Polar Bear C and MC Regatta

Cancelled

2019 Lake Davenport Sailing Club Polar Bear Regatta is CANCELLED due to high river current!!!

We're sorry to announce the CANCELLATION of the 2019 Polar Bear Regatta. The river is rising fast and so is the current. River level forecasts put the height way above anything we recommend for sailing. So unfortunately, we will be unable to sail safely in these conditions. Any pre-paid registrations or meal fees will be refunded.

Hope to see you next year.

Best regards,
Lake Davenport Sailing Club

Calendar

First Edition

It's seems early; yet, each September the leadership in scow sailing begins in earnest for the subsequent season. Note - this is the first published draft but many clubs, hosts, organizing authorities have selected the preliminary date of choice.

Consider:

Donate to ILYA or Support
your Olympic Contenders

- National sailing organizations have to weigh in
- Host clubs have their own celebrations or unique scheduling concerns
- THE DEMOCRATIC CONVENTION has taken every hotel room in IL and WI July 13-16. That includes the Abbey so we hope moving GLSS up a week helps us. Get your reservations now
- EAA convention is July 20-26
- Every 6-7 years, the calendar is just a tough layout. July 4th is a Saturday which puts a wrench in the works.
- Our youth are our most important commodity. We MUST schedule Invites and Championships to allow our young adults to enjoy sailing AND support sailing

[Here is the first take.](#) - It is posted on the Lake Beulah website for the editor's convenience.

Please contact the editor to add your event to the calendar. The Bylaws of the ILYA and WYA dictate dates; those organizations need to review their procedures at their scheduled meetings.

Women's Keelboat Regatta - Wayzata

September 28-29

Over the last 50 plus + years, the Wayzata Yacht Club has been a strong proponent of women in sailing. Today, about one-third of our members (172 members) are active women racers. Our "Women at The Helm" Series originated in 1987 and is today averaging 28 boats. We have sent numerous teams to the prestigious Rolex International Women's Keelboat Championship and two of our Commodores in the last 10 years have been female.

In 2019, Wayzata hosted the 2nd annual Women's Midwest Championship, held on the beautiful waters of Lake Minnetonka! The racing is competitive exclusively with women-helmed boats and all women crew. Once gain, the Sonar fleet has generously agreed to make their boats available to teams that wish to compete.

And the winners are. . .

From Lake Geneva - Sarah Lamphere, Annie Huerth, Lindsay Valasek and Kristin Freytag. Congratulations to these fine women - mothers and spouses to loads of ILYA Champions. The support team at the event was T Freytag who served as coach and cheerleader Bob Allen.
