Mystery Guest Malcolm Page Wins E Blue Chip

Only Twice Before has ??? Taken the Title

Malcolm Page with crew Jim Campbell, Harry Melges IV and Finn Rowe took the E Scow Blue Chip by storm. Oh, did someone say, "storm"? That was the prevalent weather pattern for the weekend. After a "no race" day on Friday with becalmed water the fleet sailed two morning races on Saturday, then took a break. Sunday was a downpour with winds in the 20s and a little higher. The Race Four DNF scores are indicative of invisible wind which paid a rather nasty visit with surprise knockdowns. - -- It's always a mystery at the Blue Chip.

Nan Norris C Beulah Challenge

Frank Davenport is up to the Challenge

National Champion Frank Davenport with National Champion crew Ben Porter relied on National Champion MOM Annemarie Probst to win the race on Day One. That set the stage for the final of the two-race regatta. The same weather pattern as Pewaukee led to no more racing due to high winds on Saturday and then pounding rain on Sunday for one race. The team tied on points with the Kutschenreuter trio. George is the grandson of the Nan Norris who was a Beulah RC favorite and institution. Pictured are Dad Jim Kutsch, Erin Monahan Kutschenreuter and George.

High Schoolers - Plan to attend the popular UW Madison clinic - September 28-29

Parents, here is an opportunity to have your child experience college sailing now. Consider giving them a taste of college life. There are plenty of hotels on the beltline if you do not want to stay on campus. Also there are campus hotels - which from my experience are a bit more noisy, oh, I mean exciting! If you have not stayed at the newly remodeled Edgewater (walking distance), give it a try.

Mendota is Quiet!!

For most of us, our lakes are filled with motorboats. This is a nice change to watch sailing on a more tranquil lake. The Union is right there to observe your child during the clinic. There is ice cream, brats and beer - all within 200 feet of the clinic. State Street is a shopping, gastronomic and psychological study of college. Don't miss the ethnic restaurants. If you just need a weekend to relax, sit on the terrace or go inside the Union and find a comfortable spot. Or choose the sitting area outside the Edgewater facing the lake. This is a dream weekend for parents. For parents with small children, the Children's Museum is an interactive day of play. Or visit the Wisconsin Veteran's Museum on Capitol Square. There is never a time you will not enjoy Madison.

Support your favorite sailing team

Keep the UW Madison sailing team in your donation giving. All the Midwest college teams are "club" sports and survive the costly travel on donated or self-funded dollars.

Nagawicka Hosts Oktoberfest

MCs are added this year to Laser, Vanguard 15s and 420s --- October 12-13

There is no club who welcomes you with more open arms than Nagawicka. If you are not on the high school roster this weekend, find a boat and go to Nag. MC's - this is a treat. There is a large homelake contingent with all levels of skill. You can feel welcome no matter your ability. The lunches are never better than the homecooked meals at Nag. You will meet new sailors in the Vanguard and Laser fleets.

The regatta runs from noon on Saturday to mid-day Sunday and is fun and very casual and inexpensive, If you've never been part of it, we set a modified (start and finish half way up the windward leg) course and run back-to-back short races until the sailors have had enough for the day. Prior years we ran 11-12 short races over the two half days. A meal is served after each day of racing.

Most of the participants are from the Milwaukee and Chicago area sailing communities. It's tons of fun and is also a fund

raiser for our sailing school. Please join us for the fun.

NoR, SIs and registration forms - will be posted on [Nags's home page.](#)

Lake Fenton C Regatta

September 14-15

The 2019 Lake Fenton Fall Regatta was a blast as usual and very competitive with thirteen boats from six different lakes. The weather was great with sun and wind aplenty both days. In total we sailed seven races with one throw out race. We had a very competitive fleet with six different race winners. Everyone enjoyed the traditional Fenton hospitality and had plenty of food, drink, and socializing. All were happily sore on Saturday night after five hard races in medium-heavy air and secretly hoped for a lighter air Sunday, but it blew almost as hard on Sunday for the final two races. Thanks to all who helped make this regatta possible and to the exceptional race committee lead by the legendary David Nickels and son Kevin as has become tradition with help from multiple other veteran LFSC members.
