Erik

Bowers for the Win

From all reports, Minnetonka provided quite a challenge to the MC Fleet. For hometown favorite, Erik Bowers it was consistency that yielded success. Add his couple years traveling on the Laser circuit and his innate talent, the Nationals win is no surprise.

MC Youth Nationals - Cedar, WI

Sister-Brother Team of Simons Take Title in Close Battle with Augie Jarecki

The scores tell the story. It was a close fought battle up to the end. With a one-point victory, the Simons took home the title of Junior MC Champions. Watch for them in the Fall at local events sailing the MC. [Here they are with some familial love.](#)

In second was Augie Jarecki with Lane Dresden.

Jarecki also has experience in the MC. You can find him steering the family boat on Lake Beulah but has to work hard to catch up to the scores posted by mom Andrea Keck Jarecki. He borrowed his brother's X boat crew for this event. Augie also will appear in a Fall event or two. [Watch Augie's video at the conclusion of the event.](#)

Delavan's Nathan Hetzler moved from the X boat into MCs. He made the transition easily and placed in the top ten at the ILYA Championships this month.

Watch all the coverage on the MC Scow Facebook page. You will need to scroll down to August 21st posts.

Roble Shea Sit in Tenth

The world's best sailors are gathered in the site of the 2020 Olympic Games. This is on the heels of the Test Event which served as a prelude where the Roble-Shea team represented the US as the sole 49er FX team. The team finished 10th there and sit today in the same position after one day of racing.

[Follow the results here.](#) Day Two was blown out so the schedule will become compressed.

MC Clinic at Geneva

Ted Keller to Teach

On Saturday, 9/21/19, the Lake Geneva Yacht Club will be hosting a MC Training Seminar presented by the MC Sailing Association (MCSA). The MCSA is providing a one day instructional seminar on setting up, tuning, and racing the MC to all members & non-members of the class. The class will be taught by 2019 MC Masters Champion Ted Keller. The Lake Geneva Yacht Club will be the site of the 50th Anniversary of the MC National Championship to be held on 8/19/20 - 8/22/20.

Please click [here](#) for additional information on the Seminar.

Regattas, Regattas, Regattas - Sail in the Fall -Nothing Better

OPTIS

----- Pewaukee USODA Midwest Champs

Pewaukee steps up first with the USODA Midwest Champs. This is a qualifier for the 2020 Team Trials in the Spring. Summer is winding down, but there are still Optimist regattas not to be missed! The 2019 Optimist Midwest Championship is a must attend event!

[REGISTER TODAY](#) for the 2019 Optimist Midwest Championship on Sept 6-8, 2019 hosted by PLSS at PYC. Race days are Saturday and Sunday, Sept 7-8.

This is an awesome opportunity to sail at a USODA event among sailors all across the Midwest. There will be separate Green Fleet and Championship Fleet divisions. We are expecting about 80 boats from around the country, so come represent your lake! If you raced in the Beulah Fun, No Tears, TRAC, or Pram Power this summer, you CAN DO Green Fleet at this event. All other Optimist sailors should be doing the Championship Fleet. Get registered today! **Registration Closes: 12:00:00 pm CDT, 09/04/2019).**

Friday night guest speakers will include 2019 C Boat National Champion Augie Barkow to talk about "how to sail Pewaukee Lake, tips and tricks!" and 2019 A Division College Nationals Champion, Augie Dale to talk about "From my first USODA event to winning A Division College National's; Sailing after Optis in High School and College." Saturday Night Regatta Dinner will be a great way to share stories from racing throughout the summer. The regatta will also have vendors and sponsors onsite and a large collection of awesome raffle items! It's time to put all of your hard work this summer on the line; this could be your last regatta until next June.

More information can be found at: www.plss.org/midwestchamps

Hope to see you there!

Regatta Co-chairs: Michael Boland & Emlie Barkow Veinot

The current registrants number 64 with only 6 Green fleeters. USODA differs from our regattas here in the Midwest. The Green fleeters are not recognized individually with awards indicating places. The sailors will receive medals but the "scoring" is referred to as "tracking." You will be able to determine where your sailor stands in the fleet. Pewaukee is a great lake for those sailors who just began to show sailing prowess at the end of the season. Come join us for Green Fleet. The RWB competition will be all levels. The registrant list show our best Green fleeters moving up to RWB, Chicago, TX and WI sailors. It will be fun!

----US Sailing Junior Olympic Festivals

There are two events in the Fall: Tennessee and Michigan. [Check the US Sailing calendar for more info.](#)

X Boats

The season is over for the X boats as most of our sailors move into high school sailing season. 7th and 8th graders are included in the training for the Fall season. If you have a boat to sell, please consider listing it with dberg@ilya.org.

