90 and retiring!

The Okauchee crowd bid farewell to Doc Henschel on the C scow racing water for the last time. Dr. Tom Hodgson joined those wishing Doc well as he embarks on another leg in his journey. And lest you think this is retirement - HA! Doc continues to assist with the Marquette Dental School weekly; charms all the folks at his apartment in Milwaukee, paints vivid watercolors in his spare time and . . . Thanks, Doc, for all the race wins, marvelous trophies made from your water colors, and the booming "STARBOARD" coming from your boat. You have been a gem and will always be close to our hearts.

Deadline for USODA Optimist Midwest Champs - TOMORROW, TOMORROW!

A beautiful Fall weekend

Seventy-two boats will take to Pewaukee for a 50s - 60s Fall beautiful weekend. The Green fleet is only seven so it is the perfect regatta for those sailors who are a little anxious on the starting line.

This is a Team Trial Qualifier for the RWB.

[Register here.](#)

MC Clinic at Geneva

Ted Keller to Teach

On Saturday, 9/21/19, the Lake Geneva Yacht Club will be hosting a MC Training Seminar presented by the MC Sailing Association (MCSA). The MCSA is providing a one day instructional seminar on setting up, tuning, and racing the MC to all members & non-members of the class. The class will be taught by 2019 MC Masters Champion Ted Keller. The Lake Geneva Yacht Club will be the site of the 50th Anniversary of the MC National Championship to be held on 8/19/20 - 8/22/20.

Please click [here](#) for additional information on the Seminar.

Regattas, Regattas, Regattas - Sail in the Fall -Nothing Better

OPTIS

----- Pewaukee USODA Midwest Champs

Pewaukee steps up first with the USODA Midwest Champs. This is a qualifier for the 2020 Team Trials in the Spring. Summer is winding down, but there are still Optimist regattas not to be missed! The 2019 Optimist Midwest Championship is a must attend event!

[REGISTER TODAY](#) for the 2019 Optimist Midwest Championship on Sept 6-8, 2019 hosted by PLSS at PYC. Race days are Saturday and Sunday, Sept 7-8.

This is an awesome opportunity to sail at a USODA event among sailors all across the Midwest. There will be separate Green Fleet and Championship Fleet divisions. We are expecting about 80 boats from around the country, so come represent your lake! If you raced in the Beulah Fun, No Tears, TRAC, or Pram Power this summer, you CAN DO Green Fleet at this event. All other Optimist sailors should be doing the Championship Fleet.

Get registered today! **Registration Closes: 12:00:00 pm CDT, 09/04/2019).**

Friday night guest speakers will include 2019 C Boat National Champion Augie Barkow to talk about "how to sail Pewaukee Lake, tips and tricks!" and 2019 A Division College Nationals Champion, Augie Dale to talk about "From my first USODA event to winning A Division College National's; Sailing after Optis in High School and College." Saturday Night Regatta Dinner will be a great way to share stories from racing throughout the summer. The regatta will also have vendors and sponsors onsite and a large collection of awesome raffle items! It's time to put all of your hard work this summer on the line; this could be your last regatta until next June.

More information can be found at: www.plss.org/midwestchamps

Hope to see you there!

Regatta Co-chairs: Michael Boland & Emlie Barkow Veinot

The current registrants number 64 with only 6 Green fleeters. USODA differs from our regattas here in the Midwest. The Green fleeters are not recognized individually with awards indicating places. The sailors will receive medals but the "scoring" is referred to as "tracking." You will be able to determine where your sailor stands in the fleet. Pewaukee is a great lake for those sailors who just began to show sailing prowess at the end of the season. Come join us for Green Fleet. The RWB competition will be all levels. The registrant list show our best Green fleeters moving up to RWB, Chicago, TX and WI sailors. It will be fun!

October Spooktacular - Lake Forest October 26-27

This is one of the most fun events of the year. A Saturday night costume party makes the event. Be sure and pack your Fall foul weather gear. This is truly a NO MISS event. It is a multifleet event with the high schoolers already scheduled.

