Commodore's Corner

Keep your heads up! The scow experience will flourish

Its time to talk about the eight hundred pound gorilla lurking around the corner. What impact will the current economic

situation have on scow sailing going forward?

With our heads down, we could collectively allow the situation to dampen our spirits and limit our enjoyment of our sport. But I believe we must continue to support our sport to ensure its continued growth and impact throughout our region. In the process, let's enjoy ourselves as we have in the past. Consider some or all of the following actions.

Promote your sport locally.

Support you local club and sailing school. Whether you are a competitor, RC member, volunteer, or donor let's enthusiastically continue with our typical manner. After all, the wind is still free (for now at least). Encourage the neighbor or relative with young children to sign up for beginner sailing school lessons, and mentor them along the way. If you have the experience, volunteer to tune the boat of a less experienced sailor on the lake and or crew with them. Keep your local club strong by soliciting and encouraging new yacht club members. Volunteer at your local sailing school or yacht club – the opportunities are many and varied.

Participate beyond your home lake. There are dozens of local clubs planning to put on great

regattas this year. They are all sensitive to providing the best value for the dollar. The ILYA is providing discounts for sailors 25 and under and first time ILYA adult competitors as extra incentives. Your continued participation is needed to reward the commitment of current regatta hosts, and show clubs that running regattas in 2010 and beyond is worthwhile. We need you to ensure the future of our wonderful regatta circuit! Let's get out and sail! Competitors who register early for the ILYA regattas will encourage others who are trying to decide whether or not to attend.

Provide Financial Support. In these times, our local clubs, sailing schools and the ILYA would especially appreciate your donations. The ILYA and many local sailing schools are charitable organizations, so donations can be tax deductible. There are specific sponsorship opportunities (found in this issue) for the big Inland at Green Lake. A number of donors have already stepped up, but additional help can make this year's regatta an extra special event.

Whatever you choose to do, lead through your actions to keep the institutions that make the scow experience so rich and rewarding going strong. Hope to see you all at Green Lake if not before.

—Commodore Mark Prange

Why not show your colors?

ILYA Burgees Now Available

If you have attended one of our sanctioned events you have seen these burgees. We are now offering them for sale to our membership. Fly them on your powerboat or at the yacht club. They are 8.5" high by 23" long. We are selling them for \$29.00 each (includes shipping). Don't miss this opportunity to show your support for the ILYA.

To place your order, contact Jim Smith at scowslants@aol.com or 262-203-7721.

ILYA seeks to activate 'Delegates Forum'

In an attempt to effect better communication between the ILYA and its member clubs, and to provide a means of information-gathering and problem-solving among those clubs, Commodore Prange is seeking to reinvigorate the role of its member club delegates.

The ILYA is an association comprised of its member clubs, each of which has a voting Delegate. ILYA by-laws provide that the Commodore or Secretary of each member club is by office the authorized Delegate to the ILYA, unless the club appoints someone else.

In the recent past, the delegates have been asked merely to vote for the slate of directors at the annual meeting of the Association in February. The ILYA sees the expanded delegate function as a conduit for information between the association and the club, and a source of information for other clubs.

The ILYA has asked the existing Delegates of Record and clubs to review their delegate assignments, naming delegates who would be willing to take on the following responsibilities:

1. Be an ILYA member and encourage others in the club to do the same.
2. Participate in the ILYA Board member nomination and election process.
3. Advocate on behalf of the ILYA at the local club. Read ILYA Board minutes, *ScowLines*, *Scow Slants*, and other ILYA communications. Be knowledgeable about ILYA

activities that affect the club. Proactively keep the club membership informed.

4. Facilitate an annual discussion at the club regarding bidding for ILYA regattas.
5. Keep contact information about the club up to date on the ILYA website.
6. Actively participate in the "Delegates Forum" to receive communications as follows:
 - a. Respond to periodic requests from fleet committees or the Regatta Coordinating committee to consider hosting specific regattas.
 - b. Receive common interest questions (originated by the ILYA board or other member clubs). Assure the appropriate person in the club receives the question and responds.
 - c. Pose common interest questions to other ILYA clubs through this mechanism.
 - d. Forward news about upcoming regattas to sailors within the club (who may not be on ILYA mailing lists).
 - e. Communicate ILYA sponsored race committee or other seminars to appropriate persons within the club.

At this writing, 31 of the 50 ILYA member clubs have confirmed their delegates for 2009. Members of the Executive Committee are contacting the other 19 clubs so that all will have active delegates before long.

