June early July. The ILYA Champs, will be moved up to August 11-18. This is a bit early but to wait a week finds our youth sailors back in college and school. So here goes for a first run so the local clubs can begin planning.