----US Sailing Junior Olympic Festivals

There are two events in the Fall: Tennessee and Michigan. [Check the US Sailing calendar for more info.](#)

X Boats

The season is over for the X boats as most of our sailors move into high school sailing season. 7th and 8th graders are included in the training for the Fall season. If you have a boat to sell, please consider listing it with dberg@ilya.org.

O'pen Bics

This fun fleet will be added to the longstanding MC/C Fall Maxinkuckee

event. Sailed from the Culver Military Academy, this is an oval lake which is just beautiful - in a word.

MCs

There are so many small Fall regattas left for this fleet. If you want a casual, enjoyable Fall weekend with your friends:

- try the Dorn Memorial Regatta on Beulah, September 7-8.
- Or on the same weekend try something new by traveling to a most perfect sailing lake Maxinkuckee, IN. The C's and O'pen Bics will be there also. Again, Sept 7-8 just east of Chicago. It's an easy drive.
- OR. . . the same weekend, try team racing on Upper Minnetonka. Wives, the little municipalites around Minnetonka make for marvelous shopping. Sailors, this is a team race format which has proven to be a contest between the MC sailors of Clear Lake and all comers
- North Lake is next on Sept 14-15. This lake is near Okauchee, Pine, Nagawicka and Pine. No excuse to miss this one
- Harriet Die Hard - you northerners, gather around this beauty of a lake on Sept 21-11.
- The MC Blue Chip is the last weekend of September. If you have been invited, please consider attending. There are loads of very talented Michigan MC sailors. Go meet this group of fellow singlehanded sailors.
- In October, try the Polar Bear where Cs and MCs tackle the Mighty Mississippi. Barges and a dam just are local interest.
- A new one on the calendar is Indianapolis in late October. Check out the MC Scow Organization website for all the particulars

C's

Maxinkuckee is up first

Here's the official scoop on Max:

MYC will present perpetual trophies to winners of the Fall C/MC Scow Regatta, September 7 & 8. The 80 years old Thomas C. Condon trophy is now be awarded annually to the C Scow champion. A perpetual trophy is also awarded to the MC Scow champion. In addition, perpetual trophies will be awarded in each fleet to recognize the efforts of competitors in their peak years of skill-development and less likely to achieve podium-level recognition. Annual fleet winners are participants who have bested peers of equal skill level. MYC named these the Transom Fleet Champion perpetual awards. Winners are the top competitors whose overall place is over but closest to 60% of the total registered participants and who did not place better than 40% in any individual race.

Lake Maxinkuckee is the second largest natural lake in Indiana (spring fed), covering 1,864 acres or 2.9 mi². The average depth is 24 ft., max. 88 ft. The Town of Culver is located on its northwestern edge. Lake Max is a premier Scow sailing lake. It's large but not too large (1.5 x 2.5 miles), clean and void of boat waves in September. It is a must-do on every scow sailor's bucket list.

Regatta HQ is at the Naval Building on the grounds of Culver Military Academy, a college prep school. The redbrick buildings on the New Englandesque, 1800-acre campus contain military touches like turrets and parapets. The chapel houses the second largest pipe organ and clarion in the United States. The Vaughn Equestrian Center has the largest indoor riding arena located on an academic campus. The 47,000 square foot library is one of the most modern secondary school libraries in the country.

Register at <https://www.myc-culver.org/>

Fees: C Scows \$75, MC Scows \$60. C Scows \$90 MC Scows \$75 if

registered after September 4th. Breakfasts and lunches included for two people for C Scow registration and one person for MC Scows. Extra breakfast/lunch package \$15 per person. Attention C Scow Youth Sailors: The NCSSA will pay the registration fee (no social stuff) for any Youth/Junior sailor (<25) that is an NCSSA member.

Here are the remaining Fall events.
