# SLSC Membership Renewal

## Payment Security and Methods

### Payment Security

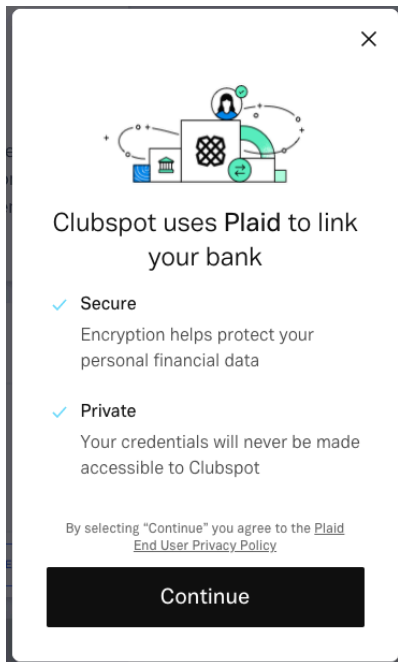

SLSC uses Clubspot to host our website. Clubspot ([theclubspot.com](https://theclubspot.com)) uses third parties to process bank transfers and credit card payments for dues, tuition, and other fees paid through our website. SLSC and Clubspot NEVER has access to or store your personal financial data. Clubspot uses Plaid ([plaid.com](https://plaid.com)) for bank transfers and Stripe ([stripe.com](https://stripe.com)) for credit card processing. Both companies are industry leaders and securely process billions of dollars each year for small organizations, such as SLSC, as well as Fortune 500 companies.

Please note that from the Club's perspective an online bank transfer is the most cost-effective, secure method to pay online for membership, tuition, and other fees. If you have questions regarding the processing and/or security of your payment, direct them to Jeff Robinson, [treasurer@sailsaratoga.org](mailto:treasurer@sailsaratoga.org).

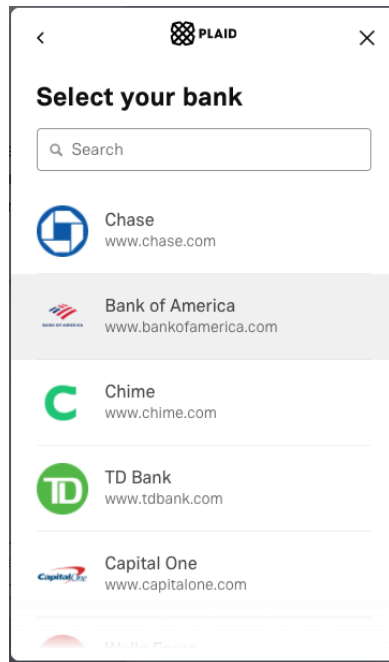

# Bank Transfer

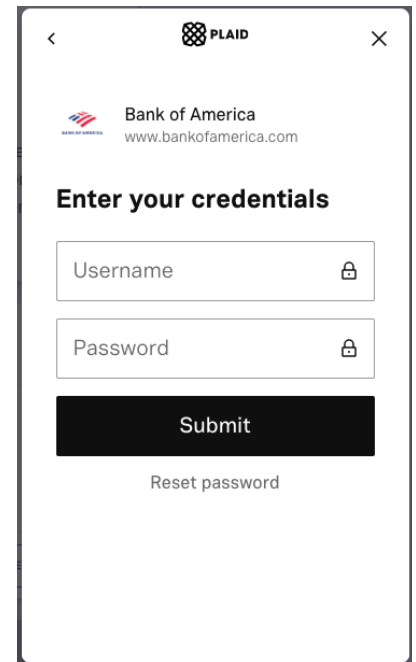

Of the three payment methods, this option has a few steps, but can be quick depending on your familiarity with bank transfers. This method has a minimal expense to the Club (0.8% to \$5 max.) per transaction.

