Note: *

The Robinson boat (M-9) is currently not eligible to receive trophies or awards in ILYA sanctioned events.

The Robinson boat is a measured, class-legal A Scow under the current scantling rules of the ILYA, which governs the class, and is therefore allowed to compete in 2003 with the same rights and privileges as all other entrants.

Under an agreement between Robinson and the ILYA and its A Scow Fleet, the boat is currently ineligible for trophies and awards. All boats finishing below M-9 in any ILYA sanctioned events will move up one place. For example, should M-9 finish an event in fifth place, the sixth place finisher would receive fifth place awards. and each finisher below 6th place would also move up one place for award recognition.