O'pen Bics

This fun fleet will be added to the longstanding MC/C Fall Maxinkuckee event. Sailed from the Culver Military Academy, this is an oval lake which is just beautiful - in a word.

MCs

There are so many small Fall regattas left for this fleet. If you want a casual, enjoyable Fall weekend with your friends:

- try the Dorn Memorial Regatta on Beulah, September 7-8.
- Or on the same weekend try something new by traveling to a most perfect sailing lake Maxinkuckee, IN. The C's and O'pen Bics will be there also. Again, Sept 7-8 just east of Chicago. It's an easy drive.
- OR. . . the same weekend, try team racing on Upper Minnetonka. Wives, the little municipalites around Minnetonka make for marvelous shopping. Sailors, this is a team race format which has proven to be a contest between the MC sailors of Clear Lake and all comers
- North Lake is next on Sept 14-15. This lake is near Okauchee, Pine, Nagawicka and Pine. No excuse to miss this one
- Harriet Die Hard - you northerners, gather around this beauty of a lake on Sept 21-11.
- The MC Blue Chip is the last weekend of September. If you have been invited, please consider attending. There are loads of very talented Michigan MC sailors. Go meet this group of fellow singlehanded sailors.
- In October, try the Polar Bear where Cs and MCs tackle the Mighty Mississippi. Barges and a dam just are local interest.
- A new one on the calendar is Indianapolis in late October. Check out the MC Scow Organization website for all the particulars

Maxinkuckee is up first

Here's the official scoop on Max:

MYC will present perpetual trophies to winners of the Fall C/MC Scow Regatta, September 7 & 8. The 80 years old Thomas C. Condon trophy is now be awarded annually to the C Scow champion. A perpetual trophy is also awarded to the MC Scow champion. In addition, perpetual trophies will be awarded in each fleet to recognize the efforts of competitors in their peak years of skill-development and less likely to achieve podium-level recognition. Annual fleet winners are participants who have bested peers of equal skill level. MYC named these the Transom Fleet Champion perpetual awards. Winners are the top competitors whose overall place is over but closest to 60% of the total registered participants and who did not place better than 40% in any individual race.

Lake Maxinkuckee is the second largest natural lake in Indiana (spring fed), covering 1,864 acres or 2.9 mi². The average depth is 24 ft., max. 88 ft. The Town of Culver is located on its northwestern edge. Lake Max is a premier Scow sailing lake. It's large but not too large (1.5 x 2.5 miles), clean and void of boat waves in September. It is a must-do on every scow sailor's bucket list.

Regatta HQ is at the Naval Building on the grounds of Culver Military Academy, a college prep school. The redbrick buildings on the New Englandesque, 1800-acre campus contain military touches like turrets and parapets. The chapel houses the second largest pipe organ and clarion in the United States. The Vaughn Equestrian Center has the largest indoor riding arena located on an academic campus. The 47,000 square foot library is one of the most modern secondary school libraries in the country.

UW Alumni Band Performs at Beulah Commodore's Ball

If you want to be a Badger. . . just sail along with me. It was a surprise performance on Saturday night as Beulah held its annual Commodore's Ball for Joe Skotarzak. The committee contracted with the UW Alumni Band for a short appearance. It was a festive night and all went fabulously well with a C scow bar serving Pewaukee specials. OK, no publishing the obscene amount of money made in 2 hours outside on a spectacular evening with C scow sailors thanking their friend.

But, lo and behold, hiding in this band was a former Opti and X sailor who knew exactly where Lake Beulah was.

Lydia Garlie from Cedar, now grown up as a statistician in Madison, met with her old Green Fleet PRO after the surprise performance. Lydia's mother, Nina, is the current Cedar Commodore. Hmmmm, any ideas for a party?

This just in!

Doc Henschel Completes another year of sailing

Rumors are flowing: this is the last year of sailing for nonagenarian Doc Henschel. (Who even knew we would ever use that word?) Wasn't it just last year he won a race? Doc has been a staple at Okauchee on the water and off. His watercolors are the prizes distributed at the annual C Blue Chip. He has sailed 15 races this season in the championship series. AND. . . sits in third in the Wednesday Night Series. His crew, daughter Heidi, has been with her dad for years. Together they cut quite a figure on the course. About five years ago, Doc was worried he was going slow so he researched and purchased a new mast to return to top speed.

Congrats, Doc, on a great sailing career and if you decide to return in 2020, we will be cheering you on!