You & Us

Regatta discounts continue

ILYA Promotion Committee is committed to extending adult and junior discounts again in 2009, and the NCSSA has offered to help fund juniors in ILYA events.

Thanks to the Promotion Committee, the ILYA Class C Raffle Fund, and NCSSA, lots of junior and adult sailors received discounted or free regatta entries in 2008. The ILYA Promotion Committee funded fifty-percent discounts for 32 juniors in classes E, C, MC, M-17, and M; it funded 12 totally free entry fees to adults in classes C, MC, and M-17 who had never before skippered in an ILYA regatta.

The ILYA C Scow Raffle fund contributed to fifty percent rebates for juniors at the ILYA C Scow Championship, making that regatta fully free for juniors, and contributed 100% for juniors to sail free in the ILYA Invitational.

All of the junior discounts and first time regatta adult discounts are funded again in 2009 **for skippers who register before the early registration deadline**. The Notices of Race and online registration forms reflect the junior discounts. First time adult participants should contact the ILYA office when they prepare to register for instructions on entry.

Thanks to the Sailing Promotion Donors!

The following Platinum, Gold, and Silver donors have made substantial contributions and or pledges over the past years to the Sailing Promotion Campaign, formerly called the Sailing Director Program. If you would like to contribute to this worthy endeavor, contact the ILYA Office at 262-203-7721 or email Scowslants@aol.com.

Service complements online membership and regatta registration

Notices of Race are on the website

The NORs for ILYA 2009 sanctioned events can be found in this issue and on-line under the Racing menu at www.ilya.org. Official NORs may be updated as needed prior to the events.

Regatta Registration On-Line

On-line Regatta registration continues to attract nearly 80% of our participants. By registering on-line, skippers' yachts are immediately and automatically entered on the event on-line roster.

Membership Renewal On-Line

The on-line membership renewal process was revamped in early 2008, and while there were some glitches at first, it is now running smoothly. By joining or renewing on-line, you will save the Association substantial dollars in printing and postage and processing, and set the stage for future improvements in membership and regatta registration.

You will benefit immediately as well. By using the on-line renewal, you will set yourself up for:

- Easy renewal in 2010 with most membership data pre-filled for you.
- Easy access to your membership data so that you can change your address or your email address at will.
- Membership only access to the ILYA membership database to search email addresses for your sailing friends, or to see others who share interest in your Scow or Junior or Race Committee categories.

The regatta registration and membership sites are secure sites. After signing up, you will see a confirmation with your system-generated membership ID number. Your membership ID number or your email address, along with your self-generated password, will give you full access to the membership data.

We hope that you will find that these new features make it easier for you to get the information that you need.

Thanks for your consideration, and good sailing!

Warning: Classifieds Scam

You may have occasion to use the ILYA Scow Slants or the ILYA Web Site (www.ilya.org) to advertise a boat or related equipment. Evidently some scam artists have found the ILYA Web site and its classified ad page. One of our current advertisers told me he was contacted twice recently with the scam. I heard a similar story from two other ILYA members recently as well.

The scam works something like this (with possible variations): The interested person (scammer) supposedly has a friend or business acquaintance who owes him money. That

money (more than you are asking for the boat) is sent to you in the form of a cashier's check (WHICH IS FAKE!). When you receive the cashier's check, you are supposed to deposit it and send a personal check for the overage amount to the scammer.

Here's how you get taken: The bank has no idea that the cashier's check is fake, so they accept it, and you send a good check to the scammer. After a few days, the bank finds out that the cashier's check was fake, and you are responsible for it. By then you are out your good check, and possibly the boat, if the scammer

even bothered to come get it.

You have probably read about this type of scam in your local newspaper. I know it has been written about in the Janesville (Wis.) Gazette a couple of times now.

Precautions: Don't accept or deposit any checks without having the bank first verify its authenticity. Tell others about this scam, especially if they may have items advertised somewhere.

Two big Opti regattas at LaBelle this summer

No Tears East, the ILYA one-day Opti regatta for young sailors, will be hosted by LaBelle Yacht Club in Oconomowoc on July 20. Great weather is planned – good breezes and plenty of sunshine. And if not, we'll make do anyway and everyone will have a good time with plenty of hospitality from LYC. LYC is one of the infamous ILYA clubs without a building, so the regatta will operate out of the Tweet (Mihelich) family property on Mary Lane (see NOR for all details). Three yards and six piers will combine to make a great regatta venue, in

sight of the "Big End" of LaBelle where all the racing will take place.

