And who doesn't want to watch the A's?

other during the day.

Even RC goes out to watch

Even the young guys go out to watch!

Back to the races - look at this finish!

RC has an iPad videorecording over the shoulder of the "caller", audio recording on the line, camera on the approach and old fashioned recording on a clip board.

And here it is just a few seconds later. Yes, we got it right on the first call.
