## ILYA X Championships - Day Two Recap Follow RESULTS HERE

### Day TWO - THREE RACES IN MODERATE WIND

Minnetonka sailors, parents and RC were met with storms as they arrived onsite. The rain stayed long enough for all participants to get wet out to the island or to boats. But, then, the most gorgeous day developed into a dream day of racing. Both fleets completed two morning races followed by a lengthy, relaxing lunch. Afternoon racing commenced at 3:30. On Day Two the juniors and seniors switched position on the lake to each "get a different look" of Minnetonka. It was a day to remember.

This picture in no way conveys the beauty of 115 boats on the water at one time. To look back at the two fleets together side by side was breathtaking. Thanks again to Minnetonka and the RC who created a picture perfect day of sailing.

#### Junior Fleet

There was one name to remember from Day Two - Charlie Allen, Charlie Allen, Charlie Allen. V-61 with crew William Utz took all three race wins on the junior side.

Hard to believe but he is second in the standings behind Pine's Jack Steiner and Alec Harned. Steiner/Harned are so consistent - NO RACE OUT OF THE TOP FIVE. Their posture in the boat, teamwork and true grit is a sight to behold. Fritz Simon and Megan Isabell sailed today to two second place finishes. The top three are sailing phenomenally. Minnetonka has two in the top ten! But take a look at Oshkosh with three in the top fifteen. Or little do you readers realize the VAST improvement of four young ladies who have been in the back one-quarter of the fleet all year. Kudos to the sailors who sit in midfleet who have sailed so beyond their prior season finishes. There is just NOTHING LIKE AN INLAND where new champions are made in every aspect of the racing.

### Senior Fleet

The senior fleet is so deep - there has not been a double race winner.

Yet, the overall winner this morning is Ellie Harned and Austin Steiner - ring a bell? His brother is winning the junior fleet. Pine sits in first in both divisions. Ellie won the day on the senior fleet by five points but it's a close race on both fleets for the winners. The Cedar Barkows are right there. Cedar boasts three in the top fifteen. And local sailor Kate Ness is matching Minnetonka's top junior place. Both sit in fifth after two day's of competition.