The "Blue Chip" for Optimists, namely The Red White & Blue Chip Regatta, by qualified invitation only, was founded and is hosted by LaBelle Yacht Club. Approximately 20 – 25 sailors qualify at key summer regattas, and each ILYA sailing club with more than five active Opti sailors gets one invitation to award to a non-regatta qualified sailor as they

choose. This year's RWB Chip will again be held on the spacious grounds of Olin Sang Ruby. Racing, parties, great meals and entertainment for 40 -45 of the Midwest's top young sailors will take place August 17 and 18, with check-in and a mixer the evening of August 16.

For more information on both of the LaBelle hosted Opti regattas, please contact LYC Rear Commodore and Regatta Chair, Kathryn Tweet at 262-490-8062 or ktweet@wi.rr.com. Please see the LYC or ILYA websites too.

Waiver of Liability for ILYA No Tears and IOD Championship Regattas

WAIVER OF LIABILITY: I recognize and understand that participation in the regatta is voluntary, and that my child incurs risks by participating, including the possibility of death or injury. In consideration of the acceptance of my child's entry, I waive any and all claims, charges, losses and liabilities including those caused by negligence, against the Inland Lake Yachting Association and its host clubs, their respective officers, trustees, contractors, employees, and members, and against any and all volunteers, which may arise from, or in any way be in connection with, the practices or activities of the regatta and its organizers. I am aware that the activities of my child may involve maneuvering a boat on deep waters in potentially hazardous conditions which may include among other things, cold water temperature, strong winds and high waves, sudden and unexpected immersion in deep waters and collision with other watercraft or stationary objects such as docks, pilings, and buoys. I understand that I am responsible for the actions of my child while he or she may be participating in the regatta and on the grounds of the event host, and that I am solely responsible for deciding whether or not my child participates or continues participating in the event. ILYA WAIVER OF LIABILITY: I recognize and understand that participation in the regatta is voluntary, and that participants may incur risks by participating, including the possibility of death or injury. To the fullest extent permitted by law, I hereby waive any rights I may have to sue the race organizers (organizing authority, race committee, protest committee, host club, sponsors, or any other organization or official) involved with the event with respect to personal injury or property damage suffered by myself or my crew or my child as a result of my or their participation in this event and hereby release the race organizers from any liability for such injury or damage. I understand that I am responsible for my actions or the actions of my child while I or he or she may be participating in the regatta and on the grounds of the event host, and that I am solely responsible for deciding whether or not I or my crew or my child participates or continues participating in the event. ILYA REQUIREMENTS

Skippers residing outside of the traditional Inland states of Wisconsin, Minnesota, Iowa, Illinois, Michigan, Indiana, and Missouri need not be members of ILYA member clubs in order to participate in ILYA sanctioned events.

Skippers residing within the Inland states listed above must be members of an ILYA member club, or must make special arrangements with the ILYA Executive Secretary prior to the first entry deadline.

Individual memberships in the ILYA are not required for persons serving as crew at Inland events. Persons who do register as crew members at ILYA sanctioned regattas will receive free subscriptions to *SCOW SLANTS* if crew addresses are supplied.

Random measuring of boats and sails is required at all championship events and at some invitational and regional events, but all measuring costs are included in the registration fee.

Sailors new to the ILYA can anticipate paying the entry fee and the skipper's regular membership in the ILYA. The only other registration and regatta costs should be for food and social activities unless otherwise indicated.

Sailors' favorite site. . . **Green Lake to host ILYA Annual**

The schedule for the 2009 ILYA Annual Championship Regatta at Green Lake will encompass Wednesday, August 12 through Tuesday, August 18. The Notice of Race can be found in this issue and on the ILYA web site at www.ilya.org. Look under the Racing menu.

Five fleets will compete for their ILYA Championship at this event – Classes E, C, and I-20 will register on Wednesday, August 12 (with some early a.m. registration on Thursday), and race on Thursday, Friday and Saturday, August 13-15. Classes A One Design and MC will register Saturday afternoon (with some early a.m. registration on Sunday), and race Sunday, Monday, and Tuesday, August 16-18. (Class A Open has been discontinued; Class M-16 will sail at a separate venue/date.)

Admiral John Ruf of Bilge Pullers has scheduled the Bilge Pullers summer banquet on Saturday, August 15, so a

great number of Bilge Pullers will find it convenient to attend.

