Green Fleet

Seven races in two days: Big wind and moderate wind; weeds and perfect water; Wisconsin, Illinois and Minnesota sailors, big lake sailors and little lake sailors; experienced skippers who will move to RWB next year and first regatta skippers; confident masters of the boat and tentative tykes who needed encouragement. This group of thirty-one Green fleeters proved their mettle in high wind on Monday. They had to be convinced NOT to go back out in the afternoon when gusts

were hitting 28mph. Safety boat concerns and a sense of responsibility on the part of the PRO resulted in "swimtime" late Monday when the wind built.

The full complement of seven races was accomplished with an early 9:00 AM start on Tuesday with gorgeous 10 MPH wind on a day when 2-5 was predicted. The fleet was tired after three races but a fourth race with a shortened length allowed the fleet to prove themselves endurance champions and a return to shore by 12:15 resulted in a most successful adventure.

The spectator fleet was full of grandparents - Keanes, Strothmans, Jewetts, Rendalls, Ostbye. This is a sport enjoyed by all ages and all levels of participation. Take a moment to review the names on the boats. Then review the last names and you will see where are adult sailors reside --- many in the Opti fleet.

Red, White and Blue Fleet

RWB Start - Photo by Jay Rendall

PRO Charlie MacNider ran six races: five on Monday in heavy, heavy air and one on Tuesday. The second race on Tuesday was abandoned due to fleet inversion with a strong one-sided shift. These Opti sailors sailed courses just as long as the X courses a few days before. The trapezoid course was utilized on Monday, windward-leeward on Tuesday. New this year was on-the-water judging thanks to John Porter, Greg Gifford and Matt Resch. A couple calls were made for sculling mainly at the starting line and another for body propulsion. Only non-escalating warnings were issued. Motor boat wake and spectator boat positioning was well-received and there was some talk of this monitoring of the X fleet course in future years. Of most note was the lack of DNF in this heavy wind. The smallest of sailors managed the wind. What a brave bunch of sailors in perhaps our highest of winds at an Opti Championship.

Charlie Allen - RWB Champion --- Photo by Jay Rendall

Dr. Bill Lieber, Dawn Greeson, RN, Mike Greeson Receive Goes Sportsmanship Medals

It's not only about sailing. The three individuals above were thanked for safety provided a young sailor injured on the course. The Greesons immediately went to the rescue of a sailor floundering

on the course in apparent distress. Dr. Bill Lieber was called to the spot to provide additional consultation. The sailor was fine after treatment, mom on shore received medical advice, all was well. These three left their sailors in heavy, heavy wind (Greesons with a first year white sailor) to provide aid and assistance in what fortunately was not an emergency services call due to their fast sighting of the sailor and quick action. Our gratitude always to our parents who have the best interest and observation of all our sailors.

As we bid farewell to White Bear, the ILYA wants to thank Karen Alnes and the many WBSS volunteers who provided a relaxing, efficient regatta on one of the most attractive backdrops. The WBSS staff of young individuals were truly the best- launching, measuring, registration and RC work. You are a special group of dedicated young people. Thank you so sincerely.

Personal thanks from the editor to Tom Johnson who spent a week on my boat at Minnetonka and White Bear and to Charlie Helmes who assists the Green Fleet PRO each time we are in our western regions. The editor has a new friend in Tom to add to the many, many faces who worked, came to view grandchildren or who just came over to say hello. To all of my White Bear friends who have worked these many years for the ILYA, thank you. It was most heartwarming to see the Dixon Tewes family, Jason Brown, Rendalls and the entire Keane clan together. Thank you for the lasting friendship.

North Lake's Annual Pram Power Regatta is Thursday, August 8th

What is Pram Power?

- A fun regatta geared toward beginner sailors that may be new (or newish) to regattas.
- Coaches from North Lake and other sailing schools cooperate to assist sailors as needed -- a great environment for learning!
- The sailors will be divided into junior and senior fleets that will sail at different times, allowing sharing of boats.
- How do we fill the down time? With crafts!!! Sailors and siblings are invited to do shrinky dinks, tie-dye t-shirts, etc. (Included for registered sailors and available for purchase for siblings.)
- Please bring a 100% cotton white t-shirt to decorate as one of your crafts--unless you pre-order a shirt.
- We'll have a raffle for cool sailing gear and more!
- Lunch will be homemade tacos, fruit, and cookies. Delicious.

We will not be accepting registrations the morning of, and space is limited. Please register early!

Cedar Lake, WI offers Level I instruction for coaches and also hosts MC Youth Nationals

U.S. Sailing Small Boat Level 1 Course

Cedar Lake Yacht Club is hosting a level 1 course on the weekends of Aug 17-18, and Aug 24-25. This is an outstanding opportunity to get your sailing instructors qualified for next season. It is always tough to get instructors certified in the spring. This is your chance to get it done in the fall. You can sign up using the following link at US Sailing at <https://www.ussailing.org/education/resources/course-calendars/#small-boat-level-1>.

If you have any questions, contact Ed Eckert, 262-343-2396.

MC Youth Nationals

2019 MC Youth Nationals will be held at Cedar Lake Yacht Club on Aug 20-21. This is a great opportunity for you to try out an MC and compete against all of your friends at a great event. Beg, borrow, or steal (not really) an MC and find your way to a great event. Cedar Lake will also try to

have some boats available if you can't locate a boat. Housing is available. Please contact Jeff Shabino for any questions, 847-790-6104, shabino@me.com.
