ROBLE SHEA Announce GoFundMe campaign with Matching Funds from Kilroy Realty

Donate Now

We recently wrapped up our European racing season and won our first World Cup Series medal - bronze at WCS Genoa! We have an exciting summer ahead as we earned the selection spot for the Pan American Games in Peru and Olympic Test Event in Japan.

None of this would be possible without the generous and loyal support of the ILYA community. Thank you for helping

2019 Calendar

June

1-2 40th Lake Lotawana, MO
Orlando Webb MC Regatta

8-9

HARKEN 50
CELEBRATING 50 YEARS

us get this far; we hope you can help us take the next step!

We just launched a GoFundMe campaign to raise \$20,000 for support at these events and the upcoming Olympic Trials. Our title sponsor, Kilroy Realty, will match every dollar donated of the first \$20,000!

We love representing our Midwestern roots - Lake Beulah YC and the ILYA - all over the world and we do our best every day to make you all proud. Even though it is just us on the water, this Olympic journey is truly a team effort from all of you. It takes a village, and the ILYA has been the backbone of our campaign.

Thank you!

[Go Fund Me for RobleShea Sailing](#)

Editors note: The ILYA connection is strong for both these women. Steph learned to sail at an ILYA sailing school, competed in both our Opti and X classes. She is an ILYA Opti Champion. She returns home as often as possible and jumps into an MC or C boat and loves every minute. She is a past champion of the Dorn Memorial MC regatta with her crew, fellow Olympian, Annie Haeger Ramsey. She recently sailed this weekend on Beulah with Taylor Canfield - talk about a strong team to grace our Inland home club waters.

Maggie summered at White Lake, MI. She is a graduate of New Trier HS and Connecticut College and sailed with many ILYA sailors in HS and college sailing. She has been a partner with another ILYA Olympian Sally Barkow on many adventures.

Both Maggie and Steph served (along with Olympians Sally and Annie) as instructors and speakers at two ILYA Women's and Girls Clinics. Those in attendance will not forget the impact these two young women had as they explained how they grow from mistakes and misfortune, how they take the positive from every sailing experience and how they simply love our sport.

These girls are home-grown and never forget their roots.

This last eighteen months of an Olympic campaign are the most expensive and the most time-intensive on the water. Help them concentrate on the boat and water by minimizing the time they need to spend fundraising. The generous

matching funds doubles your impact on their campaign. Kilroy Realty is run by John Kilroy, a Melges 20 champion who invited a younger Steph Roble to be a part of his winning crew. Kilroy has always been a supporter of Roble Shea and now is supporting the US Sailing Team as they prepare for the 2020 games.

ILYA REGATTA REGISTRATION IS OPEN!

Invitationals and Championships (with exception of Opti Champs)

Check out the [ILYA website](#) for all information and registration for the E/C/MC Invitationals and the X and Adult Championships. Social packages usually have a late fee as does the boat registration. Check the dates for each event. Hotel, mooring, parties - it's all there. The Opti Champs registration will be posted within the week.

X boats now allowed to carry radios

Just some good habits -- For adults also

Good

- Know the designated channel where the Race Committee will talk to you. It's announced at the Competitors' Briefin.
- Get to know your radio's lock function - this will keep you on the proper channel if a button is bumped.
- Store your radio clipped somewhere in the boat so the microphone button isn't accidentally pressed.
- Listen to the announcements carefully for great information from your Race Committee.
- Listen carefully when they announce any boats that were over the starting line early.
- If someone has accidentally pressed the transmit button on their radio, locking the transmit on - tell the boats around you to check their radios.
- Use the Dual Watch function to also monitor VHF Channel 16 as required by law. Channel 16 is where general boaters call for help if they are in trouble. The racing rules and the law require to assist anyone in trouble if reasonably possible. (Each state and lake is different. For instance, on Lake Geneva do you know they have a dedicated lake staff who handles safety issues on the lake? Channel 16 is universal - Help!)
- If you are retiring from the race, tell the Race

Committee.

- If someone is hurt, sick, or in danger, ask for help on the Race Committee channel.
- If one of your crew fell overboard, announce that there is a person in the water and announce their location. This will keep your crew member safe.
- Be sure you keep your radio charged every night.
- Have a rope and clip on your radio so it doesn't float away (or sink) if you drop it overboard.
- Have your name on the radio so it can find its way back to you if you leave it somewhere.

Bad

- Throw your radio in a bag or in a pocket with other stuff. This could accidentally push the transmit button and hold it on, making everyone listen to the wind noise and conversation on your boat.
- Turn the radio down/off so you can't hear announcements.
- Turn the radio off after the start, or during a postponement.
- Announce a protest on the radio after you finish at an ILYA event where we don't require you to announce protests at the finish - Check your sailing instructions for every event you sail.
- Complain about something.
- Talk to your coaches, friends, or parents on the radio. - Even if you are not racing and use a separate channel, you might miss an important announcement from the race committee.
- Receive any transmission other than the Race Committee, NOAA weather radio, or Channel 16 while racing.
- Leave your radio in your boat after racing - draining the battery.

College Nationals in Newport Mark End of Season

Check collegesailing.org

Another year of great racing with ILYA sailors adding to the ranks with each passing year. Women's and Team Racing Nationals are completed and Co-ed Championships move into the Finals tomorrow. Watch [here](#) to follow the final action of the year.