A block of rooms is available at the Heidel House for the week-long event. You can access the block under "ILYA" or "National Class A Scow Association." The phone number for the Heidel House is 800-444-2812. They have a tiered rate system. They have offered \$149 per night for 'run of the house' rooms (they guarantee a specific rate, with a possible variety of room types being utilized), \$179 per night for deluxe lake view rooms, and \$219 per night for one bedroom suites.

There are many other hotels in the area. For more go to: <http://hotel-guides.us/wisconsin/green-lake-wi-hotels.html>.

Green Lake is planning a fun-filled event with a party and band for each half of the week. Of course, the wind will be perfect throughout the event. Make plans to support your fleet and the ILYA at Green Lake.

Hear Ye! Hear Ye! **A Scow Sailors**

Let it be known to the sailing world that the A Scows are coming to Green Lake, Wis. this August for their ILYA Championship Regatta which begins on Sunday, August 16 with registration the day before in the afternoon prior to the Bilge Pullers meeting and banquet at the Heidel House. Aside from this most spectacular body of water for A Scow racing, the surrounding area is renowned for its excellent off water activities.

Green Lake will host a regatta dinner on Sunday, and on Monday the A fleet is planning a reception at the Water Front Grill, next door to regatta headquarters in downtown Green Lake immediately following racing. The Water Front promises a wonderful Mt. Gay Tiki bar and NCASA sponsored snacks for all and will be very much the place to tell the tall tale of how you put the hurt on John Porter or Rob Evans! We will award our day's races at this time as well. Monday night will boast a party in the hall above the Goose Blind w/ a band sponsored by the NCASA.

If you have not planned to attend this event it is in your best interest to reconsider as we plan to have the time of our lives in the land of the Green Giant! Hotel reservations are limited. Go to the www.ascow.org for more info on housing. For more information do not hesitate to contact Todd Haines at 262-968-9060.

A Scow 'Dixie' ***needs a home***

Do you remember the wooden A Scow named "Dixie?" The Oshkosh Public Museum has owned her since 1996 and had hoped to restore and place her on exhibit. Unfortunately, they have not been able to do either. They are interested in donating the boats to a Wisconsin museum/institution. Contact Joan Lloyd at the Oshkosh Public Museum, (920) 236-5766.

Green Lake regatta sponsorship challenge

This year the ILYA returns to Green Lake for its Annual Championship. What a great venue! In a recent ILYA survey, Green Lake topped the list of favorite championship sites. Up to three fleets can enjoy championship caliber courses on the

clear waters of this deep lake which has very little additional powerboat traffic. The ILYA is excited about making the 2009 Championship one of the best ever.

Green Lake also faces challenges in hosting the ILYA Championship. A small

club with no property and limited volunteers, Green Lake relies on the good will of local restaurants and bars to host the social events. Because of their limited membership, they often have to pay for some of the services that other clubs can cover with an army of volunteers. In addition, the economy has not helped to support local fund-raising efforts.

Therefore, in cooperation with Green Lake Yacht Club, the ILYA has identified potential sponsorship opportunities to enhance the 2009 regatta experience for its participants while relieving the burden on the host club. ILYA fleets have already stepped forward as part of their promotional activities: The A scows are sponsoring a band for their half of the week. The C and E fleets are following suit and sponsoring a band for the first half of the week. The MC fleet is working on getting sponsorship for beer after racing.

Additional support would be welcomed. Any business or individual interested in sponsoring any of the listed (or other) items should contact one of the three people listed.

Risks

Sailing is an activity that has an inherent risk of damage and injury. Competitors in this event are participating entirely at their own risk. See RRS 4, Decision to Race. The race organizers (organizing authority, race committee, protest committee, host club, sponsors, or any other organization or official) will not be responsible for damage to any boat or other property or the injury to any competitor, including death, sustained as a result of participation in this event. By participating in this event, each competitor, or in the case of minors, each competitor's parent or guardian, agrees to release the race organizers from any and all liability associated with such competitor's participation in this event to the fullest extent permitted by law.

Rules

1. Except as any of the following are altered by the Sailing Instructions, the regatta will be governed by the rules as defined in The Racing Rules of Sailing, the prescriptions of the United States Sailing Association, the Rules and Bylaws of the ILYA, and the following class scantlings:

ILYA scantling rules for Class C.

The scantling rules of the National Class E Scow Association (NCESA), and

NCESA By-laws Article VI, and Article VIII, parts 4, 5 and 7.

The scantling rules of the National Inland 20 Scow Sailing Association.

The scantling rules of the MC Sailing Association (MCSA).