*Click Continue*

*Select your bank*

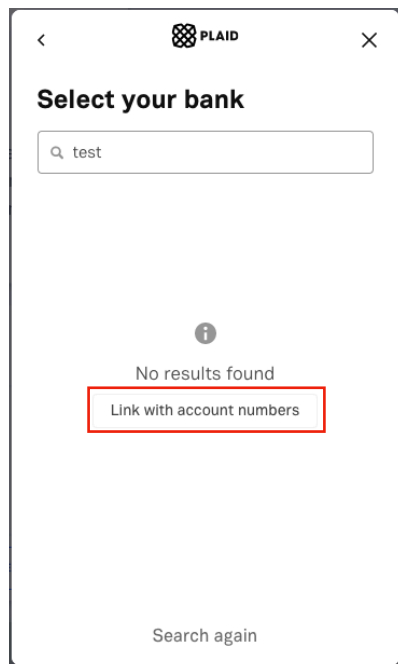

*Enter your bank login credentials and select your account. Then continue with your payment.*

## Or...

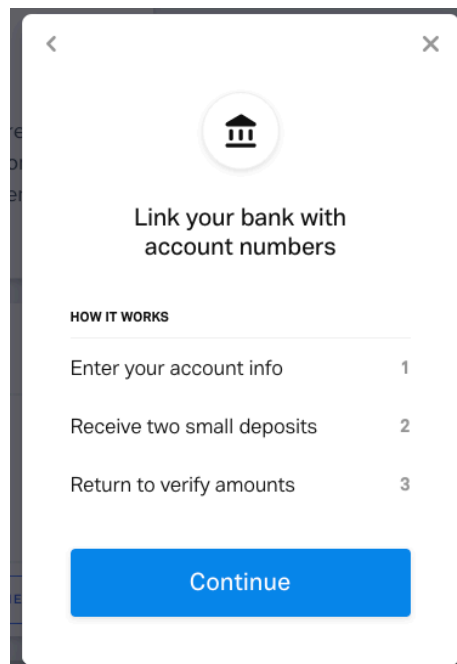

If you are not comfortable with entering your bank login credentials, please see the next page.

# Bank Transfer

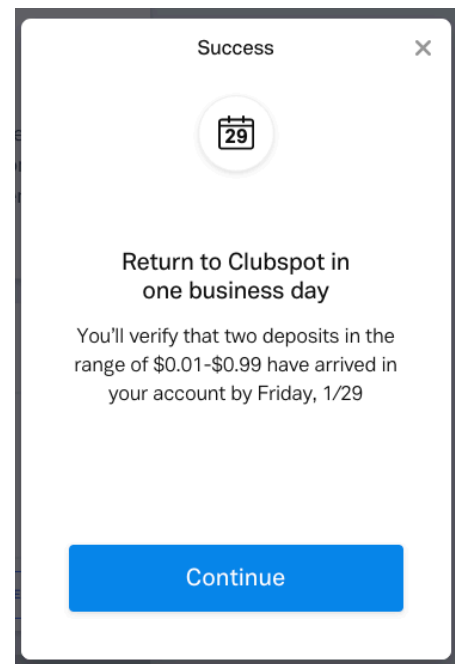

*Search on a dummy bank with no results found*

*Click  
Link with account numbers*

*This is a three step process and takes one business day to verify your account information. Follow the steps (there are a few more). The last step is shown to the right.*

*Verify the two deposits made by Plaid and return here to Continue.*

*Then continue with your payment.*

## Pay Offline

If you would rather not set up a bank transfer and instead mail in a check to our Treasurer, select Pay Offline and make sure your billing email is correct. Then continue with your payment. Print and mail your payment page to Jeff Robinson, our Treasurer, with your check.

There is no charge to the Club with this payment method.

For Offline payments, please make checks payable to

The screenshot shows a 'Payment method' selection interface. At the top, it says 'Payment method'. There are three options: 'Bank Transfer (ACH)' with a radio button, 'Pay Offline' with a checked radio button and an information icon, and 'Credit/Debit Card' with a radio button. Below the 'Pay Offline' option, there is a text input field labeled 'BILLING EMAIL' containing a blurred email address. A note below the field states: 'Please note that you will still email invoices, whenever a balance is due. You can always pay them online, or simply ignore them and pay by check or cash.' At the bottom, there are 'Cancel' and 'UPDATE' buttons.

## Credit/Debit Card

If the above payment methods are not suitable to you, please select the Credit/Debit Card payment method and enter your card details. Then continue with your payment.

The Club is charged 3% with this payment method.

The screenshot shows the same 'Payment method' selection interface. In this view, 'Credit/Debit Card' is selected with a checked radio button. The 'Pay Offline' option is now unselected. Below the 'Credit/Debit Card' option, there is a form for card details with two input fields: 'Card number' and 'MM / YY CVC'. At the bottom, there are 'Cancel' and 'UPDATE' buttons.
