association or entity whose actions displayed the value and spirit of sportsmanship.

This calendar is a collaboration of many individuals from the boating community that have worked hard to develop a well-rounded calendar of events for sailboat racers, powerboat predicted log competitors, charity regattas, and public interest events.

I want to thank the Dan Teckenoff for his assistance in publishing this calendar and helping to secure the advertisers.

A special tip of the hat to Cynthia Sinclair for providing front cover

images for the past 9 years.

On behalf of the Association, I would also ask that you patronize those advertisers who help make this publication possible. Please take a minute to read the information describing the various clubs and organizations that make up the San Diego Association of Yacht Clubs. If you enjoy the water and boating, we invite you to make one of our organizations a part of your life. Additional information on SDAYC associations is available at www.sdayc.org

Dianna Durgin, 2021 SDAYC Commodore

The San Diego Association of Yacht Clubs was founded for the purpose of fostering and encouraging participation in yachting and to promote its public interest in the San Diego Area. The association's officers and directors are chosen from the ranks of member clubs Staff (past) Commodores. This year, my Board of Directors and I are committed to trying to increase the relevancy of the Association while implementing technology to improve communication throughout the boating community.

The association provides a forum where members can exchange ideas, coordinate activities, and foster fellowship in the boating community. We take an active role providing input to local and state governments on matters of interest to the yachting community. Our association members are proud to offer classes and seminars in various boating related classes including safety and first aid classes, as well as sail and power boat handling and race management.

Our Association member clubs offer Junior Sailing Programs that include sailing lessons and on-water safety training. These programs are available to non-members as well as members. After all, junior yachtspersons are the future of sailing and boating. Many of our member clubs hold annual charity events which raise hundreds of thousands of dollars benefiting the community at large.

Each year the Association recognizes members of the boating community. We reward these outstanding individuals by presenting the following:

- Yachtsman and Yachtswoman of the Year Awards are presented for outstanding achievement and participation in yachting.
- Paul J. Hartley Award recognizes a junior yachtsman or yachtswoman under the age of 18 for both service to the community and ability on the water
- Alonzo De Jessop Award recognizes individuals for their service to the yachting community.
- John M. Rumsey Award recognizes the individual achievements in yachting outside of San Diego County.
- Pete Curtain Sportsmanship Award recognizes an individual, club,

Cortez Racing Association (CRA) was founded in 1979 by sailboat racing enthusiasts on Harbor Island in San Diego Bay. It has grown to become an influential race organization and is now established as a non-profit, sanctioned Sailing Association whose purpose is to promote sailboat racing and other sailing-related activities in the San Diego area. CRA is run entirely by unpaid volunteers serving approximately 250 members, whose spirit of “giving back” drives them to dedicate time and effort for the cause of improving, expanding, promoting and glorifying the sport of yacht racing.

CRA's signature event each year is the summer Beer Can Series. Now in its 41st year, this 10-week regatta kicks off right before Memorial Day and attracts more than 120 boats each Wednesday evening to race in ten different classes on San Diego Bay, making it the largest competitive sailing event in the region.

CRA has established close ties to other important sailing organizations. These include the United States Sailing Association (USSA), the Southern California Yachting Association (SCYA), the San Diego Association of Yacht Clubs (SDAYC) and the Performance Handicap Racing Fleet (PHRF). These relationships, together with ties to all the local Yacht Clubs, ensure that CRA members are welcomed at regattas throughout the region.

Our races use the PHRF handicapping system, and therefore we work closely with PHRF of San Diego. We need their rules to keep racing fair and their ratings to make racing competitive. The CRA calendar boasts 12 races, usually one per month, in addition to the summer Beer Can series.

We invite all sailors to join CRA and enjoy the most exciting racing on the bay. CRA needs members to come forward to help run the Association by serving on the Board of Directors and by volunteering for Race Committee work. Race Committee is a great way to broaden a sailor's understanding of tactics and strategies that can provide an edge the next time they are jostling for a front row start. See you on the water!