The scantling rules of the National Class A Scow Sailing Association (NCASA).

2. ADVERTISING will be restricted to Category A.

3. BOATING REGULATIONS of the State of Wisconsin will apply. Wisconsin statutes require all boats to carry a Coast Guard approved PFD for each person on board plus a throwable at all times. All Wisconsin boats must have registration numbers and tags forward of the mast.

Courses

The courses to be sailed will be described in the Sailing Instructions. The racing area will be on the navigable waters of Green Lake and will be described at the Competitor Briefings or by notice on the Official Notice Board at Regatta Headquarters.

Housing

Green Lake is a resort community and accommodations can become quite hard to find. Please reserve early.

A block of rooms is available at the Heidel House for the week-long event. You can access the block under "ILYA" or "National Class A Scow Association." The phone number for the Heidel House is 800-444-2812. They have a tiered rate system. They have offered \$149 per night for 'run of the house' rooms (they guarantee a specific rate, with a possible variety of room types being utilized), \$179 per night for deluxe lake view rooms, and \$219 per night for one bedroom suites.

There are many other hotels in the area-- for more go to: <http://hotel-guides.us/wisconsin/green-lake-wi-hotels.html>.

Miscellaneous

Boat Removal: On Saturday, August 15, and Tuesday, August 18, boats will be removed from the lake.

ALL BOATS MUST HAVE THEIR MAST DOWN BEFORE PROCEEDING TO THE LAUNCHING AREA. Traffic volunteers and the Green Lake police will direct traffic. COVERS, BUNKS AND GENERAL

CLEAN UP OF BOATS WILL NOT BE ALLOWED IN THE LAUNCH AREA. This MUST be done in the registration location at the Green Lake county grounds.

Mooring

No dry sailing will be allowed in the headquarters area. Participants are expected, though not required, to moor in the designated areas in Dartford Bay and the bay and lagoon adjacent to Hattie Sherwood Park. All competitors mooring there must provide adequate ground tackle for a soft bottom approximately 10 to 15 feet in depth.

Green Lake Yacht Club will provide taxi boats from the main headquarters and a short pier located near the former registration area near Hattie Sherwood Park for those participants moored, and parked in that area.

Parking at the headquarters will be at a premium. A walk of several blocks may be required. Competitors are encouraged to drop off their crew and sails, etc. at headquarters and then find a place to park. For those moored at Hattie Sherwood area, parking is available in the field used for registration in past regattas. All trailers shall be stored at the County Highway grounds adjacent to registration.

Local Regulations: Green Lake has a 200-foot no wake zone and no boat may be moored more than 200 feet from shore in the lake proper. Please slow to no wake whenever your powerboat is within 200 feet from shore.

tions now!

Rooms have been reserved at special rates for the 2009 ILYA X Championship. For a list of resorts and hotels visit: www.glyc.com/ilya/accommodations.html.

Miscellaneous

GULL LAKE IS FREE OF MILFOIL AND OTHER EVASIVE SPECIES. PLEASE DRAIN DRY ALL LIVE-WELLS AND HULLS, AND CLEAN ALL HULLS AND TRAILORS PRIOR TO TRAVELING TO GULL. ALL BOATS WILL BE POWER WASHED PRIOR TO LAUNCHING IN GULL.

Dry sailing will be allowed, but dry sailing will not be allowed on site at Gull Lake Yacht Club. Most resorts have ramps. The mooring area will be in front of GLYC.

Adequate mooring anchor and line must be provided by each skipper for a depth of 6-15 feet and a hard, sandy bottom. NOTE: GLYC is located on the open water of GLYC. If overnight severe storm weather is threatening, moorings can be moved into adjacent and well protected "Love Lake," located via a small inlet approximately 1/16th mile to the north of GLYC. Details available at Check-In.

The GLYC launch ramp is shallow. Powerboats will need to launch at one of the four DNR deep water launch ramps on Gull Lake, or at one of the local resorts if you are guest. Maps and details will be available at Check-In. No overnight powerboat mooring at GLYC. Smaller coach's inflatables will be allowed to launch at GLYC.

The ILYA measurer will be present at Gull Lake to assist with compliance issues. The scale will be there again for those of you desiring to be weighed, and to assist with double deck trailers. This year, as in the past, we will be requiring boats to be weighed only if the weight sticker is missing or the weight's seals are not intact. Competitors with their stickers and seals intact will not have to be weighed but may do so optionally if they wish. Boats will also be required to have names and proper deck letters as outlined in the rules, and will be checked for this as well.
