ILYA Partners

With a set of finishes of 1-1-1, Will Haeger dominated the ILYA C Championship in a rare performance. The highly competitive C fleet boasts many ILYA and National Champions still active in the fleet. Pictured above is Will Haeger with Beulah's Kate Klement, the last Beulah sailor to receive the award. Haeger was presented the award by Past Commodore David Porter. Porter explained to the many Beulah social members in the crowd the challenge and accomplishment in this feat. The conditions were such at Winnebago that the wind was not visible on the water and, yet, Haeger, handily won the races with sister Annie and husband Luke (both Olympians) and the wily Steve Schmidt in the hunt.

Will was celebrated October 6th with a large crowd at a surprise party just for this presentation. Parents Kent and Julie were indeed proud but skillful in devising a ruse to allow for the unexpected presentation. A cocktail and hors d'oeuvres party followed at LBYC. (Photos by Anne Berg)

Tim Regan was honored October 13th in conjunction with the Annual Minnetonka Yacht Club Awards Ceremony by Lee Alnes. Alnes proudly presented the ILYA Member of the Year for Regan's work in spearheading the re-birth of the Minnetonka X fleet. From no instruction in X boats only a short five years ago, Regan built the fleet with the help of MYC and LMSS to nineteen boats in attendance at the 2019 X Championships.

"Our 2019 Member of the Year played a key role in reviving and growing the Minnetonka X fleet from zero boats to around 20 in just 5 years. This is no easy feat and it requires a lot of selling and convincing to get parents to purchase an X boat." - Lee Alnes

Thanks Tim, for your dedication and hard work.

Minnetonka Awarded Club of the Year

"The Club of the Year award takes Tim's work a step further and relates to work done at the club level to grow and promote the sport. I had a chance

to visit Minnetonka this past summer for part of the X Inland. I was really impressed by everything I saw and it brought back my own memories of sailing X regattas at Minnetonka. So not only did Tim help foster the growth of the Minnetonka X fleet, but every single one of those boats participated in the ILYA X Inland Championship event. In recognition of the incredible X Inland held last summer." Alnes reports later in the evening as they brought up the youth sailors, they asked each skipper what was the most fun they had during their summer of sailing. Every one that I could hear said "sailing in the Inland" which made me really happy."

Many of the participating youth are pictured here as Minnetonka Yacht Club was presented with the ILYA Club of the Year. Minnetonka hosted the X Championships for the first time in 23 years.

Alnes appears here with Gretchen Wilbrandt, Minnetonka Club Manager, and Pat Hughes, Minnetonka Commodore to receive the plaque.

But there's more. . .

Look for more presentations in the spring when the ILYA travels to complete the presentation of the 2019 Awards.

Rules Seminar - NOVEMBER 2

Milwaukee YC - November 2nd

We need more trained, certified judges in Wisconsin. There is no question about that. So what is a judge? He is not the person running your local races. The JUDGE presides or participates in protest hearings.

Milwaukee YC is hosting a US Sailing Club Judge Seminar on Saturday, November 2. It's all day. The Registration on the link below has a \$35 registration fee. That's only for the seminar and the test. Coffee, sweet rolls, lunch and afternoon cookies are an additional \$25 payable at the door.

Cliff Black our friendly neighborhood National and International judge will be the instructor. Cliff is familiar to the Opti and College crowd. He serves for most Midwest USODA events. His smiling face is familiar to Pewaukee and Geneva folks.

The direct link to the seminar is [MYC CLUB JUDGE SEMINAR](#). This takes you to the US Sailing education pages.

Last Minute - This Weekend - Advanced RC Course - Port Washington

The Advanced RC Course is nearby. It is two days and taught again by John Strassman who is an exceptional teacher. The Area K RC representative to US Sailing, Rich Reichelsdorfer will co-present. At this point, if you cannot locate this on the US Sailing course calendar page, a call to US Sailing is advisable.

Saturday Conditions Prohibit Racing

Delavan wisely cancelled sailing on Saturday due to inclement conditions. Mainly the air temperature combined with high winds led PRO Brian Buzzell to call the day early. Sunday was another story: temperatures were up another 10 degrees and wind conditions were 10-20 with a rare gust to 22mph. So off the fleet went for three cold, wet races in the morning. Twelve of the thirteen boats participated after a rousing, fantastic Fish Boil with a band on Saturday night. And here are the winners and this is the difference in first and second:

Augie Jarecki in B-22 and Frank Davenport, Jr in B-303 (number hidden) were tied for first. Augie won the tiebreaker on this finish.

Augie sailed with mom Andrea and dad Ron (Frank Davenport's regular crew). Congrats to this "straight out of the X boat" skipper.

It's Worth a Check Each Weekend

College Singlehanded Nationals qualifiers are nearly complete. The Midwest will be represented by Jonathan Bailey (North Lake) and Patrick Schmidt (Beulah) and Rebekah Janssen (North Lake) - all Wisconsin sailors.

On the East Coast, Kate Cox is shining. A Minnesota crew Genna Viggiano is sailing strong. Allison Marozza traveled out East representing Michigan this weekend and finished high. The Wisconsin teams were active.

Sailing for Navy on keelboats is Pewaukee's Matt Malone. They have won two big events. Here he is with the Navy team winning the Storm Trysail Intercollegiate Regatta.
